Narasimha Rao The Best Prime Minister:

Narasimha Rao, the Best Prime Minister? Janak Raj Jai, 1996 **A History of Modern South Asia** Ian Talbot, 2016-01-01 TWELVE Pakistan's National Crisis and the Birth of Bangladesh THIRTEEN Bangladesh Since Independence FOURTEEN Pakistan Since 1971 FIFTEEN India Shining SIXTEEN The Contemporary International Relations of South Asia Chronology Notes Glossary Bibliography Illustration Credits Index A B C D E F G H I J K L M N O P Q R S T U V W Y Z **Foreign Policies of India's Prime Ministers** Harish Kapur, 2013-11-01 The book is on the Prime Ministers of India since Jawaharlal Nehru. A chapter is devoted to each of them with a focus on their foreign policies. The broad organisational framework designed and deployed in this publication begins with a brief analysis of their formative years, their perceptions of the international system and the architecture of their foreign policies before delving into their decisional process and before concluding with an evaluation of their role. All the Prime Ministers were obviously not interested in international affairs. Though the dimensional size of the country had unavoidably pushed all of them to deal with foreign affairs, their role was variegated and their performance was unequal. While the Nehru-Gandhi family were the icons of Indian diplomacy, there were others like Morarji Desai, V. P. Singh, H. D. Deve Gowda, Chandra Shekar etc. who were really marginal either because their mandate was limited by time or by interest. The uniqueness of the book lies in the fact that the author has dealt with all the Prime Ministers including the ones for whom foreign policy was not crucial. Brushes With History Krishna Kumar Birla, 2009-04-17 What a family! Simple and complex, traditional and modern, religious and rational, money minded and money renouncing, Indian and international, fiercely individualistic and inspiringly loyal. P. Lal. In a life spanning nine decades, Krishna Kumar Birla, son of the legendary Ghanshyam Das Birla, witnessed events that shaped India in the twentieth century and had close associations with iconic figures like Mahatma Gandhi, Madan Mohan Malviya, Jayaprakash Narayan, Jawaharlal Nehru and Indira Gandhi. Head of one of India's leading business houses, K. K. Birla embraced principles in which the creation of wealth, philanthropy and political leadership were all regarded as part of nation building. Written in a style that is simple and translucent in its sincerity, Brushes with History brings alive an important era in the life of the nation, its changing social mores, evolving principles of corporate governance and enduring family values. In an affectionate and moving tribute, K. K. Birla's daughter, Shobhana Bhartia, acquaints readers with her father's spiritual strength and moral values which were an integral part of his life. The Hindu Nationalist Movement in India Christophe Jaffrelot, 1996 Using techniques similar to those of nationalist groups in other nations, Jaffrelot contends the Hindu movement polarizes Indian society by stigmatizing minorities, chiefly Muslims and Christians, and by promoting a sectarian Hindu identity. A Diplomat Reveals Prem K. Budhwar, 2007 Memoirs of the author, Indian diplomat. Prime Minister P.V. Narasimha Rao, India's Great Expectation Saroj Prasad, 1991 **Malevolent Republic** K.S. (Kapil Satish) Komireddi, 2024-03-28 After decades of imperfect secularism presided over by an often corrupt Congress establishment, Nehru's diverse republic has yielded to

