Railways Across the Andes Edgar A. Haine,1980 **Nelson's Encyclopaedia** ,1913 *Railways of South America* United States. Bureau of Foreign and Domestic Commerce,1930 *Railways of South America* W. Rodney Long,1930

Across the Borders Günter Dinhl,2017-03-02 Until now we have only had relatively narrow economic studies comparing investments in railways with investments in other fields of individual economies Across the Borders not only opens the door for fundamental new insights into a trans national view of railway history but also contributes to a breakthrough in the wider study of the subject providing the first extensive historical investigation of the worldwide system of railway financing This book provides a wide introduction to how financiers governments and entrepreneurs in Europe managed to face the challenges of constructing and maintaining an integrated railway network both in their own countries and their colonies This volume offers analysis from a selection of experts exploring the trans national investment policies of railway construction based on numerous historical case studies The chapters provide insight into the international opportunities that existed for railway financing from the perspective of economic social transport and railway history With contributions from authors from 19 countries the volume is a truly international work that will be of interest to academic researchers museum staff archivists and anyone who has an interest in the history and development of railways The Railway Development in South America Harry Augustus Cobaugh,1914 *Literature of Travel and Exploration* Jennifer Speake,2014-05-12
