

Original Narratives of Early American History

NARRATIVES
of the
INSURRECTIONS
1675–1690

Edited by

Charles M. Andrews, Ph.D., L.H.D.

Furnham Professor of American History in Yale University

with Three Facsimiles

This volume contains narrative accounts of a series of five uprisings in colonial Virginia (1675), North Carolina (1680), Massachusetts (1689), Maryland (1689), and New York (1690). Each section includes an introduction which briefly outlines the history of each rebellion, the people involved, and the origins of the narratives presented. Each uprising is described by several contemporary observers with different viewpoints. This work provides fascinating reading. Three facsimiles and an index to names, places and subjects complete this work.

Narratives Of The Insurrections 16751690

Charles McLean Andrews

Narratives Of The Insurrections 1675-1690:

Narratives of the Insurrections, 1675-1690 Charles McLean Andrews, 1915 *Narratives of the Insurrections, 1675-1690* Charles McLean Andrews, 2005 2005 Scholar s Bookshelf Reprint Edition of the 1915 Scribner s edition of the basic documentary source for the significant insurrections and rebellions in the American colonies including Bacon s the Carolina proprietors of 1680 the events of 1689 1691 and other events of the 1690s Reprint of this volume from the Original Narratives of Early American History 2005 414 pages softcover Scholar s Bookshelf Original Narratives of Early American History: Narratives of the insurrections, 1675-1690 John Franklin Jameson, 1913 *Early Narratives of the Northwest, 1634-1699* Louise Phelps Kellogg, 1917 The history of a State or a county writes author J B Alexander is almost entirely the history of the people who constitute the inhabitants Indeed Alexander devotes a substantial portion of his History of Mecklenburg County from 1740 to 1900 to biographical sketches of former citizens of the county often giving such information as date and place of birth parents names date of arrival in Mecklenburg County education profession military service and names of spouse and children Many of these Mecklenburg residents descended from the Scotch Irish immigrants who populated the early settlements of the county which was formed in 1762 and originally encompassed a large area that included what is now Union Cabarrus Gaston Lincoln Cleveland and Rutherford counties as well as the upper portions of present day South Carolina Later waves of immigration brought settlers from Maryland Pennsylvania Germany and Ireland to the area **Sir William Berkeley and the Forging of Colonial Virginia** Warren M. Billings, 2010-03-01 Sir William Berkeley 1605 1677 influenced colonial Virginia more than any other man of his era diversifying Virginia s trade with international markets serving as a model for the planter aristocracy and helping to establish American self rule An Oxford educated playwright soldier and diplomat Berkeley won appointment as governor of Virginia in 1641 after a decade in the court of King Charles I Between his arrival in Jamestown and his death Berkeley became Virginia s leading politician and planter indelibly stamping his ambitions accomplishments and ultimately his failures upon the colony In this masterly biography Warren M Billings offers the first full scale treatment of Berkeley s life revealing the extent to which Berkeley shaped early Virginia and linking his career to the wider context of seventeenth century Anglo American history The Many-Headed Hydra Marcus Rediker, Peter Linebaugh, 2020-05-05 Long before the American Revolution and the Declaration of the Rights of Man a motely crew of sailors slaves pirates labourers market women and indentured servants had ideas about freedom and equality that would for ever change history The Many Headed Hydra recounts their stories in a sweeping history of the role of the dispossessed in the making of the modern world *Brabbling Women* Terri L. Snyder, 2014-02-15 *Brabbling Women* takes its title from a 1662 law enacted by Virginia s burgesses which was intended to offer relief to the poore husbands forced into defamation suits because their brabbling wives had slandered or scandalized their neighbors To quell such episodes of female misrule lawmakers decreed that husbands could choose either to pay damages or to have their

wives publicly ducked But there was more at stake here By examining women s use of language Terri L Snyder demonstrates how women resisted and challenged oppressive political legal and cultural practices in colonial Virginia Contending that women s voices are heard most clearly during episodes of crisis Snyder focuses on disorderly speech to illustrate women s complex relationships to law and authority in the seventeenth century Ordinary women Snyder finds employed a variety of strategies to prevail in domestic crises over sexual coercion and adultery conflicts over women s status as servants or slaves and threats to women s authority as independent household governors Some women entered the political forum openly participating as rebels or loyalists others sought legal redress for their complaints Wives protested the confines of marriage unfree women spoke against masters and servitude By the force of their words all strove to thwart political leaders and local officials as well as the power of husbands masters and neighbors The tactics colonial women used and the successes they met reflect the struggles for empowerment taking place in defiance of the inequalities of the colonial period The Divided Dominion Ethan A. Schmidt,2015-04-01 In The Divided Dominion Ethan A Schmidt examines the social struggle that created Bacon s Rebellion focusing on the role of class antagonism in fostering violence toward native people in seventeenth century Virginia This provocative volume places a dispute among Virginians over the permissibility of eradicating Native Americans for land at the forefront in understanding this pivotal event Myriad internal and external factors drove Virginians to interpret their disputes with one another increasingly along class lines The decades long tripartite struggle among elite whites non elite whites and Native Americans resulted in the development of mutually beneficial economic and political relationships between elites and Native Americans When these relationships culminated in the granting of rights equal to those of non elite white colonists to Native Americans the elites crossed a line and non elite anger boiled over A call for the annihilation of all Indians in Virginia united different non elite white factions and molded them in widespread social rebellion The Divided Dominion places Indian policy at the heart of Bacon s Rebellion revealing the complex mix of social cultural and racial forces that collided in Virginia in 1676 This new analysis will interest students and scholars of colonial and Native American history

