Raices Teologicas Del Pentecostalism:

Raices Teologicas del Pentecostalismo = Theological Roots of Pentecostalism Donald W. Dayton,1996-01 It is impossible to understand Latin American Pentecostalism without a clear understanding of its origin Donald Dayton embarks on this task and accomplishes it with admirable detail Dayton s investigation focuses on the pre history of the Pentecostal movement in Latin America Nevertheless the reader will discover that much of what has happened in Latin American Pentecostalism could only be understood by exploring those theological roots which could be summarized in four Christological affirmations Jesus saves heals baptizes with the Holy Spirit and will come again Dayton s book enables us to complete the picture that other historians and sociologists of Pentecostalism have partially painted *Raíces teológicas del pentecostalismo* Donald W.
