Johnstone, J.A. Johnstone, 2010-04-01 A half breed and a white man For years their legend has grown but few know how far they will go for one another or the roots of their blood bond Now that bond will be put to the most deadly test yet When Matt Bodine and Sam Two Wolves came to Kansas they didn't know the Governor had just made the state liquor free But it doesn't take Matt long to find a place to drink and a family of enterprising moonshiners with one stunningly beautiful daughter Trouble is while Matt is falling hard Sam is being recruited by a sheriff who happens to have a lovely daughter of his own What happens when you mix 200 proof corn liquor with intoxicating women and two friends on opposite sides of the law Big trouble And more is coming bearing down on the town of Cottonwood is a murderous bootlegger hired gunmen and a gambler with a plan of his own As a killing storm crashes over Cottonwood the odds favor the man who is stone cold sober good with a red hot gun and backed by unbreakable bonds of blood *Day of the Dawg* Hanford Dixon, Randy Nyerges, 2012 Popular and outspoken NFL cornerback Hanford Dixon offers an inside look at the turbulent exciting and frustrating Cleveland Browns seasons of the 1980s A three time Pro Bowler and co inventor of the Dawg Pound Dixon recalls both the roller coaster on field action and a culture of drug use that permeated the NFL and led to the tragic death of a teammate He shares in detail what it was like to be a first round NFL draft pick fighting for the starting job in training camp What it took mentally and physically to play the toughest game at the highest level for a storied franchise The adrenaline rush of whipping up a frenzied crowd of 80 000 rabid fans in Municipal Stadium The thrill of being one game away from the Super Bowl three times And the crushing disappointment of losing those big games Dixon refers to himself as a top notch speedy loud mouth cocky shutdown cornerback That gives an idea of his outsized personality as well as

his willingness to say exactly what he means He's not shy about delivering praise or criticism where he thinks it's due to teammates coaches officials or himself This Dawg tells it the way it was **Hell's Half Acre** William W. Johnstone, J.A. Johnstone, 2017-01-31 In this Western series debut Fort Worth is the deadliest place on the Texas frontier Good thing the new sheriff isn't afraid to die or kill Stay the hell out of Fort Worth Those were the last words uttered by the boomtown's last sheriff Rail thin and half starved desperate cowpuncher Jess Casey ignores the travel advice Instead Casey not only enters Fort Worth he takes the dead man's job Now it's up to him to keep the peace in a body riddled slice of heaven known as Hell's Half Acre home of notorious outlaws like Kurt Koenig and his merciless gang For Koenig the only good lawman is a dead one and he puts a pretty price on Casey's head For Casey that means war Against him are the frontier's fastest draw and a host of murderous triggers On his side are decades of rock hard Texas living a couple of never do well deputies and the good sense to do all his talking behind the barrel of a fast blazing gun **New York Magazine**, 1981-09-14 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Hell's Half-Acre** Susan Jonas, 2023-03-07 One of NPR's Books We Love New York Times Book Review's The Best True Crime of 2022 Rich in historical perspective and graced by novelistic touches grips the reader from first to last Wall Street Journal A suspense filled tale of murder on the American frontier shedding new light on a family of serial killers in Kansas whose horrifying crimes gripped the attention of a nation still reeling from war In 1873 the people of Labette County Kansas made a grisly discovery Buried by a trailside cabin beneath an orchard of young apple trees were the remains of countless bodies Below the cabin itself was a cellar stained with blood The Benders the family of four who once resided on the property were nowhere to be found The discovery sent the local community and national newspapers into a frenzy that continued for decades sparking an epic manhunt for the Benders The idea that a family of seemingly respectable homesteaders one among the thousands relocating farther west in search of land and opportunity after the Civil War were capable of operating a human slaughter pen appalled and fascinated the nation But who the Benders really were why they committed such a vicious killing spree and whether justice ever caught up to them is a mystery that remains unsolved to this day Set against the backdrop of postbellum America Hell's Half Acre explores the environment capable of allowing such horrors to take place Drawing on extensive original archival material Susan Jonas introduces us to a fascinating cast of characters many of whom have been previously missing from the story Among them are the families of the victims the hapless detectives who lost the trail and the fugitives that helped the murderers escape Hell's Half Acre is a journey into the turbulent heart of nineteenth century America a place where modernity stalks across the landscape violently displacing existing populations and building new ones It is a world

where folklore can quickly become fact and an entire family of criminals can slip through a community's fingers only to reappear in the most unexpected of places *Tear It Down* Nick Petrie,2019-05-28 In the new edge of your seat adventure from national bestselling author Nick Petrie Peter Ash pursues one case and stumbles into another in the City of the Blues Iraq war veteran Peter Ash is restless in the home he shares with June Cassidy in Washington State June knows Peter needs to be on the move so she sends him to Memphis to help her friend Wanda Wyatt a photographer and war correspondent who's been receiving peculiar threats When Peter arrives in Memphis however he finds the situation has gone downhill fast someone has just driven a dump truck into Wanda's living room But neither Wanda nor Peter can figure out why At the same time a young homeless street musician finds himself roped into a plan to rob a jewelry store The heist doesn't go as planned and the young man finds himself holding a sack full of Rolexes and running for his life When his getaway car breaks down he steals a new one at gunpoint Peter's 1968 green Chevrolet pickup truck Peter likes the skinny kid's smarts and attitude but he soon discovers that the desperate musician is in far worse trouble than he knows And Wanda's troubles are only beginning Peter finds himself stuck between Memphis gangsters looking for Rolexes and revenge and a Mississippi ex con and his hog butcher brother looking for a valuable piece of family history that goes all the way back to the Civil War *Pale Horse Coming* Stephen Hunter,2008-08-26 In 1951 after Sam Vincent disappears while investigating a prison for violent African American convicts in Thebes Mississippi Earl Swagger finds himself confronting a town guarded by a private army of brutal racist White thugs *Bible and Theology from the Underside of Empire* Vuyani Vellem,Patricia Sheerattan-Bisnauth,Philip Vinod Peacock,2017-03-31 Empire has become an apt label to name the present horizon of global life and is associated with logic and practices which threaten human life in myriad ways These reflections not only expose the true nature of empire but suggest an alternative vision of flourishing wrought by God's kingdom In a creative and imaginative manner the contributions highlight new liberative possibilities for life through non conventional Bible reading The authors display a sensitive moral antenna for the oppressive manifestations of empire and courageously intimate a new paradigm for Christian mission and public witness today This book contains inspiring intersections of contextual Bible reading with impressing stories about people at the margins in all continents complemented by prayers poems and literature Ideal for Bible study leaders working with marginalized people but also with middle class Christians who can learn to read the Bible from the underside of history and act for justice ***Secrets of the Future*** Janie Mclean,2013-03 Jennie Madison is a small town hairdresser in Mylan Georgia She's famous for her talent and everybody is attracted to her good nature which makes the atmosphere of her salon like a second home When Mayor Oldestson visits her salon with a stranger named David Abcock to tell them all about his plan to change the future of Mylan Jennie and her friends are dubious Is a prison really the solution for a faltering economy *Apache Canyon* Tom Leftwich,2018-12-21 A collection of five fictional early west adventures most of which are based on or around historical events of the 1870 era in New Mexico and Arizona territories All are written to bring an enjoyable
