Napoleon and His Ladies Guy Breton, 1966 **Napoleon's Women** Christopher Hibbert, 2004 As a soldier and an emperor Napoleon was ruthless and determined as a lover he showed the same single minded ferocity **Napoleon, His Court and Family** Laure Junot Abrantès (duchesse d'), 1883 **Napoleon: his court and family. Napoleon: His Army and His Generals, 1848 **Egypt Awakening in the Early Twentieth Century** B. Khaldi, 2012-12-23 Through a detailed study of Mayy Ziy dah s literary salon Boutheina Khaldi sheds light on salon and epistolary culture in early twentieth century Egypt and its role in Egypt s Nahdah Awakening Bringing together history women s studies Arabic literature post colonial literature and media studies she highlights the important and previously little discussed contribution of Arabic women to the project of modernity Godey's Lady's Book, and Ladies' American Magazine, 1855 *Napoleon: His Army and His Generals: Their Unexamples Military Career* Jean Charles Dominique de Lacretelle, 1855 **Life in Napoleon's Army** Philip Haythornthwaite, 1995-02-01 The Napoleonic Library is an outstanding collection of seminal works on the Napoleonic Wars It features evocative contemporary memoirs and makes available once again the classic works on the subject by military historians Women's Travel Writings in Post-Napoleonic France, Part II vol 7 Stephen Bending, Stephen Bygrave, Lucy Morrison, Benjamin Colbert, Paul Hague, 2024-08-07 This eight volume set in two parts gives voice to some intrepid women travellers touring post Napoleonic France The volumes are facsimile editions and are introduced and edited by experts in their field Memoirs of the Life, Exile, and Conversations of the Emperor Napoleon (Complete) Emmanuel-Auguste-Dieudonné Las Cases, 2020-09-28 It is my intention to record daily all that the Emperor Napoleon did or said while I was about his person but before I begin my diary I hope to be excused for offering a few preliminary remarks which may not be altogether useless I never commenced the perusal of any historical work without first wishing to know the character of the author his situation in society and his political and domestic relations in fact all the important circumstances of his life conceiving that nothing but a knowledge of these matters could furnish a key to his writings or a safe ground of confidence in his statements I therefore proceed to supply in my turn that which I always sought for in others and in presenting this diary to relate a few facts respecting my past life I was scarcely twenty one years of age when the Revolution broke out and had just been made a Lieutenant de Vaisseau which corresponded with the rank of a field officer in the line my family was at court and I had been recently presented there myself I was not rich but my name and rank in life together with my professional prospects were likely according to the notions and views of the times to enable me to marry according to my wishes It was at such a moment that our political troubles burst forth One of the principal vices in our system of admission to the service was that of depriving us of the benefits of a solid and finished education Withdrawn from school at the early age of fourteen abandoned from that instant to ourselves and launched as it were on a wide waste how

was it possible to attain the slightest notion of social organization public rights or the duties of civil life Thus prompted by noble prejudice rather than by a just sense of duty above all led on by a natural fondness for generous resolves I was amongst the first to hasten abroad and join our Princes to save as it was said the monarch from revolutionary fury and to defend our hereditary rights which we could not it was asserted yet abandon without shame From the mode in which we had been educated it required either a very strong head or a very weak mind to resist the torrent The emigration soon became general this fatal measure is but too well known to Europe nor can its folly as a political blunder and a social crime find any excuse in the present day except in the unenlightened but upright character of most of those by whom it was undertaken Defeated on our own frontiers discharged and disbanded by foreigners rejected and proscribed by the laws of our country numbers of us reached England whose Ministers lost no time in landing us on the shore of Quiberon Being so fortunate as not to disembark I had after my return time to reflect on the horrible alternative of fighting against our country under foreign banners and from this moment my ideas principles and projects were either disconcerted or entirely changed

Great Military Leaders William T. Worthington,2002 *Great Military Leaders A Bibliography with Vignettes* **New York Visitor and Lady's Album** ,1842 *Napoleon's Poisoned Chalice* Dr Martin Howard,2009-04-01 In 1815 Napoleon Bonaparte arrived on the island of St Helena to begin his imprisonment following Waterloo By 1821 he was dead During his brief stay he crossed paths with six medical men all of whom would be changed by the encounter whether by court martial the shame of misdiagnosis or resulting celebrity What would seem to be a straightforward post became entangled with politics as Governor Hudson Lowe became paranoid as to the motivations of each doctor and brought their every move into question In Napoleon s *Poisoned Chalice* Martin Howard addresses the political pitfalls navigated with varying success by the men who were assigned to care for the most famous man in Europe The hostility that sprang up between individuals thrown together in isolation the impossible situations the doctors found themselves in and the fear of censure when Napoleon finally began to die *The New-York Visitor and Lady's Album* ,1842 *Women's Travel Writings in Post-Napoleonic France, Part II vol 8* Stephen Bending,Stephen Bygrave,Lucy Morrison,Benjamin Colbert,Paul Hague,2024-08-07 This eight volume set in two parts gives voice to some intrepid women travellers touring post Napoleonic France The volumes are facsimile editions and are introduced and edited by experts in their field *Godey's Lady's Book* Louis Antoine Godey,Sarah Josepha Buell Hale,1855 Includes music *Blackwood's Lady's Magazine and Gazette of the Fashionable World, Or, St. James's Court-register of Belles Lettres, Fine Arts, Music, Drama, Fashions, &c* ,1855 **Lady Rowena** Patricia Green,2003-10 This book is one of considerable variety dealing mainly with prayer worship and song to a minor degree Prayer the author states is the fourth dimension of human existence a dimension of mystery a spiritual dimension for God is Spirit and God dwells in us as Spirit This dimension becomes especially manifest in silent prayer Prayer is part of the pilgrimage of life Small wonder through many years the book has grown to some 145 prayers covering a vast variety of subjects some most serious dealing

with fundamental human struggles and fundamental questions some are even humorous sport the Kentucky Derby God's humor in creation Pastoral prayers touch on the worship service and its danger of becoming stereotyped So he even ventures in giving fifteen new benedictions which he says is not intended to be a wimpy prayer of dismissal to go home now to have a nap but an authoritative culmination of the worship service sending people out into the world as laborers The lyrics deal with the essential elements of life praise to the Almighty Psalm 146 love faith hope God's goodness and ends with a song to America Prayer the author says is the universal language of all religions and he anticipates that people of diverse religious persuasions will find in the book guidance in trying situations comfort joy and inspiration
