Home and school: sequel to 'The snowball society'. Mary Bramston,1883 *Ready to Trample on All Human Law* Paul A. Jarvie,2014-02-04 This book explores the relationship between Dickens s novels and the financial system Elements of Dickens s work form a critique of financial capitalism This critique is rooted in the difference between use value and exchange value and in the difference between productive circulations and mere accumulation In a money based society exchange value and accumulation dominate to the point where they infect even the most important and sacred relationships between parts of society and individuals This study explores Dickens s critique from two very different points of view The first is philosophical from Aristotle s distinction between chrematistic accumulation and economic use on money through Marx s focus on the teleology of capitalism as death The second view is that of nineteenth century financial journalism of City writers like David Morier Evans and M L Meason who while functioning as cheerleaders for financial capitalism also reflected some of the very real dis ease associated with capital formation and accumulation The core concepts of this critique are constant in the novels but the critique broadens and becomes more pessimistic over time The ill effects of living in a money based society are presented more as the consequences of individual evil in earlier novels while in the later books they are depicted as systemic and pervasive Texts discussed include *Nicholas Nickleby* *A Christmas Carol* *Little Dorrit* and *Our Mutual Friend* **River Woman, River Demon** Jennifer Givhan,2022-10-04 Award winning Mexican American and Indigenous author Jennifer Givhan brings us an exquisitely written spell binding psychological thriller weaving together folk magick with personal and cultural empowerment that is perfect for fans of Mexican Gothic When Eva s husband is arrested for the murder of a friend she must confront her murky past and embrace her magick to find out what really happened that night on the river Eva Santos Moon is a burgeoning Chicana artist who practices the ancient spiritual ways of brujer a and curanderisma but she s at one of her lowest points suffering from disorienting blackouts creative stagnation and a feeling of disconnect from her magickal roots When her husband a beloved university professor and the glue that holds their family together is taken into custody for the shocking murder of their friend Eva doesn t know whom to trust least of all herself She soon falls under suspicion as a potential suspect and her past rises to the surface dredging up the truth about an eerily similar death from her childhood Struggling with fragmented memories and self doubt an increasingly terrified Eva fears that she might have been involved in both murders But why doesn t she remember Only the dead women know for sure and they re coming for her with a haunting vengeance As she fights to keep her family out of danger Eva realizes she must use her magick as a bruja to protect herself and her loved ones while confronting her own dark history *River Woman River Demon* is a mysterious incantation of reckoning with the past and claiming one s unique power and voice **What Jane Austen Ate and Charles Dickens Knew** Daniel Pool,2012-10-02 A delightful reader s companion The New York Times to the great nineteenth century British novels of Austen Dickens Trollope the Bront s and more this lively guide clarifies the sometimes bizarre maze of rules

and customs that governed life in Victorian England For anyone who has ever wondered whether a duke outranked an earl when to yell Tally Ho at a fox hunt or how one landed in debtor s prison this book serves as an indispensable historical and literary resource Author Daniel Pool provides countless intriguing details did you know that the plums in Christmas plum pudding were actually raisins on the Church of England sex Parliament dinner parties country house visiting and a host of other aspects of nineteenth century English life both upstairs and downstairs An illuminating glossary gives at a glance the meaning and significance of terms ranging from ague to wainscoting the specifics of the currency system and a lively host of other details and curiosities of the day

Beckett and Aesthetics Daniel Albright,2003-12-22 Beckett and Aesthetics first published in 2003 examines Samuel Beckett s struggle with the recalcitrance of artistic media their refusal to yield to his artistic purposes As a young man Beckett hoped that writing could provide psychic authenticity and true representation of the physical world instead he found himself immersed in artificialities and self enclosed word games Daniel Albright argues that Beckett escaped from this bind through allegories of artistic frustration and through an art of non representation estrangement and general failure He arrived Albright shows at some grasp of fact through the most indirect route available Albright explores Beckett s experimentation with the notion that an artistic medium might itself be made to speak This powerful and highly original book explores Beckett s own engagement with radio film and television prose and drama as part of an attempt to escape the confines of the aesthetic Albright s Beckett becomes a sophisticated theorist of the very notion of the aesthetic

