Japan in Pictures Douglas Brooke Wheelton Sladen, 1904 *The War* Geoffrey C. Ward, Ken Burns, 2020-02-04 The vivid voices that speak from these pages are not those of historians or scholars They are the voices of ordinary men and women who experienced and helped to win the most devastating war in history in which between 50 and 60 million lives were lost Focusing on the citizens of four towns Luverne Minnesota Sacramento California Waterbury Connecticut Mobile Alabama The War follows more than forty people from 1941 to 1945 Woven largely from their memories the compelling unflinching narrative unfolds month by bloody month with the outcome always in doubt All the iconic events are here from Pearl Harbor to the liberation of the concentration camps but we also move among prisoners of war and Japanese American internees defense workers and schoolchildren and families who struggled simply to stay together while their men were shipped off to Europe the Pacific and North Africa Enriched by maps and hundreds of photographs including many never published before this is an intimate profoundly affecting chronicle of the war that shaped our world From the Hardcover edition **Pictures and Picturegoer** , 1918 **Hollywood Films in North Africa and the Middle East** Nolwenn Mingant, 2022-05-01 Drawing on a broad range of primary sources from trade and government publications to interviews Hollywood Films in North Africa and the Middle East traces the circulation of Hollywood films across the region from the early twentieth century to the present Originally introduced by French distributors Hollywood films have been a key component of film culture in North Africa and the Middle East These films became a favored mode of entertainment during the first half of the century as the major US film studios built a strong distribution structure After World War II the changing geopolitical context of decolonization pushed US distributors out of the market Hollywood films however have continued to be favored by audiences Today in a landscape that also includes Egyptian and Indian films Hollywood remains a relevant force in the region s film culture experienced by audiences in myriad ways from the pirate markets of North Africa to state of the art theatres in the United Arab Emirates *Guide to the Holdings of the Still Picture Branch of the National Archives* United States. National Archives and Records Administration. Still Picture Branch, 1990 **USS Solomons CVE 67** Joseph E. Comeau Jr., 2008-07-31 This book is an Historical Account some may say it is a Museum Exhibit all by itself of the USS SOLOMONS CVE 67 and U860 which was sunk by the USS Solomons CVE 67 It is told by the crewmen and their photos Its in the format of a Family Photo Album by the time you finish reading this book you will know these men Personally This book makes it blatantly clear how important it is that we talk to our Veterans record their stories and make copies of their photos Who would have ever thought that 60 men could have enough stories to fill 547 pages and over 810 photos and documents or that they would be so Happy And willing to share Their Memories Additionally this book shows just how little time we have left to record their memories Since I started this project in February of 2002 until now March 2005 five of the men that contributed to this book have already passed away They will never get to see the book that they helped write They are now

Gone Forever BUT They will now be Remembered Forever along with their stories and photos The five men are David R Green S1 c USS Solomons CVE 67 Passed Away 27 April 2002 Age 77 Frank S Rojewski S1 c USS Solomons CVE 67 Passed Away 10 May 2003 Age 76 Joseph Ernest Comeau S1 c USS Solomons CVE 67 My Dad Passed Away 26 June 2003 Age 77 Adolf Lundquist U860 Crewman U860 was sunk by USS Solomons CVE 67 Passed Away December 2003 Age 90 Joseph Montana USS Solomons CVE 67 Passed Away 12 January 2005 Age 78 Read this book Then talk to the Veteran that you know write down His or Her stories and make copies of any photos Put them in a folder give each of His or Her Family members a copy so that the Veteran will NEVER BE FORGOTTEN OUR VETERENS HAVE EARNED THE RIGHT TO BE REMEMBERED

THANK YOU center REVIEWScenter Joseph Comeau s book on the history of this can do carrier and her World War II crew reads like a veteran s scrapbook which it is in a way There s no narrative in the traditional sense the book consists of first hand accounts rare personal snapshots and reproductions of contemporary documents such as a Welcome Aboard pamphlet produced for new arrivals aboard the SOLOMONS Comeau s father Joseph E Comeau Sr served aboard the SOLOMONS and the book is a tribute to Comeau Sr and his shipmates The book is a wealth of obscure photos and the small details of life aboard a jeep carrier during the Atlantic War Doug Buchanan Editor of Anchor Watch The Official Journal of the Historic Naval Ships Association July 2005 This is a big book large format over 540 pages and 810 photographs but regardless of its size this book is clearly a labor of love For years Joseph Comeau would ask his father Joseph Comeau Sr about his days in the Navy His father would simply reply that he was on an Escort Carrier and that they were in the Atlantic He sometimes added that he was also rather sad that there had never been a reunion for his fellow shipmates that served with him on the USS Solomons CVE 67 In February 2002 Joseph Jr got an idea Using the far reach of the Internet he began tracking down former Solomons crewmembers quickly finding 35 men in just a few short months Each time he found one he would ask that individual to write down memories of the ship and to send a copy of any photos he may have Joseph Jr stashed these materials away in a folder which soon grew to over 235 pages This he presented to his dad on Father s Day of that year It was the reunion that his father never had Sadly Joseph Comeau Sr answered the final Call to Muster on 26 June 2003 This book based on the original folder as well as further research is a great piece of history It is not necessarily a start to finish history of the USS Solomons although there is a considerable amount of information on the ship but rather individual stories of people with a common experience centered around the vessel in which they served during a war that all fought This is a chronicle of the past in the most personal sense There is a ton of history here and we highly recommend picking up a copy of this book We would like to thank Joseph Jr for undertaking this project a gift from a son to his dad David G Powers Editor of Logbook Great Aviation History 2nd Quarter 2006

Troubled Refuge Chandra Manning, 2017-07-25 From the author of *What This Cruel War Was Over* a vivid portrait of the Union army s escaped slave refugee camps and how they shaped the course of emancipation and citizenship in the United States Chandra Manning casts in a wholly original light what it was like to escape slavery how emancipation happened and how citizenship in the United States was transformed This reshaping of hard structures of power would matter not only for slaves turned citizens but for all Americans Integrating a wealth of new findings this vivid portrait of the Union army s escaped slave refugee camps shows how they shaped the course of emancipation and citizenship in the United States Drawing on records of the Union and Confederate armies the letters and diaries of soldiers transcribed testimonies of former slaves and more Manning allows us to accompany the black men women and children who sought out the Union army in hopes of achieving autonomy for themselves and their communities It also raised for the first time humanitarian questions about refugees in wartime and legal questions about civil and military authority with which we still wrestle as well as
