James D. Hornfischer

Pacific Air Combat Wwii Voices From The Past:

The Last Mission Jim Smith, Malcolm McConnell, 2007-12-18 A gripping account of the final American bombing mission of World War II and how it prevented a military coup that would have kept Japan in the war How close did the Japanese come to not surrendering to Allied forces on August 15 1945 The Last Mission explores this question through two previously neglected strands of late World War II history whose very interconnections could have caused a harrowing shift in the course of the postwar world On the final night of the war as Emperor Hirohito recorded a message of surrender for the Japanese people a band of Japanese rebels commanded by War Minister Anami s elite staff burst into the palace They had plotted a massive coup that aimed to destroy the recordings of the Imperial Rescript of surrender and issue false orders forged with the Emperor s seal commanding the widely dispersed Japanese military to continue the war If this rebellion had succeeded the military would have proceeded with large scale kamikaze attacks on Allied forces costing huge casualties and just possibly provoking the Americans to drop a third atomic bomb on Japan over Tokyo and continue to drop more bombs as Japanese resistance stiffened Meanwhile in the midst of an end of war celebration on Guam Air Force radio operator Jim Smith and his fellow crewmen received urgent orders for a bombing mission over Japan s sole remaining oil refinery north of Tokyo As a stream of American B 29B bombers approached Tokyo Japanese air defenses fearing the approaching planes signaled the threat of a third atomic bomb ordered a total blackout in Tokyo and the Imperial Palace completely disrupting the rebels plans Smith and his fellow crewmembers completed the mission and a few hours later the Emperor announced the surrender over Japan s airwaves dictating the end of the war The Last Mission is an insightful piece of speculative investigation that combines narrative storytelling with historical contingency and explores how two seemingly unrelated events could have profoundly changed the course of modern history *The Last Mission* Malcolm McConnell, 2024-04-29

How close did the Japanese come to not surrendering to Allied forces on August 15 1945 The Last Mission explores this question through two previously neglected strands of late World War II history whose very interconnections could have caused a harrowing shift in the course of the postwar world On the final night of the war as Emperor Hirohito recorded a message of surrender for the Japanese people a band of Japanese rebels commanded by War Minister Anami s elite staff burst into the palace They had plotted a massive coup that aimed to destroy the recordings of the Imperial Rescript of surrender and issue false orders forged with the Emperor s seal commanding the widely dispersed Japanese military to continue the war If this rebellion had succeeded the military would have proceeded with large scale kamikaze attacks on Allied forces costing huge casualties and just possibly provoking the Americans to drop a third atomic bomb on Japan over Tokyo and continue to drop more bombs as Japanese resistance stiffened **Indestructible** John R Bruning, 2016-10-11 In this remarkable WWII story by New York Times bestselling author John R Bruning a renegade American pilot fights against all odds to rescue his family imprisoned by the Japanese and revolutionizes modern warfare along the way From the knife

fights and smuggling runs of his youth to his fiery days as a pioneering naval aviator Paul Irving Pappy Gunn played by his own set of rules and always survived on his wits and fists But when he fell for a conservative Southern belle her love transformed him from a wild and reckless airman to a cunning entrepreneur whose homespun engineering brilliance helped launch one of the first airlines in Asia Pappy was drafted into MacArthur's air force when war came to the Philippines and while he carried out a top secret mission to Australia the Japanese seized his family Separated from his beloved wife Polly and their four children Pappy reverted to his lawless ways He carried out rescue missions with an almost suicidal desperation Even after he was shot down twice and forced to withdraw to Australia he waged a one man war against his many enemies including the American high command and the Japanese and fought to return to the Philippines to find his family Without adequate planes supplies or tactics the U S Army Air Force suffered crushing defeats by the Japanese in the Pacific Over the course of his three year quest to find his family Pappy became the renegade who changed all that With a brace of pistols and small band of loyal followers he robbed supply dumps stole aircraft invented new weapons and modified bombers to hit harder fly farther and deliver more destruction than anything yet seen in the air When Pappy's modified planes were finally unleashed during the Battle of the Bismarck Sea the United States scored one of the most decisive victories of World War II Taking readers from the blistering skies of the Pacific to the jungles of New Guinea and the Philippines to one of the war's most notorious prison camps Indestructible traces one man's bare knuckle journey to free the people he loved and the aerial revolution he sparked that continues to resonate across America's modern battlefields Deadly Sky John C. McManus, 2016-08-02 From the training camps to the combat missions this is war from the perspective of the young Americans who lived through it the pilots the bombardiers the navigators and the gunners of all the combat services in both Europe and in the Pacific It is an engaging and vivid portrayal of war in the skies from 1941 to 1945 Craig L Symonds Author of World War II at Sea John C McManus author of The Dead and Those About to Die and September Hope reveals the terror and triumph that shared the fiery skies of World War II from the first dogfights over Europe to the last Kamikaze attacks over the Pacific This insightful chronicle takes readers inside the experiences of America's fighter pilots and bomber crews an incredible assortment of men who in nearly four years of warfare all over the globe suffered over 120 000 casualties with over 40 000 killed Their stories span the earth into every corner of the combat theaters in both Europe and the Pacific And the aircraft explored are as varied tough and legendary as the men who flew them from the indomitable heavy duty warhorse that was the B 17 Flying Fortress to the sleek lethal P 51 Mustang fighter In Deadly Sky master historian John C McManus goes beyond the familiar tales of aerial heroism capturing the sights and sounds the toil and fear the adrenaline and the pain of the American airmen who faced death with every mission In this important thoroughly researched work McManus uncovers the true nature of fighting and dying in the skies over World War II **Naval Aviation News**, 1994-05 *The Library Journal*, 1993-10 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School

