A Fun Rainy Saturday with Mom Angela M. Higgins, 2016-05-21 This book is about a little boy named Zac. Like most boys, he has a big personality and thinks he knows a lot more than his parents. The story takes place on a Saturday. It's raining and all Zac wants to do is go outside and play. He thinks the world is ending because it's the weekend and he has to stay indoors with his mom all day. What could be worse than that? Zac's mom recognizes her son is very sad and disappointed about not getting to go outside, so she offers to play a game with him. At first, Zac thinks the game is not going to be fun, but as the game progresses, Zac changes his mind. This game helps him to realize that his mom is knowledgeable and that maybe he really doesn't know everything after all.
