Railroads In The Civil War The Impact Of Management On Victory And Defeat

Sidney Blumenthal

Railroads In The Civil War The Impact Of Management On Victory And Defeat:

Railroads in the Civil War John E. Clark, Jr.,2004-10-01 By the time of the Civil War the railroads had advanced to allow the movement of large numbers of troops even though railways had not yet matured into a truly integrated transportation system Gaps between lines incompatible track gauges and other vexing impediments remained in both the North and South As John E Clark explains in this compelling study the skill with which Union and Confederate war leaders met those problems and utilized the rail system to its fullest potential was an essential ingredient for ultimate victory **Railroads in the Civil War** John Elwood Clark,2004 **The L&N Railroad in the Civil War** Dan Lee,2014-01-10 The Louisville Nashville Railroad was completed just as the first salvos of the Civil War erupted As one of the few railroads linking the North and South the L N was valuable to both the Union and the Confederacy Consequently its route became a fiercely contested corridor of fire and blood This history recounts the numerous military events along the L N in the years 1861 through 1865 and also examines the still resonant theme of the relationship between a major corporation and the government during a time of national crisis *A Companion to the U.S. Civil War, 2 Volume Set* Aaron Sheehan-Dean,2020-05-05 A Companion to the U S Civil War presents a comprehensive historiographical collection of essays covering all major military political social and economic aspects of the American Civil War 1861 1865 Represents the most comprehensive coverage available relating to all aspects of the U S Civil War Features contributions from dozens of experts in Civil War scholarship Covers major campaigns and battles and military and political figures as well as non military aspects of the conflict such as gender emancipation literature ethnicity slavery and memory *A Companion to the U.S. Civil War* Aaron Sheehan-Dean,2014-02-05 A Companion to the U S Civil War presents a comprehensive historiographical collection of essays covering all major military political social and economic aspects of the American Civil War 1861 1865 Represents the most comprehensive coverage available relating to all aspects of the U S Civil War Features contributions from dozens of experts in Civil War scholarship Covers major campaigns and battles and military and political figures as well as non military aspects of the conflict such as gender emancipation literature ethnicity slavery and memory **Confederate Political Economy** Michael Brem Bonner,2016-05-11 In Confederate Political Economy Michael Bonner suggests that the Confederate nation was an expedient corporatist state a society that required all sectors of the economy to work for the national interest as defined by a partnership of industrial leaders and a dominant government As Bonner shows the characteristics of the Confederate States political economy included modern organizational methods that mirrored the economic landscape of other late nineteenth century and early twentieth century corporatist governments Southern leaders Bonner argues were slave owning agricultural capitalists who sought a counterrevolution against northern liberal capitalism During secession and as the war progressed they built and reinforced Confederate nationalism through specific centralized government policies Bolstered by the Confederate constitution these policies evolved into a political culture that allowed for immense executive

powers facilitated an anti party ideology and subordinated individual rights In addition the South s lack of industrial capacity forced the Confederacy to pursue a curious manufacturing policy that used both private companies and national ownership to produce munitions This symbiotic relationship was just one component of the Confederacy s expedient corporatist state other wartime policies like conscription the domestic passport system and management of southern railroads also exhibited unmistakable corporatist characteristics Bonner s probing research and new comparative analysis expand our understanding of the complex organization and relationships in Confederate political and economic culture during the Civil War *The Russo-Japanese War in Global Perspective* John Steinberg,2006-12-01 Like Volume one Volume two of *The Russo Japanese War in Global Perspective* examines the Russo Japanese War in its military diplomatic social political and cultural context In this volume East Asian contributors focus on the Asian side of the war to flesh out the assertion that the Russo Japanese War was in fact World War Zero the first global conflict of the 20th century The contributors demonstrate that the Russo Japanese War largely forgotten in the aftermath of World War I actually was a precursor to the catastrophe that engulfed the world less than a decade after the signing of the Treaty of Portsmouth This study also helps us better understand Japan as it emerged at the beginning of its fateful 20th century **Unceasing Fury** Scott L. Mingus,Joseph L. Owen,2022-03-16