library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately Pacific Air Combat WW II Henry Sakaida,1993 En beskrivelse af h ndelser under luftoperationerne over Stillehavet og Japan herunder identificering af amerikanske og japanske piloter og deres indsats og sk bne *Fire In The Sky* Eric M Bergerud,2000 A chronicle of the Pacific Air War in World War II draws on interviews with surviving veterans of all duties to paint a detailed look at the war in the sky **Library Journal** ,1993-07 *Newsletter* ,1995 *One Last Attempt* Jack B. Walters,2023-01-11 It has become impossible to resolve the many serious problems we face in America My token efforts in this book details the issues as I see them Whether you agree with me or not at least give me the credit for devoting the last twenty years of my life trying to make sense out of it all and proposing solutions I did not do it for financial gain but as an American who reveres our heritage and hopes we can find a way to pull together and once again be that shining city on the hill *The Last Men in the Last Battles of World War II* Joe B. Keys,Ted R. Keys,2020-03-12 Welcome to a meeting with The Last Men in the Last Battles of World War II Travel with them as they scale enemy escarpments attack heavily armed caves and fly in cockpits against Kamikazes visit them on Pearl Harbor Guadalcanal Peliliu Iwo Jima and Okinawa and learn why Admiral Nimitz said Among these men uncommon valor was a common virtue This book presents selected stories about thousands of Army Infantry Sailors Pilots and Marines who fought a brutal enemy Hear Chaplain Sydney Wood Cahusac say of those who did not return Immortality is not our gift to give but we can recall them as individuals as human beings as friends and not just as number The Keys through personal interviews with eleven of these men their sons or best friends have captured stories that present them as real persons with feelings about the war the enemy and their buddies wounded and dying nearby Read stories of how Sergeant Major Hank Clark led others to save New Zealand and how Mustang pilot Bill Stringer downed three enemy planes though badly wounded while sleeping in his cockpit Some Cam Home captures stories about the men s families jobs joys and problems after returning home *Congressional Record* United States. Congress,1968 **Forthcoming Books** Rose Army,2002 Voices of World War II Priscilla Roberts,2012-08-22 Drawing together a wide variety of primary source documents from across the United States Europe and Asia this book illuminates the events and experiences of World War II the most devastating war in human history World War II was the most destructive and disruptive war ever a global conflict that in one way or another affected the lives of people across the planet Voices of World War II Contemporary Accounts of Daily Life coalesces a wide variety of primary source documents drawn from across the United States Europe and Asia Supplemented by interpretive material that enables readers to analyze them assess their impact and significance and place them in context to comparable situations today the documents provide rare insights into World War II Expert commentaries and additional information on these texts enable a greater understanding of the background to these documents providing valuable training in learning to interpret assess and evaluate historical sources Intended primarily for upper level high school and undergraduate level history students general readers will also appreciate the variegated array of primary material from

