Republican Humor

Patrick A. Stewart

Republican Humor:

Republican Humor Stephen J. Skubik, Hal E. Short, 1976 Political Humor Charles E. Schutz, 1977 Presents and seeks to explain the variety of humor in democratic politics The humor ranges from the bawdy political comedies of Aristophanes in ancient Athens to the journalistic satires of our daily newspapers and includes the jokes and comic invective of the people and their politicians *American Political Humor* Jody C. Baumgartner, 2019-10-07 This two volume set surveys the profound impact of political humor and satire on American culture and politics over the years paying special attention to the explosion of political humor in today's wide ranging and turbulent media environment Historically there has been a tendency to regard political satire and humor as a sideshow to the wider world of American politics entertaining and sometimes insightful but ultimately only of modest interest to students and others surveying the trajectory of American politics and culture This set documents just how mistaken that assumption is By examining political humor and satire throughout US history these volumes not only illustrate how expressions of political satire and humor reflect changes in American attitudes about presidents parties and issues but also how satirists comedians cartoonists and filmmakers have helped to shape popular attitudes about landmark historical events major American institutions and movements and the nation's political leaders and cultural giants Finally this work examines how today's brand of political humor may be more influential than ever before in shaping American attitudes about the nation in which we live **Debatable Humor** Patrick A. Stewart, 2012-01-01 Debatable Humor represents the first systematic foray into understanding the use of humor by politicians on the campaign trail Using content analysis of primary debates for both Republican and Democratic parties during the 2008 presidential election Patrick A Stewart considers not just how humor was used who used it and how successful these attempts at humor were but he also gives readers insight regarding why humor and the laughter that results is an important part of politics Not only can humor reveal a candidate's intelligence values personality and his/her connection with the audience it also reveals the underlying values of egalitarian political systems A Decade of Dark Humor Ted Gornelos, Viveca Greene, 2011-08-01 A Decade of Dark Humor analyzes ways in which popular and visual culture used humor in a variety of forms to confront the attacks of September 11 2001 and more specifically the aftermath This interdisciplinary volume brings together scholars from four countries to discuss the impact of humor and irony on both media discourse and tangible political reality Furthermore it demonstrates that laughter is simultaneously an avenue through which social issues are deferred or obfuscated a way in which neoliberal or neoconservative rhetoric is challenged and a means of forming alternative political ideologies The volume's contributors cover a broad range of media productions including news parodies The Daily Show with Jon Stewart The Colbert Report The Onion TV roundtable shows Politically Incorrect with Bill Maher comic strips and cartoons Aaron McGruder's The Boondocks Jeff Danzinger's editorial cartoons television drama Rescue Me animated satire South Park graphic novels Art Spiegelman's In the Shadow of No Towers documentary Fahrenheit 9/11 and other

productions Along with examining the rhetorical methods and aesthetic techniques of these productions the essays place each in specific political and journalistic contexts showing how corporations news outlets and political institutions responded to and sometimes co opted these forms of humor **An Introduction to the Psychology of Humor** Janet M.