Focuses on the extensive contributions to the pyrrhic Confederate victory at Chickamauga made by the brave Lone Star State soldiers Eric J Wittenberg award winning author of *Destined to Fail After Gettysburg* it was the Civil War s largest battle but until recently little of consequence had been written about Chickamauga You can count on one hand the number of authors who have tackled Chickamauga in any real depth and most of their works cover the entire battle Left unmined and mostly forgotten are the experiences of specific brigades regiments and state affiliated troops Scott Mingus and Joseph Owen s *Unceasing Fury* Texans at the Battle of Chickamauga September 18 20 1863 is the first full length book to examine in detail the role of troops from the Lone Star State Texas troops fought in almost every major sector of the sprawling Chickamauga battlefield from the first attacks on September 18 on the bridges spanning the creek to the final attack on Snodgrass Hill on September 20 Fortunately many of the survivors left vivid descriptions of battle action the anguish of losing friends the pain and loneliness of being so far away from home and their often colorful opinions of their generals The authors of this richly detailed study based their work on hundreds of personal accounts memoirs postwar newspaper articles diaries and other primary sources Their meticulous work provides the first exploration of the critical role Texas enlisted men and officers played in the three days of fighting near West Chickamauga Creek in September 1863 *Unceasing Fury* provides the Lone Star State soldiers with the recognition they have so long deserved *Wrestling With His Angel* Sidney Blumenthal,2017-05-16 The magisterial *The New York Times* Book Review second volume of Sidney Blumenthal s acclaimed landmark biography *The Political Life of Abraham Lincoln* reveals the future president s genius during the most decisive period of his political life when he seizes the moment finds his voice and helps create a new political party In 1849 Abraham

Lincoln seems condemned to political isolation and defeat His Whig Party is broken in the 1852 election and disintegrates His perennial rival Stephen Douglas forges an alliance with the Southern senators and Secretary of War Jefferson Davis Violent struggle breaks out on the plains of Kansas a prelude to the Civil War Lincoln rises to the occasion Only he can take on Douglas in Illinois He finally delivers the dramatic speech that leaves observers stunned In 1855 he makes a race for the Senate against Douglas which he loses when he throws his support to a rival to prevent the election of a proslavery candidate In *Wrestling With His Angel* Sidney Blumenthal explains how Lincoln and his friends operate behind the scenes to destroy the anti immigrant party in Illinois to clear the way for a new Republican Party Lincoln takes command and writes its first platform and vaults onto the national stage as the leader of a party that will launch him to the presidency The Washington Monthly hailed Blumenthal's Volume I as splendid no one can come away from reading *A Self Made Man* without eagerly anticipating the ensuing volumes Pulitzer Prize winning author Diane McWhorter hailed Volume II as dramatic narrative history prophetic and intimate *Wrestling With His Angel* brings Lincoln from the wilderness to the peak of his career as he is determined to enter into the battle for the nation's soul and to win it for democracy *Shiloh and the Western Campaign of 1862* O. Edward Cunningham, 2009-06-25 May well be the best most perceptive and authoritative account of the Battle of Shiloh The Weekly Standard The bloody and decisive two day battle of Shiloh on April 6 7 1862 changed the entire course of the American Civil War The stunning Northern victory thrust Union commander Ulysses S Grant into the national spotlight claimed the life of Confederate commander Albert S Johnston and forever buried the notion that the Civil War would be a short conflict The conflagration had its roots in the strong Union advance during the winter of 1861 1862 that resulted in the capture of Forts Henry and Donelson in Tennessee The offensive collapsed General Johnston's advanced line in Kentucky and forced him to withdraw all the way to northern Mississippi Anxious to attack the enemy Johnston began concentrating Southern forces at Corinth a major railroad center just below the Tennessee border His bold plan called for his Army of the Mississippi to march north and destroy General Grant's Army of the Tennessee before it could link up with another Union army on the way to join him On the morning of April 6 Johnston boasted to his subordinates Tonight we will water our horses in the Tennessee They nearly did so Johnston's sweeping attack hit the unsuspecting Federal camps at Pittsburg Landing and routed the enemy from position after position as they fell back toward the Tennessee River Johnston's death in the Peach Orchard however coupled with stubborn Federal resistance widespread confusion and Grant's dogged determination to hold the field saved the Union army from destruction The arrival of General Don C Buell's reinforcements that night turned the tide of battle The next day Grant seized the initiative and attacked driving the Confederates from the field Shiloh was one of the bloodiest battles of the entire war with nearly 24 000 killed wounded and missing Edward Cunningham a young Ph D candidate researched and wrote *Shiloh and the Western Campaign of 1862* in 1966 Though it remained unpublished many Shiloh experts and park rangers consider it the best overall examination of the battle ever written Indeed Shiloh

