## **Ragmans Memory:**

**The Ragman's Memory** Archer Mayor, 1996 Vermont homicide detective Joe Gunther faces the most confusing case investigation of his career one involving buried memories and newfound desire in the seventh novel in the highly successful series

**Straight From The Ragman's Horse** Robert Fenwick, 2014-04-24 Enclosed are one boy's tales of growing up in a tough working class neighbourhood in an industrial Tyneside town in the 1950s and 1960s They are about real life and experience However the tales are also about truth lies and betrayal Comedy sits alongside pathos and tragedy sometimes uncomfortably They are fragments of the author's memories of those years but quite possibly they will also be part of the collective memory of other working class children of that era

**Presumption of Guilt** Archer Mayor, 2016-09-27 A forty year old skeleton is found encased in a concrete slab at a recently decommissioned nuclear energy site It becomes a case for the Vermont Bureau of Investigation VBI and its leader Joe Gunther since they have the resources and the ability to investigate an old very cold missing persons case that has now been reclassified as murder The victim was Hank Mitchell and Gunther must chase down old rumors and speculations who benefited from his death and the disappearance of his body And was his death somehow tied to New York City mafia money being laundered through the construction project But what seems the coldest of cold cases roars back to life when one of the central figures in this mystery is shot to death right after speaking with Gunther And when a young police officer the son of VBI investigator Lester Spinney is kidnapped is that meant to be a warning to the VBI team to drop the case After all these many years the truth behind the murder still has to the power to kill and it's up to Gunther and his team to capture the living and finally put the dead to rest

*Proof Positive* Archer Mayor, 2014-09-30 Investigating the death of a Vietnam veteran whose PTSD culminated in a hoarding disorder Joe Gunther learns that the victim's collection of combat photos contains information that a sinister adversary desperately wanted to keep hidden

**The Catch** Archer Mayor, 2008-09-30 Joe Gunther a policeman for most of his adult life gets the call that every cop hates and every law enforcement friend and family member fears a fellow officer has been killed in the line of duty During what appears to have been a routine traffic stop on a dark country Vermont road a deputy sheriff was shot to death From what can be seen on the cruiser's video recorder it is believed that the killers were a couple of Boston based drug runners pulled over by the deputy on their way from Canada to Boston Gunther and his Vermont Bureau of Investigation team are brought in not only to identify the killers but to track them down regardless of where they've run all the way from Boston to Portsmouth New Hampshire to the coast of Maine Meanwhile along that very same shoreline Alan Budney the disaffected son of a Maine lobsterman is a man with big ambitions to usurp and replace the state's primary drug kingpin a plan that will inevitably place him on a collision course with Gunther's investigation In a case that leads him into unfamiliar territory Gunther finds himself facing some utterly ruthless players in a lethally dangerous game

BOOK JACKET

**The Company She Kept** Archer Mayor, 2015-09-29 During the height of a harsh Vermont winter the body of a woman is found

hanging from the steel mesh retaining net lining the cliffs along the interstate She was brutally murdered with the word dyke carved into her chest She was also a state senator and best friend and ally of the current governor Gail Zigman At Zigman's personal request Joe Gunther and his Vermont Bureau of Investigation team agree to help the Vermont State Police in their investigation before the victim's high profile and powerful friends create the inevitable publicity maelstrom Raffner was indeed a lesbian and the word carved into her chest might be evidence of a hate crime or it might be a feint designed to confuse and mislead investigators But the question remains what was she involved with who wanted her dead and what company was she keeping What Gunther and his team discover during their initial investigation isn't the stuff of a simple murder Someone killed a prominent figure and fabricated an elaborate scene for a purpose And this might only be the beginning in Archer Mayor's *The Company She Kept* Trace Archer Mayor, 2017-09-26 The Vermont Bureau of Investigation VBI has been pulled onto three cases at the same time meanwhile VBI head Joe Gunther has to take time off to care for his ailing mother Those cases are now in the hands of the individual investigators Sammie Martens is assigned a murder case The victim is a young woman the roommate of the daughter of Medical Examiner Beverly Hillstrom A recent transplant from Albany New York Sammie must find out what put a hit man on the trail of this seemingly innocent young woman Lester Spinney takes over a famous cold case a double murder where a state trooper and a motorist were killed in an exchange of gunfire Or so it has seemed for years When Lester is told that the motorist's fingerprints were planted on the gun he's supposed to have fired it opens the question who really killed the state trooper Willy Kunkle's case starts with a child's discovery of three teeth on a railroad track leading eventually to a case of possible sabotage against critical military equipment In cases that lead the team all over Vermont and nearby Archer Mayor once again shows why his novels featuring Joe Gunther and the VBI team are among the finest crime fiction today **The Second Mouse** Archer Mayor, 2006-09-04 Thirty one year old Victorian gentlewoman Amelia Peabody has not only inherited her father's fortune but she is also blessed with his strong will as well Now she's headed for Cairo accompanied by a girl with a tarnished past to indulge her passion for Egyptology Little did she know that murder and a homicidal mummy lay in wait for her *The Price of Malice* Archer Mayor, 2010-09-28 Joe Gunther head of the Vermont Bureau of Investigation is torn between an official murder investigation and his girlfriend's quest to find out the truth behind her disappearance of both her father and brother and possible murder Martin's Press **Three Can Keep a Secret** Archer Mayor, 2013-10 When an old gravesite exposes a coffin filled with rocks instead of the expected remains and a retired state politician turns up dead Joe Gunther and his team follow the evidence to an escaped mental patient who holds the key to solving both cases **Tag Man** Archer Mayor, 2011-09-27 Archer Mayor's Vermont police procedurals are the best thing going New York Times Book Review Across Brattleboro Vermont rich people some with dark secrets are waking up in their high security alarm equipped homes to find a Post it note stuck to their bedside tables reading You're it There is little sign of disturbance anywhere nothing stolen that anyone admits and only a bit