Collective Understanding, Radicalism, and Literary History, 1645-1742 Melissa Mowry,2021-10-21 Political literary and cultural historians of the early modern Anglophone world have long characterized the crucial century between 1642 and 1742 as the period when absolutist theories of sovereignty yielded their dominance to shared models of governance and a burgeoning doctrine of unalienable individual rights Yet even the most cursory glance at the cultural record reveals that individualism was largely a footnote to a conflict over the production of political and cultural authority that erupted around the middle of the seventeenth century between sovereignty and collectivity Collective Understanding Radicalism and Literary History reaches back to the English civil wars 1642 46 1648 when a distinctive and anti authoritarian hermeneutic emerged from the dissident community known as the Levellers Active between 1645 and 1653 the Levellers argued that a more just political order required that knowledge previously structured by the epistemology of singularity upon which

sovereignty had built its authority be reorganized around the interpretive principles and practices of affiliation and collectivity Collective Understanding contends that late Stuart and eighteenth century literature played a central role in marginalizing the non elite methods of interpretation and knowledge production that had emerged in the 1640s While pamphlets and other readily available texts ridiculed members of the commonalty it was the longer narrative arcs of drama and fiction that were uniquely able to foreground the collaborative methods civil war dissidents and the Levellers in particular had used to advance their opposition to sovereignty s epistemological paradigm Writers such as William Davenant Aphra Behn Edward Sexby Algernon Sidney and Daniel Defoe repeatedly exposed these dissident methods as a profound and potentially catastrophic challenge to the political privileges of the ancien r gime as well as its ancestral monopoly on the production of new knowledge

Lock, Stock, and Barrel Clayton E. Cramer, 2018-02-21 This provocative book debunks the myth that American gun culture was intentionally created by gun makers and demonstrates that gun ownership and use have been a core part of American society since our colonial origins Revisionist historians argue that American gun culture and manufacturing are relatively recent developments They further claim that widespread gun violence was largely absent from early American history because guns of all types and especially handguns were rare before 1848 According to these revisionists American gun culture was the creation of the first mass production gun manufacturers who used clever marketing to sell guns to people who neither wanted nor needed them However as proven in this first scholarly history of gun culture in early America gun ownership and use have in fact been central to American society from its very beginnings *Lock Stock and Barrel* The Origins of American Gun Culture shows that gunsmithing and gun manufacturing were important parts of the economies of the colonies and the early republic and explains how the American gun industry helped to create our modern world of precision mass production and high wages for workers

Books Added Chicago Public Library, 1916

Vignettes of Colonial Virginia Brent Tarter, 2025-10-08 Illuminating stories of colonial life from the dean of Virginia history How did ordinary people experience life in the colonial era from the humdrum happenings of the day to day to the extraordinary events still familiar to millions In his latest book renowned historian Brent Tarter paints a vibrant colorful portrait of the Old Dominion in the era before the Revolution presenting a new collection of stories culled from the depths of his unparalleled career in archival research Using the language of his historical subjects Tarter brings the experience of the past to life in his own inimitable but readily accessible style *Vignettes of Colonial Virginia* encompasses thirty three episodes in total ranging chronologically from 1607 to the eve of the War for Independence and features stories of Virginians of all backgrounds and stripes told with startling immediacy With the 250th anniversary of the declaration of American independence upon us this book situates the reader among the ordinary people who lived on the eve of those extraordinary times

The Americans: The Colonial Experience Daniel J. Boorstin, 1964-03-12 Winner of the Bancroft Prize In this brilliantly original book written for the general reader the American past becomes richly meaningful to the present

The

Governor and the Rebel Wilcomb E. Washburn, 2018-08-22 This is the definitive study of the unsuccessful rebellion in Virginia led in 1676 by the younger Nathaniel Bacon celebrated in history as the rebel against Sir William Berkeley the colonial governor of Virginia and one of the lords proprietors of Carolina Using all known English and American sources Washburn sheds light on many misconceptions surrounding the episode A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value Samuel Wiseman's Book of Record Samuel Wiseman, 2009-01-01 In 1676 Nathaniel Bacon led a well known colonial uprising against the authority of King Charles II in the person of Virginia s governor Sir William Berkeley Bacon s Rebellion dramatically altered relations between Chesapeake colonists and Native Americans and also induced late Stuart imperialists to crack down on colonial autonomy Michael Leroy Oberg has transcribed edited and introduced the official record left by Samuel Wiseman King Charles II s scribe assigned to this uprising s investigation_ making this history widely available for the first time in book form Before the Revolution Daniel K. Richter, 2011-08-25 In this epic synthesis Richter reveals a new America Surveying many centuries prior to the American Revolution we discover the tumultuous encounters between the peoples of North America Africa and Europe and see how the present is the accumulation of the ancient layers of the past **Catalogue of Copyright Entries** Library of Congress.
