Radical Grace Daily Meditations By Richard Rohr:

Radical Grace Richard Rohr,1993 La Vida Sacra James Empereur,Eduardo C. Fernández (s.j.),2006-10-12 Presents an insightful approach to the sacraments from the perspective and actual practice of Latinos over the centuries This work offers a distinctive take on the belief and enculturation of the sacraments in the Latino experience and context It is suitable for theology courses as well as directors of ministerial programs and their students *You Don't Owe Anyone* Caroline Garnet McGraw,2021-04-20 You Don t Owe Anyone is for perfectionists workaholics people pleasers and strivers who feel stuck in the try hard cycle Sharing her experiences as a life coach and recovering perfectionist Caroline Garnet McGraw shows us how we can free ourselves from the weight of expectations and encourages us to move our lives forward without apology Inspired by the author s viral essay You Don t Owe Anyone an Interaction this book invites us to make surprising choices that can help us get unstuck Rather than offering more ways to effect change through sheer effort these personal stories serve as a compassionate witness a reflection of our own perfectionistic tendencies They also are a wakeup call jolting us out of our martyr mentality and inspiring us to move in new positive directions Through simple accessible coaching practices You Don t Owe Anyone shows us what it looks like to refuse to over function in the old ways It invites us to make the same surprising choices that have helped McGraw and her clients move past perfectionism empowering us to quiet our fears and heal our hearts **The Gospel of Falling Down** Mark Townsend,2007-06-27 We hear a lot about the gospel of success whether from Christian or New Age sources But most of us are more accustomed to failure or at least not reaching our hopes Which surely is at the heart of the life of Jesus and his message This book is a radical departure from much of what modern day Christianity and gurus of all kinds seem to offer Rather than seeing Christianity as a group of people trying to change themselves into the ideal it describes how such a practice is precisely what Jesus came to liberate us from *A Glorious Dark* A. J. Swoboda,2015-01-27 On Thursday as they ate the Passover meal with Jesus the disciples believed that the kingdom was coming and they were on the front end of a revolution Then came the tragedy of Friday and somehow even worse the silence of Saturday They ran They doubted They despaired Yet within the grave God s power was still flowing like a mighty river beneath the ice of winter And then there was Sunday morning Real raw and achingly honest *A Glorious Dark* meets readers in the ambiguity doubt and uncertainty we feel when our beliefs about the world don t match up to reality Tackling tough questions like Why is faith so hard Why do I doubt Why does God allow me to suffer and Is God really with me in the midst of my pain A J Swoboda puts into sharp focus a faith that is greater than our personal comfort or fulfillment He invites readers to develop a faith that embraces the tension between what we believe and what we experience showing that the very tension we seek to eliminate is where God meets us *The Passionate Jesus* The Rev. Peter Wallace,2012-10-24 Sometimes what we already know about Jesus gets in the way of our really knowing him Many depictions of Jesus show him as a character who coolly and calmly floats above the grit and grime of human existence He doesn t hurt he doesn t fear he

doesn't laugh and most tragically he doesn't love very passionately. He seems not to feel at all. But a closer look at the Bible reveals something surprisingly different. In this eye-opening spiritual study Peter Wallace examines Jesus's actions as well as his teachings to uncover a passionate figure who was involved, present, connected, honest, and direct with others. Through Wallace's deeply personal insights and compelling examples, you will be encouraged to model this passionate Jesus by building personal authenticity in every area of your own life, particularly in your self-acceptance and self-expression, your relationships with others, and above all, your relationship with God. *Wisdom From the Margins* William G. Britton, 2018-05-16

Henri Nouwen wisely said, "The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there. Jesus has been there and knows how to lead us out, but first he just may lead us in. He meets us in the desert and does his best work in us there. We look for an easier way in vain. I myself reluctantly entered the desert and eventually received unimagined gifts there: gifts I didn't ask for, deserve, or want; gifts hidden in such painful loss that I despaired, and yet looking back now these desert gifts were the best thing that ever happened to me. I entered the desert and years later found my way out. It's not a new way; it was just new to me." Jewish and Christian sages had been living it for thousands of years. Somehow in recent generations we managed to forget it. In this collection I mean to begin to make those riches available to you. I'm hoping that like me you'll discover something that you didn't know you wanted or needed, and something now you wouldn't give up at any price. *Sacred Gifts* Tina Brennan, 2003. Middle teens just by living their ever-eventful lives shape and enrich the adults around them. *Sacred Gifts* taps the opportunities for growth and sacred insight that come when parents ponder and appreciate the gifts of wisdom these fragile creators of chaos bring to the family and to the world. Each chapter unwraps a gift that Tina Brennan received from one of the many teenage experiences of her seven children and invites the reader to reflect on how that gift might become part of his or her life. Place to Stand Richard Rohr, 2014-05-14. Explores the challenges, the rewards, the call, and the possibilities of integrating a sincere inner life with an active life of engagement with the pain of the world. *Fully Alive* Timothy Shriver, 2025-09-23. On a quest for what matters most, Timothy Shriver discovers a radically different, inspiring way of life. At a time when we are all more rudderless than ever, we look for the very best teachers and mentors to guide us. In *Fully Alive*, an unusual and gripping memoir, Timothy Shriver shows how his teachers have been the world's most forgotten minority: people with intellectual disabilities. In these pages we meet the individuals who helped him come of age and find a deeper and more meaningful way to see the world. Shriver's journey begins close to home, where the quiet legacy of his aunt Rosemary A. Kennedy, whose intellectual disability kept her far from the limelight, inspired his family to devote their careers to helping the most vulnerable. He plays alongside the children of Camp Shriver, his mother's revolutionary project which provided a space for children with intellectual disabilities to play, and years later he gains invaluable wisdom from the incredible athletes he befriends as chairman of the organization it inspired, Special Olympics. Through these experiences and encounters with scholars, spiritual

