Rainbows End Vernor Vinge, 2007-04-03 Four time Hugo Award winner Vernor Vinge has taken readers to the depths of space and into the far future in his bestselling novels A Fire Upon the Deep and A Deepness in the Sky Now he has written a science fiction thriller set in a place and time as exciting and strange as any far future world San Diego California 2025 Robert Gu is a recovering Alzheimer s patient The world that he remembers was much as we know it today Now as he regains his faculties through a cure developed during the years of his near fatal decline he discovers that the world has changed and so has his place in it He was a world renowned poet Now he is seventy five years old though by a medical miracle he looks much younger and he s starting over for the first time unsure of his poetic gifts Living with his son s family he has no choice but to learn how to cope with a new information age in which the virtual and the real are a seamless continuum layers of reality built on digital views seen by a single person or millions depending on your choice But the consensus reality of the digital world is available only if like his thirteen year old granddaughter Miri you know how to wear your wireless access through nodes designed into smart clothes and to see the digital context through smart contact lenses With knowledge comes risk When Robert begins to re train at Fairmont High learning with other older people what is second nature to Miri and other teens at school he unwittingly becomes part of a wide ranging conspiracy to use technology as a tool for world domination In a world where every computer chip has Homeland Security built in this conspiracy is something that baffles even the most sophisticated security analysts including Robert s son and daughter in law two top people in the U S military And even Miri in her attempts to protect her grandfather may be entangled in the plot As Robert becomes more deeply involved in conspiracy he is shocked to learn of a radical change planned for the UCSD Geisel Library all the books there and worldwide would cease to physically exist He and his fellow re trainees feel compelled to join protests against the change With forces around the world converging on San Diego both the conspiracy and the protest climax in a spectacular moment as unique and satisfying as it is unexpected This is science fiction at its very best by a master storyteller at his peak At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

The Rainbow's End Pasquale De Marco, 2025-04-12 In the heart of a vibrant landscape painted in the hues of the rainbow lies the Emerald City a realm of wonder transformation and profound lessons This introspective exploration delves into the city s enchanting depths uncovering the secrets of its magic and the wisdom woven into its every fiber Through the eyes of those who find themselves transported to this extraordinary world we embark on a quest for self discovery uncovering the boundless potential that lies dormant within us all The Emerald City s vibrant colors serve as guiding lights illuminating the path toward enlightenment and personal transformation As we

navigate its enchanting streets we encounter challenges that test our resolve forge meaningful connections that shape our lives and unearth hidden truths about ourselves The city s wisdom whispers through the rustling leaves of its emerald trees the gentle flow of its sapphire rivers and the radiant glow of its ruby sunsets Within the Emerald City s kaleidoscopic embrace we explore the transformative power of adversity the resilience of the human spirit and the magic of dreams We learn to embrace change as an opportunity for growth to believe in the impossible and to pursue our aspirations with unwavering determination Our journey through the Emerald City is a quest for meaning and purpose an exploration of the interconnectedness of all life As we delve deeper into its mysteries we discover the power of love the importance of compassion and the profound impact of our actions on the world around us With each step we take the Emerald City reveals its hidden treasures guiding us toward a deeper understanding of ourselves our relationships and the universe that surrounds us It is a place where dreams take flight where hope springs eternal and where the magic of life unfolds in all its radiant glory If you like this book write a review on google books
