Apostle to the Conquered, paperback edition Davina C. Lopez, 2010-10-01 *Apostle to the Conquered* reveals the subversive heart of Paul's theology reframing his conversion in terms of consciousness and his exhortations as a politics of the new creation The Kingdom of God Is among You Gordon D. Fee, Cherith Fee Nordling, 2025-03-17 In this exciting volume a renowned New Testament scholar provides his lectures on New Testament theology and provides us a window on his approach on a variety of issues He describes the task as follows New Testament theology is the art of giving coherence to the collective witness of the twenty seven New Testament documents as they attest to the Christian faith while not sacrificing the historical particularity of any one text or author within the canon and to do this as clearly as possible and with as much consistency and unity as possible New Testament theology deals with all the New Testament We must resist the tendency to find a canon within the canon or to neglect some lesser figures in the New Testament canon New Testament theology is first of all a descriptive task i.e. we must first try to describe what is there But given our stance toward Scripture what we describe also becomes prescriptive or normative We must never forget that the writings of the New Testament are ad hoc documents written in each and every case to speak to a specific need Thus rather than careful systematic presentations of theology such as in a book or a lecture the earliest Christian theology is worked out in the marketplace as it were Therefore we must be careful not to force the New Testament writers to answer all of our questions nor even to use our logic or thought forms excerpted from chapter 1 **Bible Student and Religious Outlook**, 1906 **Everlasting Dominion** Eugene H.

Merrill, 2006-09-01 Taking a high view of Scripture as the inspired authoritative Word of God esteemed seminary professor Merrill offers this thoroughly in depth theology of the Old Testament after decades of study *Gospel-Centered Hermeneutics* Graeme Goldsworthy, 2014-06-18 In this new paperback version Graeme Goldsworthy examines the foundations and presuppositions of evangelical belief as it applies to the interpretation of the Bible He then proposes an evangelical hermeneutic rightly centered in the gospel **Killing Enmity** Thomas R. Neufeld, Thomas R. Yoder Neufeld, 2011-11 Shows that contrary to much scholarly opinion the New Testament is not inherently violent or supportive of violence instead it rejects and overcomes violence Apologetics Study Bible for Students Sean McDowell, Holman Bible Publishers, 2010-02-01 Like the acclaimed Apologetics Study Bible that has sold 115 000 copies the Apologetics Study Bible for Students will anchor younger Christians in the truths of Scripture by equipping them with thoughtful and practical responses for whenever the core issues of their faith and life are challenged Multiple research studies have shown that

spiritual focus often weakens among teenagers as they head into the attention dividing realm of young adulthood Up to 66% of them leave church altogether The Apologetics Study Bible for Students works against that trend by helping this audience begin to better articulate its beliefs In addition to the complete HCSB text and dozens of articles collected from today s most popular youth leaders including general editor Sean McDowell this new study Bible also includes Two color design intensive layout on every page for the visual generation Sixty Twisted Scriptures explanations Fifty Bones Dirt entries archaeology meets apologetics Fifty Notable Quotes Twenty five Tactics against common anti Christian arguments Twenty Personal Stories of how God has worked in real lives Twenty Top Five lists to help remember key apologetics topics **Herald of**

Gospel Liberty ,1909 *The Watchman* ,1904 **Canadian Evangelicalism in the Twentieth Century** John G. Stackhouse, Jr.,1998-10 In the 1980s evangelical Protestantism emerged as a prominent new force in Canada While political campaigns and sexual scandals among American evangelicals attracted attention north of the border as well Canadian evangelicals were quietly establishing a network of individuals and institutions that reflected their distinctive concerns While the United Anglican and Presbyterian churches continued to enjoy mainline Protestant status in Canadian culture more Canadians who actually practiced Christianity in measurable ways could be counted among the evangelicals than among these dominant Protestant denominations And while most Canadians including experts in religious studies continued to think of Canadian Christianity in traditional denominational terms evangelicalism was coming into focus as a category essential to understanding this new pattern of allegiance and activity Introduction **The End of the Church** Ephraim Radner,1998 In this first serious assessment of the meaning of church division Ephraim Radner provides a theological rationale for today s divided church in the Christian West that goes far beyond the standard socio historical explanations of denominationalism Through an examination of controversial post Reformation discussions about the church Radner offers a significant theory that describes the relation between Christian division and the work of the Holy Spirit within Western modernity Radner s description of the church is based on the traditional notion that a divided church is in a significant sense a dead church after the figure of the pneumatically abandoned dead Christ who himself suffers redemptively the disintegration and restoration of divided Israel in his physical and spiritual passion The hermeneutical basis for the usefulness of this figure lies deep in the scriptural practice of the undivided church and was common up through the Reformation Radner s recovery of this figural perspective is applied to the cluster of pneumatological issues that define ecclesial life **The Churchman** ,1917

Herald of Gospel Liberty Elias Smith,1909 **When I Am Weak, Then I Am Strong** Dr. Vincent M. M. Galici Sr.,2021-01-07 The contemporary figure has somewhat similar characteristics to his father grandfather and great grandfather a soul searching thinker all the same departing from the ruinous while conserving the beneficial side of the culture customs and manners in which he was raised and the larger generational dimensions embedded in it A virtual page turner highly intense and graphically detailed the saga continues to unfold Characters readily identifiable in your own life
