

# Judy/Instructo Puzzles: Preparing Children for Life

## Play

is an important part of every child's intellectual, physical, and social development. And Judy/Instructo puzzles are designed to make playtime a fun opportunity to develop some of the important skills children will use all their lives.

Here are some of the reasons our puzzles have been a perennial favorite with educators, parents, and children for more than 60 years:

**They're multi-sensory.**

Using eyes and hands at the same time builds vocabulary by reinforcing the link between a word and a particular object.

**They develop fine motor skills.**

Puzzles give children the practice at hand-eye coordination that is essential for good handwriting.

**They teach important concepts.**

Puzzles can help children learn shapes, colors, and patterns. They help children understand spatial relationships and develop critical thinking skills.

**They foster problem-solving skills.**

A child solving a puzzle predicts, explores, and experiments, trying out different solutions and learning from experience.

## More Than 60 Years of Quality Puzzles!

- Since 1937, when Hy Berman created his first wood puzzles for his daughter, Judy, quality materials and quality workmanship have been traditions at Judy/Instructo.
- A Perennial Favorite: Educators, parents, and children have made Judy/Instructo their first choice for educational wood puzzles.
- One of a kind! This Judy/Instructo puzzle was individually handcrafted in America. No two puzzles are exactly alike!
- Built to last! This hardwood puzzle was sanded and sealed with two coats of non-toxic finish.

## Tips for Parents and Teachers

- Encourage the child to solve the puzzle independently.
- Observe and guide the child with open-ended questions.
- Help the child strategize ways to figure out the puzzle.
- Give the child plenty of time to experiment and discover solutions.
- Encourage the child to test other ideas if the first one doesn't work.
- Recognize and praise even modest attempts at solving the puzzle.
- Communicate that although the puzzle may sometimes be hard, the important thing is to keep trying.
