Chris Wrigley

Radical Thread Political Change In Scotland Paisley Politics 18851924:

Labour in Glasgow, 1896-1936 J.J. Smyth, 2000-12-21 This book provides the first single overview of Labour's electoral progress in Glasgow from its hesitant steps in the shadow of Liberalism to the moment it became the dominant party in the city in parliamentary and municipal politics The unfolding narrative is not one of uninterrupted progress but a more complex story of partial breakthroughs and setbacks Labour's electoral challenge is detailed over forty years and focuses on local elections more than parliamentary This allows a broader and fuller picture to be presented rather than the narrower emphasis on the Red Clydeside period of the Great War and immediately after The Great War was the critical turning point After 1918 Labour emerged from being a permanent minority to a position where it could genuinely seek to present itself as the major political voice in Glasgow The nature of this transformation is identified as both the radicalising effect of the war itself and the attendant changes this provoked in Labour's attitude to its actual and potential constituency Unlike other studies of the franchise system the view expressed here is that the franchise was biased against the working class and this operated against Labour However Labour was effectively handicapped by its own ambivalence towards complete democracy fuelled by fear of the poor and belief in the reactionary tendencies of the existing female local electorate While the war resolved the franchise issue for Labour in Glasgow the Party's own mobilisation over housing provided the means to appeal to the new female electorate

Empire, Industry and Class Anthony Cox, 2013 He making and re making of the imperial nexus of jute 1840 1940 The coming of the up countrymen labour conditions and class formation in the Bengal jute industry 1875 1910 The making of juteopolis and the imperial nexus of jute 1875 1910 Working class militancy and labor politics in juteopolis 1885 1923 Challenging the jute wallahs non co operation communism and the Marwaris 1918 30 The imperial nexus and labor politics in dundee during the 1920s The breaking of the Dundee Calcutta nexus 1930 40 Conclusion

William Wallace Graeme Morton, 2014-10-08 A deconstruction of the national biography and mythology of William Wallace Freed from the historian's bedrock of empiricism by a lack of corroborative sources the biography of this short lived late medieval patriot has long been incorporated into the ideology of nationalism

Strike! David Lee McMullen, 2010-07-18 This is the first biography of Ellen Dawson 1900 1967 a Scottish woman who participated in three of the largest and most dramatic textile strikes in U S history Passaic New Jersey New Bedford Massachusetts and Gastonia North Carolina She helped organize the National Textile Workers Union and became the first woman elected to a national leadership position in an American textile union She spent her formative years in the Glasgow area as a young worker during Scotland's most radical period of labor history With her family she moved first to England and then to the United States in search of economic survival As a textile worker in Passaic she became a leader in the communist inspired strike of 1926 Later a labor activist working with both the American Federation of Labor and the Communist Party she traveled to the Soviet Union and was elected to the executive committee of the American Communist Party David McMullen investigates Dawson's background

and the events surrounding her life as well as the events she participated in to understand why she became a leading labor activist This remarkable biography provides an unrivaled perspective of early American communists during the 1920s and 1930s one that ignores the distortions so commonly applied during the Cold War **New Perspectives on the Irish in**

Scotland Martin J. Mitchell,2008-09-22 Irish immigrants and their descendants have made a vital contribution to the creation of modern Scotland This book is the first collection of essays on the Irish in Scotland for almost twenty years and brings together for the first time all the leading authorities on the subject It provides a major reassessment of the Irish immigrant experience and offers social cultural and religious development of Scotland over the past 200 years **Scots and the Spanish Civil War** Fraser Raeburn,2020-09-25 Drawing on newly declassified government documents and international archives in Spain and beyond this book explores the many ways in which Scots responded to the Spanish Civil War 1936 9

Gender and Political Identities in Scotland, 1919-1939 Annmarie Hughes,2010-05-15 This work offers a unique contribution to gender and Scottish history breaking new ground on several fronts there is no history of inter war women in Scotland very little labour or popular political history and virtually nothing published on women the home and family This book is a history of women in the period which integrates class and gender history as well as linking the public and private spheres Using a gendered approach to history it transforms and shifts our knowledge of the Scottish past unearthing the previously unexplored role which women played in inter war socialist politics the General Strike and popular political protest It re evaluates these areas and demonstrates the ways in which gender shaped the experience of class and class struggle Importantly the book also explores the links between the public and private spheres and addresses the concept of masculinity as well as femininity and pays particular reference to domestic violence The strength of the book is the ways in which it illuminates the complex interconnections of culture and economic and social structure Although the research is based on Scottish evidence it also uses material to address key debates in gender history and labour history which have wider relevance and will appeal to gender historians labour historians and social and cultural historians as well as social scientists