Hindu nationalism India the first major democracy to fall to demagogic populism in the twenty first century is racing to a point of no return Since 2014 the ruling BJP has unleashed forces that are irreversibly transforming the country Indian democracy honed over decades is now the chief enabler of Hindu extremism Bigotry has been ennobled as a healthy form of self assertion Anti Muslim vitriol has deluged the mainstream Religious minorities live in terror of a vengeful majority Congress now mimics Modi other parties pray for a miracle In this highly acclaimed critique of post Independence India from Nehru to Narendra Modi revised and expanded with a new chapter K S Komireddi charts the dismaying course of the world s largest democracy He argues that the missteps of the nation s founders the mistakes of Nehru the betrayals of his daughter and her sons the anti democratic fetish for technocracy carried to extremes by Manmohan Singh all of them prepared the way for Modi s march to absolute power If secularists fail to wrest the republic from Hindu supremacists Komireddi argues India may go the way of Yugoslavia and collapse under the burden of sinister ethno religious nationalism A gripping short history of modern India Malevolent Republic is also a passionate plea for India s reclamation Why Leaders Fight Michael C. Horowitz,Allan C. Stam,Cali M. Ellis,2015-09-29 The history of political events is made by people From wars to elections to political protests the choices we make our actions how we behave dictate events Not all individuals have the same impact on our world and our lives Some peoples choices alter the pathways that history takes In particular national chief executives play a large role in forging the destinies of the countries they lead Why Leaders Fight is about those world leaders and how their beliefs world views and tolerance for risk and military conflict are shaped by their life experiences before they enter office military family occupation and more Using in depth research on important leaders and the largest set of data on leader backgrounds ever gathered the authors of Why Leaders Fight show that within the constraints of domestic political institutions and the international system who ends up in office plays a critical role in determining when and why countries go to war **The Untold Vajpayee** Ullekh N P,2018-01-01 Despite his grand secular statements in Parliament that bordered on the Nehruvian Atal Bihari Vajpayee has often taken brief excursions into the hardline camp In 1983 he made an incendiary speech during the Assam elections in which the presence of Bangladeshi foreigners in the state was a big issue Even the BJP had disowned Vajpayee s speech which possibly inspired the massacre of over 2000 people mostly Muslims in Nellie in Assam Vajpayee one of the shrewdest politicians of India is known for negotiating multiple contradictions from militant nationalism to his secret family life his stint as a communist his indulgence in food influence of Gandhi and Nehru Narendra Modi and Gujarat issues foreign policies and his attempt to project himself as a moderate face if not liberal among others Exploring crucial milestones of Vajpayee s career and his traits as a seasoned politician the book looks at his relationship with leaders of his party and the love hate association with RSS and its feeder organizations Thoroughly researched supported by hard facts and accompanied by inside stories and anecdotes insightful interviews and archival photographs The Untold Vajpayee would open a window to the life and times of a poet politician The Sunset Club Khushwant Singh,2010-11-13 Meet the

R. Narayana Murthy,N. R. The Indian annual register H. N. Mitra,2000 The Register is a comprehensive digest of all phases of public affairs of India with an authentic and dependable record of the Political Economic Industrial Educational and Social Activities of the nation during the most momentous years of Indian history from 1919 to 1947 During these years the National Movement entered its mass struggle phase Communalism gradually assumed a menacing proportion leading to the Partition of the country between India and Pakistan In the times to come India emerged as the most industrially developed country among the former colonial states These years witnessed the rise of a powerful Left Movement resulting in forceful socialist and communist parties and for a while a revolutionary terrorist movement A brief glance at these volumes is sufficient to show that they have also covered fully other grounds of student youth women cultural and trade union movements which were integrated with the national movement and thus made the Register an almost indispensable record for advanced students and researchers of politics and history on Indian affairs **My Path, My Way** Hari Prasad Sharma, IAS (Retd.),2025-04-18 Working as a police officer in the police service I had to play my role by being at the centre of many important events my aim here has also been to record my memories of some such incidents In an autobiography not only the personality but also entire time period emerges There is no direct path to understand life Understanding life is a continuous search which can be known only by trial and error In my view the meaning of patriotism is to have utmost respect and infinite pride and honour towards one s motherland and also to discharge one s duty with honesty in a broader perspective Love for one s country integrity towards it pride of being a Bharatiya and feeling of sacrifice for the country are the main qualities for patriotism One must take interest and seek pride in the history of one s nation It has three advantages for sure First a person understands history in the true sense second a feeling of patriotism and nationalist outlook develops and third one gets freedom from the burden of history But history should be analysed in such a way that it are easily acceptable to us like the present that we experience ourselves This autobiography of mine should inculcate patriotism life values traditions and beliefs in our young generation and motivate them to work for the nation then only the motive of writing and publishing the book will be achieved