Unlocking the Poetry of W. B. Yeats Daniel Tompsett,2018-06-13 *Unlocking the Poetry of W B Yeats* undertakes a thorough re reading of Yeats oeuvre as an extended meditation on the image and theme of the heart as it is evident within the poetry It places the heart at the centre of a complex web of Yeatsian preoccupations and associations from the biographical to the poetic and philosophical to the mythological and mystical In particular the book seeks to unlock Yeats mystifying aesthetic vision via his understanding of the ancient Egyptian Weighing of the Heart ceremony The work provides a chronological narrative arc that looks to use the theme of the heart as it recurs in the poetry in order to circumvent and overcome more established frameworks Its purpose is to offer refreshing ways of conceptualizing and building alternatives to

more deeply entrenched but not entirely satisfactory arguments that have been offered since Yeats' death in 1939 while demonstrating the centrality of the occult to Yeats' art **Yeats**, 1991 Urban Culture Chris Jenks, 2004 This set includes key pieces from Peter Ackroyd Charles Baudelaire Walter Benjamin Homi Bhaba Charles Dickens Fredrick Engels Paul Gilroy Thomas Hobbes Max Weber George Simmel Ian Sinclair Edward W Soja Gayatri Spivak Nigel Thrift Virginia Woolf Sharon Zukin and many others The material is arranged thematically highlighting the variety of interests that coexist and conflict within the city Issues such as gender class race age and disability are covered along with urban experiences such as walking politics anthropology cultural history cultural geography art critical theory visual culture literary studies social policy and cultural studies **Robert Cormier** Margaret O. Hyde, 2013-11 Hearing Sappho in New Orleans Ruth Salvaggio, 2012-06-13 While sifting through trash in her flooded New Orleans home Ruth Salvaggio discovered an old volume of Sappho's poetry stained with muck and mold In her efforts to restore the book Salvaggio realized that the process reflected how Sappho's own words were unearthed from the refuse of the ancient world Undertaking such a task in New Orleans she sets out to recover the city's rich poetic heritage while searching through its flooded debris Hearing Sappho in New Orleans is at once a meditation on this poetic city its many languages and cultures and a history of its forgotten poetry Using Sappho's fragments as a guide Salvaggio roams the streets and neighborhoods of the city as she explores the migrations of lyric poetry from ancient Greece through the African slave trade to indigenous America and ultimately to New Orleans The book also directs us to the lyric call of poetry the voice always in search of a listener Writing in a post Katrina landscape Salvaggio recovers and ponders the social consequences of the long song lyric chants especially the voices of women lost in time as it resonates from New Orleans's poetic sites like Congo Square where Africans and Indians gathered in the early eighteenth century to the modern day Maple Leaf Bar where poets still convene on Sunday afternoons She recovers for example an all but forgotten young Creole woman named L I and leads us all the way up to celebrated contemporary writers such as former Louisiana poet laureate Brenda Marie Osbey Sybil Kein Nicole Cooley and Katherine Soniat Hearing Sappho in New Orleans is a reminder of poetry's ability to restore and secure fragile and fragmented connections in a vulnerable and imperiled world *A Secret Inheritance* B. L. Farjeon, 2020-12-17 Gabriel Carew is a young boy living with his parents in poverty when one day his father receives a letter that changes their lives Their distant relative has died and left his fortune to Gabriel's father When he grew up Gabriel decided to use this fortune to travel around the world At one of his travels in Gascony Gabriel had an accident and his life was saved by a certain German doctor called Louis As he was recovering in doctor's house Dr Louis received one letter that made the wheel of suspicion spinning for Gabriel Doctor tells him a story of two brothers who became bitter enemies because of a certain secret inheritance and Gabriel becomes determined to resolve its mystery **The Rise of the Modernist Bookshop** Huw Osborne, 2016-03-09 The trade in books has always been and remains an ambiguous commercial activity associated as it is with literature and the exchange of ideas

This collection is concerned with the cultural and economic roles of independent bookstores and it considers how eight shops founded during the modernist era provided distinctive spaces of literary production that exceeded and yet never escaped their commercial functions. As the contributors show, these booksellers were essential institutional players in literary networks. When the eight shops examined first opened their doors, their relevance to literary and commercial life was taken for granted. In our current context of box stores, online shopping, and ebooks, we no longer encounter the book as we did as recently as twenty years ago. By contributing to our understanding of bookshops as unique social spaces on the thresholds of commerce and culture, this volume helps to lay the groundwork for comprehending how our relationship to books and literature has been and will be affected by the physical changes to the reading experience taking place in the twenty-first century.