Scottish History Edward J Cowan,2020-03-31 No detailed description available for Scottish History **The Oxford Handbook of Modern Scottish History** T. M. Devine,Jenny Wormald,2012-01-26 Over the last three decades major advances in research and scholarship have transformed understanding of the Scottish past In this landmark study some of the most eminent writers on the subject together with emerging new talents have combined to produce a large scale volume which reconsiders in fresh and illuminating ways the classic themes of the nation s history since the sixteenth century as well as a number of new topics which are only now receiving detailed attention Such major themes as the Reformation the Union of 1707 the Scottish Enlightenment clearances industrialisation empire emigration and the Great War are approached from novel and fascinating perspectives but so too are such issues as the Scottish environment myth family criminality the literary tradition and Scotland s contemporary history All chapters contain expert syntheses of current knowledge but their authors

also stand back and reflect critically on the questions which still remain unanswered the issues which generate dispute and controversy and sketch out where appropriate the agenda for future research The Handbook also places the Scottish experience firmly into an international historical perspective with a considerable focus on the age old emigration of the Scottish people the impact of successive waves of immigrants to Scotland and the nation's key role within the British Empire The overall result is a vibrant and stimulating review of modern Scottish history essential reading for students and scholars alike

By-elections in British Politics, 1832-1914 Thomas G. Otte, Paul Readman, 2013 Between the 1832 Great Reform Act and the outbreak of World War One in 1914 over 2 600 by elections took place in Britain They were triggered by the death retirement or resignation of sitting MPs or by the appointment of cabinet ministers and were a regular feature of Victorian and Edwardian politics They furnished political parties and their leaders with a crucial tool for gauging and mobilising public opinion Yet despite the prominence of by election contests in the historical records of this period scholars have paid relatively little attention to them As this book shows these elections deserve to be taken as seriously today as people took them at the time They provided important linkages between local and national politics between the four parts of the United Kingdom and Westminster and between foreign and domestic affairs They are vital to understanding the evolving electioneering machineries the varying language of electoral contests the traction that particular issues had with a growing and frequently volatile electorate and the fluctuating fortunes of the political parties This book consisting of original work by leading political historians provides the first synoptic study of this important subject It will be required reading for historians and students of modern British political history as well as specialists in electoral history and politics Publisher's website

The Oxford Handbook of Modern British Political History, 1800-2000 David Brown, Robert Crowcroft, Gordon Pentland, 2018-03-29 The two centuries after 1800 witnessed a series of sweeping changes in the way in which Britain was governed the duties of the state and its role in the wider world Powerful processes from the development of democracy the changing nature of the social contract war and economic dislocation have challenged and at times threatened to overwhelm both governors and governed Such shifts have also presented challenges to the historians who have researched and written about Britain's past politics This Handbook shows the ways in which political historians have responded to these challenges providing a snapshot of a field which has long been at the forefront of conceptual and methodological innovation within historical studies It comprises thirty three thematic essays by leading and emerging scholars in the field Collectively these essays assess and rethink the nature of modern British political history itself and suggest avenues and questions for future research The Oxford Handbook of Modern British Political History thus provides a unique resource for those who wish to understand Britain's political past and a thought provoking long view for those interested in current political challenges

Labour Inside the Gate Matthew Worley, 2005-03-24 In 1906 a confident Labour Party felt that it was already rattling the governing classes Its campaigning cartoon which gives this book its title showed the party wielding an axe towards the gates

of Parliament cutting through the special interests protecting the old system to aid the working classes What followed was the remarkable transformation of a parliamentary pressure group into a credible governing force The inter war years were a crucial stage in the development of the Labour Party as it grew from pressure group status to national opposition to party of government At the end of the Great War 1914 1918 Labour had a developing national organisation and a fledgling constitution By 1922 it rivalled the war ravaged Liberals as the party of opposition a fact that was affirmed with the formation of the first minority Labour government in January 1924 The second Labour administration of 1929 collapsed amidst the whirlwind of the great depression but the organisational basis of the party remained solid allowing Labour to reinvent itself over the 1930s By the Second World War the foundations had been laid for the landslide victory that brought in the Attlee government of 1945 Matthew Worley has written the first study dedicated solely to this crucial period in Labour s development In an accessible style he provides a comprehensive account of all aspects of the movement Using a wide range of sources he explores this often marginalised period in Labour s history both looking at the parliamentary party and the growing network of constituency parties Worley s approach unites high politics and issues that cross local and national boundaries He combines policy social history and economics with broader themes such as gender and culture Labour inside the Gate will appeal to students and scholars as well as all those interested in Labour s history Its new insights into the 1945 landslide victory illuminate this important period in the growth of the Labour Party as it continues to redefine and realign itself as the new party of government

A Companion to Early Twentieth-Century Britain Chris Wrigley, 2008-04-15 This Companion brings together 32 new essays by leading historians to provide a reassessment of British history in the early twentieth century The contributors present lucid introductions to the literature and debates on major aspects of the political social and economic history of Britain between 1900 and 1939 Examines controversial issues over the social impact of the First World War especially on women Provides substantial coverage of changes in Wales Scotland and Ireland as well as in England Includes a substantial bibliography which will be a valuable guide to secondary sources