of expensive food eaten as a signature The Press loves the story and dubs the burglar the Tag Man But who is he And what s he actually doing In fact he s quickly running for his life for what he discovers in one of these houses appears to be proof of a heinous string of murders But is it Joe Gunther struggling to recover from a devastating personal loss leads his VBI team to untangle the many conflicting pieces of evidence while the burglar himself struggles for survival in the no man s land between the police and the villains With no one knowing what to believe or who to trust with Tag Man running for his life in a way he never imagined possible as no one knows who s watching as they sleep or who truly did what the Tag Man is critically acclaimed author Archer Mayor at his very finest Ragman's Roll Jon Neal Wallace,2014-06-25 The Civil War novel

Ragman s Roll takes readers back to that bitter period of American history as two men enlist right after war breaks out Will Wallace and Tom Jackson were aides and security agents for President Lincoln After helping him win the presidency in 1860 they are now embarking on a new adventure fending off death and the possible division of the union Tom becomes a scout for Will who rises in rank to become Union General W H L Wallace As the hero of two battles Fort Donelson and Shiloh Wallace was responsible for saving Grant s army at the Battle of Shiloh despite being fatally injured on the battlefield A secondary plot focuses on the dreams of General Wallace as he lay dying from his wounds A vision appears to him reminding of him of the true reason for his sacrifice to ensure the end of slavery and preserve democracy Paradise City Archer

Mayor,2012-10-02 Joe Gunther and his team at the Vermont Bureau of Investigation are alerted to a string of unrelated burglaries across Vermont that are connected to the vicious murder of an elderly Beacon Hill woman **Red Herring**

Archer Mayor,2010-09-28 VBI Vermont Bureau of Investigation head Joe Gunther and his team are called in to investigate a series of violent deaths that appear unrelated until telltale clues reveal a linkage between them and that all of the deaths are in fact murders However apart from a single drop of unexplained blood left at each crime scene there are no obvious connections between the victims or the cases The police are faced with more questions than answers including what do the mysterious deposits of blood mean coming as they do from three additional unknown people In their search for the elusive truth the VBI must plumb the depths of every suspect s past every victim s most intimate details and examine each piece of evidence down to the smallest detail an examination which includes a trip to the Brookhaven National Lab on Long Island and an exploration of cutting edge forensic technology **Bury the Lead** Archer Mayor,2018-09-25 Joe Gunther and the

VBI team are investigating a murder and an arson case both potentially related to an outbreak of ebola When the body of a young woman is found near a trail at a popular ski mountain the case falls to Joe Gunther and his team at the Vermont Bureau of Investigation VBI They quickly have a suspect Mick Durocher and a confession but not everyone on the team is convinced Despite Mick s ready admission investigators quickly sense there might be more going on than is immediately apparent At the same time a large local business is being targeted with escalating acts of vandalism a warehouse fire a vandalized truck a massive cooling system destroyed resulting in loss of life And either by coincidence or not Mick Durocher

the self confessed murderer was once employed by this very company These two puzzling cases now possibly connected are further complicated by the sidelining of a key member of VBI Willy Kunkle who undergoes surgery at a hospital that appears to be having an unlikely and suspiciously timed outbreak of Ebola Joe and his team pursue these cases uncovering motives that might link them while proving that trust betrayed can be a toxic virus turning love into murderous loathing Indeed behind the mayhem and murder Joe must uncover a tragic history before another victim dies