historiography is just now catching up with Cunningham who was decades ahead of modern scholarship Now Western Civil War historians Gary Joiner and Timothy Smith have resurrected this beautifully written deeply researched manuscript from undeserved obscurity Fully edited and richly annotated with updated citations and observations original maps and a complete order of battle and table of losses it represents battle history at its finest **Gateway to the Confederacy** Evan C.

Jones,Wiley Sword,2014-05-12 A collection of ten new essays from some of our finest Civil War historians working today Gateway to the Confederacy offers a reexamination of the campaigns fought to gain possession of Chattanooga Tennessee Each essay addresses how Americans have misconstrued the legacy of these struggles and why scholars feel it necessary to reconsider one of the most critical turning points of the American Civil War The first academic analysis that delineates all three Civil War campaigns fought from 1862 to 1863 for control of Chattanooga the transportation hub of the Confederacy and gateway to the Deep South this book deals not only with military operations but also with the campaigns origins and consequences The essays also explore the far reaching social and political implications of the battles and bring into sharp focus their impact on postwar literature and commemoration Several chapters revise the traditional portraits of both famous and controversial figures including Ambrose Bierce and Nathan Bedford Forrest Others investigate some of the more salient moments of these campaigns such as the circumstances that allowed for the Confederate breakthrough assault at Chickamauga Gateway to the Confederacy reassesses these pivotal battles long in need of reappraisal and breaks new ground as each scholar re shapes a particular aspect of this momentous part of the Civil War CONTRIBUTORS Russell S Bonds Stephen Cushman Caroline E Janney Evan C Jones David A Powell Gerald J Prokopowicz William Glenn Robertson Wiley Sword Craig L Symonds **Rails To Oblivion: The Decline Of Confederate Railroads In The Civil War**

[Illustrated Edition] Dr. Christopher R. Gabel,2014-08-15 Includes 2 charts 7 maps 7 figures and 5 Illustrations Renowned Military Historian Dr Christopher Gabel charts the decline of the Confederate Railways system that was to spell ultimate doom to the outnumbered soldiers of the Southern states Military professionals need always to recognize the centrality of logistics to military operations In this booklet Dr Christopher R Gabel provides a companion piece to his Railroad Generalship which explores the same issues from the other side of the tracks so to speak Rails to Oblivion shows that neither brilliant generals nor valiant soldiers can in the long run overcome the effects of a neglected and deteriorating logistics system Moreover the cumulative effect of mundane factors such as metal fatigue mechanical friction and accidents in the civilian workplace can contribute significantly to the outcome of a war And no matter how good some thing or idea may look on paper or how we delude ourselves we and our soldiers must live with and die in reality War is a complex business This booklet explores some of the facets of war that often escape the notice of military officers and as COL Jerry Morelock intimated in his foreword to Railroad Generalship these facets decide who wins and who loses *Eschatology and the Technological Future* Michael S. Burdett,2014-12-05 The rapid advancement of technology has led to an explosion of