masters and political icons such as Nelson Mandela Shriver learns how to find humility and speak openly of vulnerability and faith Fully Alive is both a moving personal journey and a meditation on some of the greatest wisdom and the greatest contradictions of our society Is disability to be feared or welcomed pitied or purged Shriver argues that we all have different abilities and challenges we should embrace Here we see how those who appear powerless have turned this seeming shortcoming into a power of their own and we learn that we are all totally vulnerable and valuable at the same time *The Missional Quest* Lance Ford,Brad Brisco,2013-08-26 Lance Ford and Brad Brisco walk leaders through the major shifts involved in converting consumer model churches into congregations on a quest for the kingdom of God Addressing everything from sowing the seeds of incarnational thinking to stepping out in the local community The Missional Questwill prepare your church for the long run *Introducing Evangelical Ecotheology* Daniel L. Brunner,Jennifer L. Butler,A. J. Swoboda,2014-10-14 Today s church finds itself in a new world one in which climate change and ecological degradation are front page news In the eyes of many the evangelical community has been slow to take up a call to creation care How do Christians address this issue in a faithful way This evangelically centered but ecumenically informed introduction to ecological theology ecotheology explores the global dimensions of creation care calling Christians to meet contemporary ecological challenges with courage and hope The book provides a biblical theological ecological and historical rationale for earthcare as well as specific practices to engage both individuals and churches Drawing from a variety of Christian traditions the book promotes a spirit of hospitality civility honesty and partnership It includes a foreword by Bill McKibben and an afterword by Matthew Sleeth **AARP Falling Upward** Richard Rohr,2011-12-12 AARP Digital Editions offer you practical tips proven solutions and expert guidance **Preparing for Christmas** Richard Rohr,2013-11-22 Advent is not about a sentimental waiting for the Baby Jesus Richard Rohr Advent is a time to focus our expectation and anticipation on the adult Christ the Cosmic Christ who challenges us to empty ourselves to lose ourselves to surrender Preparing for Christmas offers daily meditations prayers Scripture readings and questions for reflection for each day of Advent *Culture-Sensitive Ministry* Kenneth McGuire,Eduardo C. Fernández,Anne Hansen,2010 A practical process guide that offers a useful model for raising multicultural awareness along with helpful ways to deal with cultural diversity in pastoral ministry Moment to Moment Amy Sander Montanez,2013-09 This book is about transformation spiritual life changing transformation available to you right now It is divided into four sections Inner Work Holy Ground Sabbath and Community and Vocation and uses stories of simple life experiences to explore the ways in which we experience the transformative process Readers of this book also will learn to appreciate how when we are transformed the world is transformed Isn t that the Gospel after all *Freedom is Coming* Nick Baines,2019-08-15 Comfort O comfort my people In the wilderness prepare the way of the Lord The second part of the book of Isaiah rings with proclamations and prophecies that find their fulfilment in the Gospels and are still being fulfilled by followers of Jesus today In Freedom is Coming Nick Baines invites you to think about what it meant for people in

Isaiah's day to be living in exile and how the prophet encouraged them to keep their faith alive despite the apparent hopelessness of their situation. At the same time, this book helps you to see the connections between Isaiah's time and ours and how his vision of God's truth and justice spreading throughout the world can comfort, challenge, and inspire God's people now just as it did back then. Read this book and find out how you too can become a light to the nations as once again we approach the celebration of Christ's birth and the new world that God has promised to bring into being.

God Distorted
 John Bishop, 2013-05-21
 God is not a bigger version of your earthly father. When you hear the word father, do you think of someone who is loving or angry? Someone who is pleased with you or constantly disappointed? Someone who is always available or someone who is too busy, preoccupied, or distant? When you think of Father God, what images come to mind? Regardless of the type of father you grew up with or without, it is likely that your view of God is influenced by the relationship you had with your father. Author John Bishop wants to help you discover that God is not just like your dad. Instead, God is the Father revealed in Scripture, where the truth is clear: God is a father who is always there, up close and personal, fully pleased in complete control, completely safe. Filled with biblical insight and practical tools for reflection, healing, and restoration, *God Distorted* will enable you to break free from the lies of the enemy and see your heavenly Father as He truly is. **Church We Want**

Orobator, Agbonkhianmeghe E., 2016-08-18
 Featuring essays from a broad range of contributors, this book is a treasure for anyone interested in theological reflection from an African perspective and is a necessary resource for theologians and scholars working in a church that is steadily moving its center to the Global South. **You and God**

Bill Paradise, 2010-05-03
 You and God's focus is on helping people connect or reconnect with God regardless of whether they have a religion, they practice or not. Topics covered include our purpose in life, learning to listen for God as he communicates with us, tools for relating to God, what it's like to have him be a real part of your life, and basic life issues we all face such as fear and stress.