Scottish Nationalism Richard Finlay, 2022-04-07 For more than a decade now the issue of Scottish independence has been one of the key features in British politics and has raised questions as to the likely survival of the United Kingdom in the post Brexit era In Scotland the SNP has been in government since 2007 and has established a political hegemony that makes it the most successful political party in terms of electoral politics in Europe Yet the political philosophy of this movement has not been studied in any great depth and a number of basic questions remain unanswered such as why is the movement non violent and constitutional Why does it believe that Scotland as a nation should exercise its right to self determination and how does it square a largely outward looking and cosmopolitan vision of society with nationalism This book answers these important questions By examining the evolution of nationalist ideas on Scottish history its relationship to the philosophy of nationalism as well as how the Treaty of Union between Scotland and England created an unusual legal and constitutional framework this

book offers new insights into Scottish history and Scotland's place within the Union and relates it to wider international and imperial British history **A Companion to Nineteenth-Century Britain** Chris Williams, 2008-04-15 A Companion to Nineteenth Century Britain presents 33 essays by expert scholars on all the major aspects of the political social economic and cultural history of Britain during the late Georgian and Victorian eras Truly British rather than English in scope Pays attention to the experiences of women as well as of men Illustrated with maps and charts Includes guides to further reading **The Radical Thread** Catriona M. M. Macdonald, 2000 By focusing on political change in the cotton town of Paisley in the late 19th and early 20th centuries this book highlights important trends which shaped society and politics in modern Scotland

'Of Laws of Ships and Shipmen' Edda Frankot, 2012-08-27 This volume is an important addition to the history of Scotland and European law utilising innovative research and methodologies to highlight Scotland's position in medieval Europe as a sophisticated legal player It places Scotland in a wider historical framework for the time and reveals the extent of its maritime connections and influence Scots in Victorian and Edwardian Belfast Kyle Hughes, 2013-12-11 A new departure in Scottish and Irish migration studies The Scottish diasporic communities closest to home those which are part of what we sometimes term the near Diaspora are those we know least about Whilst an interest in the overseas Scottish diaspora has grown in recent years Scots who chose to settle in other parts of the United Kingdom have been largely neglected This book addresses this imbalance Scots travelled freely around the industrial centres of northern Britain throughout the nineteenth and early twentieth centuries and Belfast was one of the most important ports of call for thousands of Scots The Scots played key roles in shaping Belfast society in the modern period they were essential to its industrial development they were at the centre of many cultural philanthropic and religious initiatives and were welcomed by the host community accordingly Yet despite their obvious significance in staunchly Protestant Unionist and at times insular and ill at ease Belfast individual Scots could be viewed with suspicion by their hosts dismissed as strangers and cast in the role of interfering outsiders Key Features The only book length scholarly study of the Scots in modern Ireland Brings to light the fundamental importance of Scottish migration to Belfast society during the nineteenth century Advances our knowledge and understanding of Scotland's near diaspora Highlights areas of tension in Ulster Scottish relations during the Home Rule era Puts forward a new agenda for a better understanding of British in migration to Ireland in the modern period **Police Courts in Nineteenth-Century Scotland, Volume 1** Dr David G Barrie, Professor Susan Broomhall, 2014-12-28 Taking the form of two companion volumes Police Courts in Nineteenth Century Scotland represents the first major investigation into summary justice in Scottish towns c 1800 to 1892 Volume 1 with the subtitle Magistrates Media and the Masses provides an institutional social and cultural history of the establishment development and practice of police courts It explores their rise purpose and internal workings and how justice was administered and experienced by those who attended them in a variety of roles **Police Courts in Nineteenth-Century Scotland, Volume 1** Professor Susan Broomhall, Dr David G

Barrie, 2015-01-28 Taking the form of two companion volumes *Police Courts in Nineteenth Century Scotland* represents the first major investigation into summary justice in Scottish towns c 1800 to 1892 Volume 1 with the subtitle *Magistrates Media and the Masses* provides an institutional social and cultural history of the establishment development and practice of police courts It explores their rise purpose and internal workings and how justice was administered and experienced by those who attended them in a variety of roles

Radical Thread Political Change In Scotland Paisley Politics 18851924 Introduction

In today's digital age, the availability of Radical Thread Political Change In Scotland Paisley Politics 18851924 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Radical Thread Political Change In Scotland Paisley Politics 18851924 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Radical Thread Political Change In Scotland Paisley Politics 18851924 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Radical Thread Political Change In Scotland Paisley Politics 18851924 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Radical Thread Political Change In Scotland Paisley Politics 18851924 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Radical Thread Political Change In Scotland Paisley Politics 18851924 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free

eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Radical Thread Political Change In Scotland Paisley Politics 18851924 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Radical Thread Political Change In Scotland Paisley Politics 18851924 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Radical Thread Political Change In Scotland Paisley Politics 18851924 books and manuals for download and embark on your journey of knowledge?

FAQs About Radical Thread Political Change In Scotland Paisley Politics 18851924 Books

1. Where can I buy Radical Thread Political Change In Scotland Paisley Politics 18851924 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