World War II which depicts numerous aspects of the conflict often in extremely personal terms *The One Voice of James Dickey* James Dickey, 2005 The second volume of the letters and life of James Dickey This volume chronicles Dickey's career from the publication of *Deliverance* through his poetic experimentation in *The Eye* *Beaters Blood* *Victory Madness* *Buckhead* and *Mercy* and *Puella* Includes correspondence with Saul Bellow Arthur Schlesinger and Robert Penn Warren Provided by publisher

Congressional Record United States. Congress, 1993 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States 1789-1824* the *Register of Debates in Congress 1824-1837* and the *Congressional Globe 1833-1873*

The Last Stand of the Tin Can Sailors James D. Hornfischer, 2008-11-12 This will be a fight against overwhelming odds from which survival cannot be expected We will do what damage we can With these words Lieutenant Commander Robert W Copeland addressed the crew of the destroyer escort USS Samuel B Roberts on the morning of October 25 1944 off the Philippine Island of Samar On the horizon loomed the mightiest ships of the Japanese navy a massive fleet that represented the last hope of a staggering empire All that stood between it and Douglas MacArthur's vulnerable invasion force were the Roberts and the other small ships of a tiny American flotilla poised to charge into history In the tradition of the 1 New York Times bestseller *Flags of Our Fathers* James D Hornfischer paints an unprecedented portrait of the Battle of Samar a naval engagement unlike any other in U S history and captures with unforgettable intensity the men the strategies and the sacrifices that turned certain defeat into a legendary victory BONUS This edition includes an excerpt from James D Hornfischer's *Neptune's Inferno* Praise for *The Last Stand of the Tin Can Sailors* One of the finest WWII naval action narratives in recent years this book follows in the footsteps of *Flags of Our Fathers* Exalting American sailors and pilots as they richly deserve Reads like a very good action novel Publishers Weekly Reads as fresh as tomorrow's headlines Hornfischer's captivating narrative uses previously classified documents to reconstruct the epic battle and eyewitness accounts to bring the officers and sailors to life Texas Monthly Hornfischer is a powerful stylist whose explanations are clear as well as memorable A dire survival at sea saga Denver Post In *The Last Stand of the Tin Can Sailors* James Hornfischer drops you right into the middle of this raging battle with 5 inch guns blazing torpedoes detonating and Navy fliers dive bombing The overall story of the battle is one of American guts glory and heroic sacrifice Omaha World Herald

[The World War II Chronicles](#) William J. Craig, 2017-06-13 A virtually faultless account of the final weeks of World War II in the Pacific and the definitive history of the battle for Stalingrad together in one volume The New York Times Book Review Author William Craig traveled to three different continents reviewed thousands of documents and interviewed hundreds of survivors to write these New York Times bestselling histories bringing the Eastern Front and the Pacific Theater of World War II to vivid life The Fall of Japan masterfully recounts the dramatic events that brought an end to the Pacific War and forced a once

mighty nation to surrender unconditionally From the ferocious fighting on Okinawa to the all but impossible mission to drop the second atom bomb and from Franklin D Roosevelt s White House to the Tokyo bunker where tearful Japanese leaders first told the emperor the war was lost Craig draws on Japanese and American perspectives to capture the pivotal events of these climactic weeks with spellbinding authority Enemy at the Gates chronicles the bloodiest battle of the war and the beginning of the end for the Third Reich On August 5 1942 giant pillars of dust rose over the Russian steppe marking the advance of Hitler s 6th Army The Germans were supremely confident in three years they had not suffered a single defeat The siege of Stalingrad lasted five months one week and three days Nearly two million men and women died and the 6th Army was completely destroyed The Soviet victory foreshadowed Nazi Germany s downfall and the rise of a communist superpower Heralded by Cornelius Ryan author of The Longest Day as the best single work on the epic battle of Stalingrad Enemy at the Gates was the inspiration for the 2001 film of the same name starring Joseph Fiennes and Jude Law [Killing the Rising Sun](#) Bill O'Reilly, Martin Dugard, 2016-09-13 Across the globe in Los Alamos New Mexico Dr J Robert Oppenheimer and his team of scientists are preparing to test the deadliest weapon known to mankind In Washington DC FDR dies in office and Harry Truman ascends to the presidency only to face the most important political decision in history whether to use that weapon And in Tokyo Emperor Hirohito who is considered a deity by his subjects refuses to surrender despite a massive and mounting death toll Told in the same page turning style of Killing Lincoln Killing Kennedy Killing Jesus Killing Patton and Killing Reagan this epic saga details the final moments of World War II like never before