speculative theories about what the future of humankind may look like These technological futurisms have arisen from significant advances in the fields of nanotechnology biotechnology and information technology and are drawing growing scrutiny from the philosophical and theological communities This text seeks to contextualize the growing literature on the cultural philosophical and religious implications of technological growth by considering technological futurisms such as transhumanism in the context of the long historical tradition of technological dreaming Michael Burdett traces the latent religious sources of our contemporary technological imagination by looking at visionary approaches to technology and the future in seminal technological utopias and science fiction and draws on past theological responses to the technological future with Pierre Teilhard de Chardin and Jacques Ellul Burdett s argument arrives at a contemporary Christian response to transhumanism based around the themes of possibility and promise by turning to the works of Richard Kearney Eberhard Jüngel and Jürgen Moltmann Throughout the author highlights points of correspondence and divergence between technological futurisms and the Judeo Christian understanding of the future

International Encyclopedia of Military History James C. Bradford, 2004-12-01 With its impressive breadth of coverage both geographically and chronologically the International Encyclopedia of Military History is the most up to date and inclusive A Z resource on military history From uniforms and military insignia worn by combatants to the brilliant military leaders and tacticians who commanded them the campaigns and wars to the weapons and equipment used in them this international and multi cultural two volume set is an accessible resource combining the latest scholarship in the field with a world perspective on military history

Decisions at Stones River Matt Spruill, Lee Spruill, 2024-01-12 From December 31 1862 to January 2 1863 the Army of the Cumberland and Army of Tennessee fought a bloody battle along Stones River Led by Major General William S Rosecrans Union forces would eventually emerge victorious Coming at the end of a series of Union defeats this victory would give Lincoln and the Northern population a bright ray of hope during a fall and winter of reversals Decisions at Stones River introduces readers to critical decisions made by Confederate and Union commanders Matt Spruill and Lee Spruill examine the decisions that shaped the way the campaign and battle unfolded Rather than offering a history of the Battle of Stones River the Spruills focus on the critical decisions those decisions that had a major impact on both Federal and Confederate forces in shaping the progression of the battle as we know it today This account is designed to present the reader with a coherent and manageable blueprint of the battle s development Exploring and studying the critical decisions allows the reader to progress from an understanding of what happened to why events happened as they did Complete with maps and a guided tour Decisions at Stones River is an indispensable primer and readers looking for a digestible introduction to the Battle of Stones River can tour this sacred ground or read about it at their leisure with key insights into why events unfolded as they did and a deeper understanding of the Civil War itself Decisions at Stones River is the first in a series of books that will explore the critical decisions of major campaigns and battles of the Civil War Matt Spruill is a retired U S Army colonel and Civil War historian and lecturer A

