The Rainbow is a 1915 novel by British author D H Lawrence It follows three generations of the Brangwen family living in Nottinghamshire particularly focusing on the individual s struggle to growth and fulfilment within the confining strictures of English social life *The Rainbow Book* Victoria St. George, 2016-09-30 The Rainbow Book by Victoria St George is a poem about rainbows for children It takes them on a rhyming journey about rainbows and all the possibilities and splendor they possess Through the colorful and majestic artwork and the happy upbeat poem the children will follow along from beginning to end The use of relatable poetry is geared for children It helps them guess the next words and rhymes and they are able to follow along for a magical ride of the senses while learning about basic color theory as well as creative and loving ways to look at the world around them Enjoy the games and activities that The Rainbow Book has to offer *The Rainbow* D. H. Lawrence, 1989-03-09 D H Lawrence expected The Rainbow to have a bit of a fight before it was accepted but The fight will have to be made that is all It was suppressed just over a month after publication in November 1915 The American publisher would make thirteen further cuts and dribble out the book quietly In 1930 the British government would again consider suppressing a new printing of The Rainbow Professor Mark Kinkead Weekes gives the composition history and collates the surviving states of the text to assess the damage done to Lawrence s novel and to provide a text as close to that which the author wrote as is now possible The final manuscript revisions in the typescript and the first edition are recorded in full in the textual apparatus so the reader can follow the novel s development and evaluate what outside interference may have done to it Also included are explanatory notes to historical references and allusions and an interior chronology of the book itself **The Rainbow : Illustrated** David Herbert Lawrence, 2021-11-11 D H Lawrence s 1915 novel The Rainbow is the story of three generations of the Brangwens family While tame by today s standards The Rainbow for its frank treatment of human sexuality caused Lawrence to be prosecuted on an obscenity charge in England when it was first published Through richly personal characterizations The Rainbow deals profoundly with the very nature of human relations as it explores the sexuality of Ursula Brangwen and her mother Anna Brangwen **The Rainbow (Annotated)** D H Lawrence, 2020-09-03 The Rainbow is a novel by British author D H Lawrence first published in 1915 It follows three generations of the Brangwen family living in Nottinghamshire 2 particularly focusing on the individual s struggle to growth and fulfilment within the confining strictures of English social life Lawrence s 1920 novel Women in Love is a sequel to The Rainbow **The Rainbow (Annotated)** David Herbert Lawrence, 2020-09-06 The Rainbow is a 1915 novel British author D H Lawrence It follows three generations of the Brangwen family particularly focusing on the sexual dynamics of and relations between the characters Lawrence s The Rainbow (Illustrated) D H Lawrence, 2020-10-19 The Rainbow is a novel by British author D H

Lawrence first published in 1915 It follows three generations of the Brangwen family living in Nottinghamshire 2 particularly focusing on the individual s struggle to growth and fulfilment within the confining strictures of English social life Lawrence s 1920 novel *Women in Love* is a sequel to *The Rainbow* *Rainbow's Shadow and the Tablets of Fate* John Cicero,2006-03-09 *Rainbow's Shadow and the Tablets of Fate* is an adventure fantasy tale about two novels *Rainbow Alley* and *The Sorcerers Shadow* which have been mysteriously melded together creating an alternative dimension that has begun to write itself The first novel *Rainbow Alley* is a mythical and magical novel of pure paradise as told and written by Joseph Collins to his grandson Will Collins The second novel *The Sorcerers Shadow* is an adventure filled novel full of evil sorcery and mayhem spewed throughout its pages and is the favorite story of Wills brother Bryan Collins As these two novels unify they become more than mere pages as a blend of good and evil begin to emerge into reality *Rainbow Alley* is a surreal paradise Grandpa Joe has claimed to actually visited when he was younger It can only be accessed through a golden portal by bringing four critical elements together One magical night as the four elements are sought to come together to gain access to *Rainbow Alley* the unthinkable happens By accidentally placing *The Sorcerers Shadow* novel underneath the *Rainbow Alley* novel during the joining of only three of the four critical elements Bryan has unknowingly set off the melding of these two stories This creates their access to a new story and a land unlike anything the boys could ever imagine However this access would prove to be near fatal for Grandpa Joe as he is stricken by a mythical force that sends him into a mysterious coma Will and his best friend and neighbor Jimmy Foster set off on a journey through the golden portal and into the merged stories in an effort to save his stricken grandfather While in this new and sometimes foreboding and pleasurable land Will is driven by a voice claiming to show him the way to heal his grandfather What the boys encounter is incomprehensible as they experience a blend of paradise infiltrated by evil sorcery and mayhem first hand *Teaching Ethics with Three Philosophical Novels* Michael Boylan,2019-09-04 This book offers a unique method for teaching ethics and social political philosophy by combining primary texts and resource material along with three philosophical novels so that students can apply the abstract principles to real life situations A sample syllabus and sample assignments are provided This second edition contains an additional teacher s manual guiding instructors in how to effectively put together a course in ethics using fiction Students often turn off when confronted with abstract ethical principles alone This book allows interaction with philosophical novels that provide real life situations that mirrors applying normative principles to lived experience Students will be drawn into this realism and their engagement with the material will be significantly enhanced This is an innovative textbook for teachers and students of general philosophy ethics business ethics social and political philosophy as well as students of literature and philosophy

Rainbow's Shadow and the Covenant of Wisdom John Cicero,2010-03 *Rainbow s SHADOW and the Covenant of Wisdom* *Rainbow s Shadow and the Covenant of Wisdom* picks up where *Rainbow s Shadow and the Tablets of Fate* leaves off Will Jimmy and Bryan are back to their normal lives until Will is rushed to the hospital with a bizarre case of vertigo With his

head spinning like a top and dreams of his grandfather back in full force Will is convinced he is being called back to Rainbow Alley for something big He has secretly tried to gain access back into the portal for months and his failed attempts to open the vortex have frustrated him beyond belief Convinced the portal is permanently closed Will sits in his hospital room confused It was temptation which lured Bryan to take the shiny black stone as a souvenir from Rainbow Alley Little did he know he had provided a way for evil to rejuvenate As he admires the shiny black stone he finishes reading yet another Sorcerer s Shadow novel entitled The Pirate s Revenge With the book resting up against the stone and another novel entitled The Island Where Magic Began it only takes a few seconds for the evil forces of the Sorcerer s Shadow to emanate from the stone and open the portal As the two novels meld together and the portal opens Will finds himself confronted by an eccentric messenger who instructs him to return the stone Once the stone is returned the Covenant of Wisdom will be revealed and provide the necessary knowledge to open the path to true paradise Will and Jimmy find themselves on a new journey into a surreal world as they find access into the portal and into a new adventure Their mission at first is to save Bryan but quickly transforms into a quest for all mankind
