A Cat's Eye View of the World - Theology According to Puderd Craig Childress Johnson, 2017-02-24 In the Old Testament God used Balaam's donkey to speak to him and protect him from great difficulty I think in the Atomic Age God has used a small cat to speak to me many times I don't hear a voice like Balaam but the messages are just as loud In a complex age fraught with distractions and dangers we are in need of reminders of those times when we are about to stray into the abyss I hear Puderd telling me spiritual life is found in simplicity and knowledge of God is found in quietness Contentment is found in good friends not good products Trust and safety are really beyond our control and we can only have these if we trust in the One who is in control