former Gettysburg licensed battlefield guide he is the author of seven previously Civil War books including most recently *Decisions at Gettysburg The Nineteen Critical Decisions That Defined the Campaign* and *Winter Lightning A Guide to the Battle of Stones River* second edition Lee Spruill is a retired U S Army lieutenant colonel and a combat veteran of the campaign in Afghanistan He is the author of two previous book including most recently *Winter Lightning A Guide to the Battle of Stones River* second edition *Lost Causes* Bradley R. Clampitt,2022-06-01 This groundbreaking analysis of Confederate demobilization examines the state of mind of Confederate soldiers in the immediate aftermath of war Having survived severe psychological as well as physical trauma they now faced the unknown as they headed back home in defeat *Lost Causes* analyzes the interlude between soldier and veteran suggesting that defeat and demobilization actually reinforced Confederate identity as well as public memory of the war and southern resistance to African American civil rights Intense material shortages and images of the war s devastation confronted the defeated soldiers turned veterans as they returned home to a revolutionized society Their thoughts upon homecoming turned to immediate economic survival a radically altered relationship with freedpeople and life under Yankee rule all against the backdrop of fearful uncertainty Bradley R Clampitt argues that the experiences of returning soldiers helped establish the ideological underpinnings of the Lost Cause and create an identity based upon shared suffering and sacrifice a pervasive commitment to white supremacy and an aversion to Federal rule and all things northern As *Lost Causes* reveals most Confederate veterans remained diehard Rebels despite demobilization and the demise of the Confederate States of America *Feral Animals in the American South* Abraham Gibson,2016-08-30 This book retells American southern history from feral animals perspective examining social cultural and evolutionary consequences of domestication and feralization **The Industrial Revolution in America** Kevin Hillstrom,Laurie Collier Hillstrom,2005-04-25 An impressive set of books on the Industrial Revolution these comprehensive volumes cover the history of steam shipping iron and steel production and railroads three interrelated enterprises that helped shift the Industrial Revolution into overdrive The first set of volumes in ABC CLIO s breakthrough *Industrial Revolution in America* series features separate histories of three closely related industries whose maturation fueled the Industrial Revolution in the United States during the late 19th and 20th centuries fundamentally changing the way Americans lived their lives With this set students will learn how the steamship the first great American contribution to the world s technology helped turn the nation s waterways into a forerunner of our superhighways how the Andrew Carnegie led American steel industry surpassed its British rivals marking a momentous power shift among industrialized nations and how the railroads spurred by some of the United States s most dynamic entrepreneurs Cornelius Vanderbilt John Pierpont Morgan Jay Gould moved from a single transcontinental link to become the most influential and far reaching technological innovation of the Industrial Age extending into virtually every facet of American culture and commerce *Virginia at War, 1864* William C. Davis,James I. Robertson,2009-09-25 The fourth collection of essays in this Civil War series serves to remind us

that there is much for us to discover beyond Virginia's battlefields H Net Reviews The fourth book in the Virginia at War series casts a special light on vital home front matters in Virginia during 1864 Following a year in which only one major battle was fought on Virginia soil 1864 brought military campaigning to the Old Dominion For the first time during the Civil War the majority of Virginia's forces fought inside the state's borders Yet soldiers were a distinct minority among the Virginians affected by the war In Virginia at War 1864 scholars explore various aspects of the civilian experience in Virginia including transportation and communication wartime literature politics and the press higher education patriotic celebrations and early efforts at reconstruction in Union occupied Virginia The volume focuses on the effects of war on the civilian infrastructure as well as efforts to maintain the Confederacy As in previous volumes Virginia at War 1864 concludes with an annotated excerpt from the Diary of a Southern Refugee During the War by Richmond's Judith Brockenbrough McGuire The most fully rounded account of Virginia's wartime experience Charles P Roland author of Reflections on Lee A Historian's Assessment This book covers some interesting areas of lesser known history of Virginia during the Civil War The Oklahoman

The Old South's Modern Worlds L. Diane Barnes, Brian Schoen, Frank Towers, 2011-04-06 The Old South has traditionally been portrayed as an insular and backward looking society The Old South's Modern Worlds looks beyond this myth to identify some of the many ways that antebellum southerners were enmeshed in the modernizing trends of their time The essays gathered in this volume not only tell unexpected narratives of the Old South they also explore the compatibility of slavery the defining feature of antebellum southern life with cultural and material markers of modernity such as moral reform cities and industry Considered as proponents of American manifest destiny for example antebellum southern politicians look more like nationalists and less like separatists Though situated within distinct communities Southerners white black and red participated in and responded to movements global in scope and transformative in effect The turmoil that changes in Asian and European agriculture wrought among southern staple producers shows the interconnections between seemingly isolated southern farms and markets in distant lands Deprovincializing the antebellum South The Old South's Modern Worlds illuminates a diverse region both shaped by and contributing to the complex transformations of the nineteenth century world

Getting the books **Railroads In The Civil War The Impact Of Management On Victory And Defeat** now is not type of challenging means. You could not deserted going in the manner of books buildup or library or borrowing from your friends to log on them. This is an totally simple means to specifically get guide by on-line.
