Sturges, 1994      *The Philistine* Harry Persons Taber, Elbert Hubbard, 1897      **Resolving the Gamer's Dilemma** Garry Young, 2016-11-15 This book explores the gamer's dilemma which lies at the heart of theorising about the morality of certain video game content The dilemma is as follows given that gaming content involves virtual characters within a virtual environment the moral permission of virtual murder would also appear to morally permit virtual paedophilia Yet most gamers and members of wider society would not want to play endorse or find in any way morally acceptable the enactment of virtual paedophilia within a video game Yet by accepting the moral permissibility of virtual murder they leave themselves vulnerable to having to accept the moral permissibility of virtual paedophilia This book provides an incredibly thorough and systematic analysis and evaluation of the gamer's dilemma by considering the origins of the intuitions around the dilemma and exploring whether they find support from traditional or contemporary moral theory and psychological research The book will be of great interest to academics and students of philosophy and psychology as well as members of the wider public interested in video game violence and taboo enactments more generally      **Outspoken** Nan Levinson, 2006-09 Among these sometimes unlikely defenders of free speech are Rick Nuccio a diplomat who disclosed secret information about the torture of Jennifer Harbury's husband and related government misconduct in Guatemala Daisy Sanchez a Puerto Rican journalist who risked going to prison to protect her sources Penny Culliton a high school teacher who was fired for discussing gays and lesbians in literature Michael Willhoite author of the children's book *Daddy's Roommate* which was the most banned book in the country for two years running Steve Johnson a fireman who fought for his right to read *Playboy* at work and Annie Sprinkle a former porn star who defended her performance piece *Post Porn Modernist* as art Jacket      **Understand Offending** Margretta Dwyer, 2007 Drawing on her extensive experience in counseling families and individuals with sexual problems psychologist Margretta Dwyer delivers a timely look at some of the sexual issues facing us today in *Understand Offending* Dwyer believes the emphasis on natural healthy sexual development is imperative to creating an atmosphere conducive to debunking myths and false teachings on sexuality Dwyer also focuses on those who commit sexual offences and explores the reasons behind their problems This detailed practical guide explores issues facing children teenagers and adults in the often confusing world of sexual behaviour
