Report Of The Archbishop Of Canterbury's Commission On Communion And Women In The Episcopate 1989:

Report of the Archbishop of Canterbury's Commission on Communion and Women in the Episcopate, 1989

Church of England. Commission on Communion and Women in the Episcopate, 1989 *Episcopal Ministry* Church of England. Archbishops' Group on the Episcopate, 1990 The 1994 report of the Archbishops Group on the Episcopate looking at the nature of the episcopate the role of the suffragan and the theological issues underlying the ordination of women as bishops **The Lambeth Conference** Paul Avis, Benjamin M. Guyer, 2017-12-28 Originating in 1867 under the presidency

of the Archbishop of Canterbury the Lambeth Conference has proactively shaped the modern world by influencing areas as diverse as the ecumenical movement post war international relations and the spiritual lives of hundreds of millions A team of distinguished scholars from around the world now detail the historical legacy theological meaning and pastoral purpose of the Anglican Communion's decennial councils The next Lambeth Conference will be crucial for the Anglican Communion which is currently afflicted by destructive tensions over matters long central to Christian identity such as the nature of holy orders the definition of sexual morality and the scope of ecclesial authority Whether in supplication or celebration both nurtured by diverse cultural contexts and furthered by the scope of ecumenical horizons these essays break new ground The Lambeth Conference is a faithful testament to generations past and a spur to the ongoing restoration of Anglican theology and devotion in the present **The Trinity and Ecumenical Church Thought** William C. Ingle-Gillis, 2016-12-05 Some

hundred years from inception the ecumenical movement is stagnating William C Ingle Gillis argues that the problem lies in modern ecumenism's treatment of denominational Churches as provisional entities requiring reunion to be more fully Christ's Body In a work unique both to ecumenical studies and to trinitarian theology the author redefines ecclesial life from the premise that God's essence is personhood in communion and that the ultimate calling of human persons is to share as fully in the divine life as Christ himself Concluding that the Churches are by the Spirit's action a tangible dynamic event wherein God makes visible his ongoing reconciliation of the world to himself Ingle Gillis argues that the Churches true life lies in coming together rather than being together This conclusion places ecumenism at the heart of Church life and witness

Anglican Women on Church and Mission Judith Berling, 2013-03-01 In the past several decades the issues of women's ordination and of homosexuality have unleashed intense debates on the nature and mission of the Church authority and the future of the Anglican Communion Amid such momentous debates theological voices of women in the Anglican Communion have not been clearly heard until now This book invites the reader to reconsider the theological basis of the Church and its call to mission in the 21st century paying special attention to the colonial legacy of the Anglican Church and the shift of Christian demographics to the Global South In addition to essays by the volume editors this 12 essay collection includes contributions by Jane Shaw Ellen Wondra and Beverley Haddad among others *The Kenotic Trajectory of the Church in Donald MacKinnon's Theology* Timothy G. Connor, 2011-09-29 The book explores those aspects of Donald MacKinnon's

theological writings which challenge the claim of the liberal Catholic tradition in the Church of England to have forged an ecclesiological consensus namely that the Church is the extension of the incarnation MacKinnon destabilized this claim by exposing the wide gulf between theory and practice in that church especially in his own Anglo Catholic tradition within it For him the collapse of Christendom is the occasion for a dialectical reconstruction of the relation of the Church to Jesus Christ and to the world on the basis of the gospel His basic claim is that authentic ecclesial existence must correspond with what was revealed and effected by Jesus along his way from Galilee to Jerusalem to Galilee Reflection on the Church thus takes the form of a lived response shaped by a Christocentric grammar of faith the submission of the church to Jesus contemporaneous interrogation a sustained attentiveness to him and the willing embrace of his hour *A Deeper Imprint* Kirby Walsh,2003

Arthur Peters was born and raised in North Sydney Nova Scotia attended University of King s College in Halifax and ministered six parishes before being elected Bishop of the Diocese of Nova Scotia and Prince Edward Island and then Archbishop and Metropolitan He retired in 2002 after 40 years in the clergy 20 years as bishop and archbishop *A Deeper Imprint* recounts Peters life from his humble beginnings through the experiences of parish life in Nova Scotia of raising a family on the move and of Peters acumen dealing with diocesan matters during exciting sometimes controversial times for the Anglican Church ordination of women accusations of abuse Residential Schools Growing up in a humble and hardworking environment in wartime Cape Breton left an undoubtedly deep imprint on Peters who in turn left his own imprint in numerous parishes the diocese and the Anglican communion as a whole

Holy Orders and Completeness of the Church H. J. M. Turner,2005 In *Holy Orders and Completeness of The Church* the author seeks to describe the pattern of Holy Orders He also uses sound ecclesiology to ask how bishops priests and deacons ought to be related to one another and to the order of unordained Christians Sources from diverse backgrounds are used throughout often accompanied by translations from their original languages In *Holy Orders and Completeness of The Church* the author does not examine in detail texts from the New Testament Instead he concentrates on texts written roughly between the end of the first century and the end of the fourth the formative period of development for early Christianity In this excellently researched work the author s expert opinion is presented in a well constructed and extremely clear manner making the text accessible to both academics of theology and those with less knowledge in the subject The author closes the book by summing up his arguments and providing some views on the way ahead for the Church He also presents his views on areas beyond the Local Church with particular emphasis on Rome and the papacy Fully indexed and with a comprehensive Select Bibliography this book will prove to be of great value to the interested reader and researcher alike

Roger Greenacre,2014-06-04 Offers a classical understanding of the Church of England's identity and its place as part of the wider Church It explores the theological principles behind Anglo Catholic views of the ordination of women articulating with creative courtesy the theological and ecclesiological reasoning why so many cannot accept it **The Church in Anglican Theology** Kenneth A. Locke,2016-09-17 This book is the first systematic attempt to describe a coherent and comprehensive Anglican understanding of Church Rather than focusing on one school of thought Dr Locke unites under one ecclesiological umbrella the seemingly disparate views that have shaped Anglican reflections on Church He does so by exploring three central historical developments 1 the influence of Protestantism 2 the Anglican defence of episcopacy and 3 the development of the Anglican practice of authority Dr Locke demonstrates how the interaction of these three historical influences laid the foundations of an Anglican understanding of Church that continues to guide and shape Anglican identity He shows how this understanding of Church has shaped recent Anglican ecumenical dialogues with Reformed Lutheran Orthodox and Roman Catholic Churches Drawing on the principle that dialogue with those who are different can lead to greater self understanding

and self realization Dr Locke demonstrates that Anglican self identity rests on firmer ecclesiological foundations than is sometimes supposed

The Recent Unpleasantness Harold T. Lewis, 2015-06-12 In the wake of the 2003 General Convention approval of the consecration of Gene Robinson an openly gay and partnered man to be a bishop the Convention of the Diocese of Pittsburgh took steps to secede from the Episcopal Church When it became clear that by rewriting and reinterpreting the canons the Diocese deemed itself entitled to the assets of the Diocese the Rector and Vestry of Calvary Church Pittsburgh took the unprecedented and as it turned out successful action of challenging these actions in civil court by suing the bishop and other officers of the Diocese *The Recent Unpleasantness* tells the story of the circumstances in church and society that long predated Robinson's election which set the stage for these developments and discusses the ramifications of the lawsuit in the Diocese of Pittsburgh the Episcopal Church and throughout the Anglican Communion It is an intriguing tale of the interface of bishops and archbishops prelates and primates synods and standing committees and addresses issues surrounding the challenges and costs of rebuilding a church by schisms rent asunder by heresies distressed
