Coyote's Tomb of Secrets Thomas Wang, 2014-05-20

Coyote's Tomb of Secrets is a collection of drawings and stories for nature and plant lovers. **The Science of Play** Susan G. Solomon, 2014-11-04

Poor design and wasted funding characterize today's American playgrounds. A range of factors, including a litigious culture, overzealous safety guidelines, and an ethos of risk aversion, have created uniform and unimaginative playgrounds. These spaces fail to nurture the development of children or promote playgrounds as an active component in enlivening community space. Solomon's book demonstrates how to alter the status quo by allying data with design. Recent information from the behavioral sciences indicates that kids need to take risks, experience failure, but also have a chance to succeed and master difficult tasks, learn to plan and solve problems, exercise self-control, and develop friendships. Solomon illustrates how architects and landscape architects, most of whom work in Europe and Japan, have already addressed these needs with strong, successful playground designs. These innovative spaces, many of which are more multifunctional and cost-effective than traditional playgrounds, are both sustainable and welcoming. Having become vibrant hubs within their neighborhoods, these play sites are models for anyone designing or commissioning an urban area for children and their families. The Science of Play, a clarion call to use playground design to deepen the American commitment to public space, will interest architects, landscape architects, urban policy makers, city managers, local politicians, and parents. Summer Lightning Becky Lee Weyrich, 2014-07-01

But under the facade is a voluptuous, hot-blooded woman. When this unlikely pair find one another, sparks fly, and the flame of forbidden passion ignites. Captive of Desire Becky Lee Weyrich, 2014-06-08

In ancient Crete, one woman's beauty and spirit will outmatch those who try to tame her. In this thrilling historical romance from a master storyteller, *Romantic Times*: When beautiful Zephromae watched her brother get taken away as a tribute slave, she knew she must rescue him. Her childhood sweetheart, the noble and courageous Alexander, followed to protect her. But he couldn't save her from a ruthless king, the lust of a savage prince, or the fury of a spiteful queen who had power over them all. But Zephromae possessed a secret strength that no one could have possibly imagined, and she would not hesitate to use it.
