Radiance Of The King:

The Radiance of the King Laye Camara,2001 At the beginning of this masterpiece of African literature Clarence a white man has been shipwrecked on the coast of Africa Flush with self importance he demands to see the king but the king has just left for the south of his realm Traveling through an increasingly phantasmagoric landscape in the company of a beggar and two roguish boys Clarence is gradually stripped of his pretensions until he is sold to the royal harem as a slave But in the end Clarence s bewildering journey is the occasion of a revelation as he discovers the image both shameful and beautiful of his own humanity in the alien splendor of the king The Facts on File Companion to the World Novel Michael Sollars,Arbolina

Myers O'Brien,Chris Franke,2010-04-08 At the 2006 annual meeting of the Society of Biblical Literature the Prophetic Texts in their Ancient Contexts section devoted a session to the theme The Aesthetics of Violence Participants were invited to explore multiple dimensions of prophetic texts and their violent rhetoric The results were rich engaging discussion of violent images in ancient Near Eastern art and in modern film as well as advancing our understanding of the poetic skill required for invoking terror through words This volume collects those essays as well as others especially commissioned for its creation As a collection they address questions that are at once ancient and distressingly modern What do violent images do to us Do they encourage violent behavior and or provide an alternative to actual violence How do depictions of violence define boundaries between and within communities What readers can and should readers make of the disturbing rhetoric of violent prophets Contributors include Corrine Carvahlo Cynthia Chapman Chris Franke Bob Haak Mary Mills Julia O'Brien Kathleen O'Connor Carolyn Sharp Yvonne Sherwood and Daniel Smith Christopher *Teachings of the Buddha* Rulu,2012-01-20 The sixteen sutras in this book are English translations of texts selected from the Chinese Buddhist Canon Thirteen of them have never before been published in book form The translators introduction to Buddhist doctrine provides an organized background for readers at all levels to better understand and appreciate the teachings in these sutras which cover a wide range of interesting topics For example in Sutra 1 the Buddha teaches karmic requitals and how one can avoid or mitigate

unfortunate requitals In Sutra 6 He predicts that long after His Dharma has perished the next Buddha Maitreya will bring the Dharma back to this world In Sutra 13 the Buddha reveals the mystery of consciousness giving a detailed description of ones rebirth according to karmic force In Sutra 14 He declares the eternity of nirvana and ones Buddha nature In Sutra 16 He affirms that ones great compassion for all sentient beings will quickly lead one to Buddhahood These English translations are easy to read and Buddhist terms are explained in the glossary One can read this book for pleasure or study it for spiritual development One can also recite the sutras prayers and mantras as a spiritual practice Students in Buddhist Studies certainly can use this book to support and enhance their learning **Obumselu on African Literature** Isidore

Diala,2019-02-13 This compendium brings together in one volume for the first time Obumselu s highly celebrated work on African literature With the dialectic of cultures as the presiding preoccupation of his work and appraising the place of African literature in the universal scheme of cultural interchange his critical speciality Obumselu espoused a scholarship with a necessarily indispensable comparative dimension as the articles anthologised in this volume as African literature reveal The expertise with which he explores the oeuvres of many Western writers because of the light they shed on the creative endeavours of African writers is offset only by the rigour with which he explores the transformative impact of indigenous African literature on the craft of many distinguished African writers Obumselu s discovery of a tradition of the African novel almost entirely rooted in the poetics of African folklore which began with Mofolo and Plaatje and blossomed in Camara Laye and Ben Okri is a highlight of his incisive scholarship and reverberates through many of the works here The originality of his insights his analytic rigour the catholicity of his tastes and competences and the power and grace of his expression make this volume compelling **The Radiance of the King** Laye Camara,1965 Relations of Power in Early Neo-Assyrian State Ideology Mattias Karlsson,2016-03-07 This volume examines the state ideology of Assyria in the Early Neo Assyrian period
