Nicholas Kaldor and the Real World Marjorie Shepherd Turner, 2016-09-16 First Published in 1994 Nicholas Kaldor was born in Hungary in 1908 and died as Baron Kaldor of Newnham in the City of Cambridge England in 1986 The years between revealed no hint of scandal or psychological problems that might make Kaldor the subject of a novel His life was instead a straight line of growth and achievement of intellectual enjoyment and strong values Kaldor s struggles were intellectual namely his efforts to comprehend the economics of the real world to fit this understanding into economic theory and to convince his fellow citizens and economists of the accuracy of his perceptions Kaldor forces us to ponder what the relationship between economic theory and practice should be

Law Reform in Developing and Transitional States

Timothy Lindsey, 2007 Law reform in developing countries has become an increasingly topical subject in recent years A critical issue is why so many law reform projects in developing economies are regarded by their sponsors and recipients as unsuccessful This informative book examines examples of law reform projects in post socialist and post authoritarian states in Asia identifies common problems proposes analytical frameworks for understanding the problems identified Though parallels between Asian models and those in developing states elsewhere in the world are strong the book has been developed to avoid suggestion that the issues covered are somehow peculiarly Asian indeed it is shown that cultural relativist approaches to Asia are unsustainable This is an invaluable reference for those involved in the areas of development economics Asian studies and comparative politics