Gibson,2019-01-31 An Introduction to the Psychology of Humor provides a comprehensive and accessible overview of psychologists research on humor Drawing on research from a variety of psychological perspectives from cognitive and biological to social and developmental the book explores factors that affect our detection comprehension liking and use of humor Throughout the book theories and paradigms of humor are explored with each chapter dedicated to a distinct field of psychological research Covering topics including humor development in children and older adults humor s effectiveness in advertisements cross cultural psychology and humor s functions in the workplace the book addresses the challenges psychologists face in defining and studying humor despite it being a universal and often daily experience Featuring a wealth of student friendly features including learning objectives and classroom activities An Introduction to the Psychology of Humor is an essential read for all students of humor Disparagement Humor in Social Life Nathan Miczo,2022-09-07 In this book Nathan Miczo demonstrates that humor operates at different levels of identity exploring how within and between group dynamics shape the creation and reception of disparagement humor While positive forms of humor arise in interpersonal settings negative forms reflect the activation of group based communal identities Building on this dual sociality view Miczo critiques the superiority theory of disparagement humor rooted in Hobbes s definition of laughter and tied to his notion of a war of all against all Miczo employs the agon Greek for contest to replace the Hobbesian metaphor with a view that groups use disparagement humor to pursue rival goals This perspective forwards the multifunctional utility of humor in social life analyzing examples of naturally occurring interaction drawn from studies in Communication Psychology and Anthropology Scholars of humor studies communication and anthropology will find this book of particular interest *The Oxford Handbook of Political Communication* Kate Kenski,Kathleen Hall Jamieson,2017-06-23 Since its development shaped by the turmoil of the World Wars and suspicion of new technologies such as film and radio political communication has become a hybrid field largely devoted to connecting the dots among political rhetoric politicians and leaders voters opinions and media exposure to better understand how any one aspect can affect the others In *The Oxford Handbook of Political Communication* Kate Kenski and Kathleen Hall Jamieson bring together leading scholars including founders of the field of political communication Elihu Katz Jay Blumler Doris Graber Max McCombs and Thomas Paterson to review the major findings about subjects ranging from the effects of political advertising and debates and understandings and misunderstandings of agenda setting framing and cultivation to the changing contours of social media use in politics and the functions of the press in a democratic system The essays in this volume reveal that political communication is a hybrid field with complex ancestry permeable boundaries and interests that overlap with those of related fields such as political sociology

public opinion rhetoric neuroscience and the new hybrid on the quad media psychology This comprehensive review of the political communication literature is an indispensable reference for scholars and students interested in the study of how why when and with what effect humans make sense of symbolic exchanges about sharing and shared power The sixty two chapters in The Oxford Handbook of Political Communication contain an overview of past scholarship while providing critical reflection of its relevance in a changing media landscape and offering agendas for future research and innovation

Politics Is a Joke! S. Robert Lichter, 2018-09-03 Does late night political humor matter Are late night comedians merely entertaining or do they have the power to influence the way we think about politics and politicians Politics Is a Joke situates late night comedy in the historical context of political humor and demonstrates how the public turn to this venue for political information and are in turn affected by it Using exclusive data collected by the Center for Media and Public Affairs the authors conduct a detailed and exhaustive analysis of political jokes on late night TV shows dating back to 1992 in order to pinpoint the main targets and themes of late night comedy Politics Is a Joke uses a wide range of examples from jokes about politicians physical appearance and sex scandals to jokes about Congress and even the news media to assess and understand the impact of political humor on political institutions politicians and their policies and behavior Engagingly written with analysis of jokes from comedians like Jay Leno Conan O'Brien Jon Stewart and Stephen Colbert Politics is a Joke is essential reading for anyone who wants to understand the crucial role late night comedy plays in our political universe and anyone who enjoys a good laugh

Entertainment Media and Politics Robert Lance Holbert, 2016-03-17 The prominence of politically themed entertainment is evident across the global media landscape Given its popularity it is important to gain a firm understanding of the mechanisms through which this diverse and multi faceted content can generate democratic outcomes In addition it is essential to isolate and predict properly the strength of a given effect and the conditions under which a specific outcome will become evident The works contained in this edited volume explore affect and cognition driven processes of influence recognizing that humans are both emotional and rational beings In addition empirical evidence is offered to isolate and compare specific types of political entertainment media content e g different types of satire and citizens proclivities for this content e g a person's Affinity for Political Humor in order to best understand the complex means by which entertainment media can generate political influence Attention is also paid to expanding what can and should be defined as political entertainment media which includes opinion based political talk programming The collection and its authors represent a global perspective to reflect the rise of political entertainment media as a global phenomenon This book was originally published as a special issue of Mass Communication and Society

When Congress Makes a Joke Dean L. Yarwood, 2004-07-26 When Congress Makes a Joke is an engaging look at the intentional use of humor by members of Congress exploring their humor as political communication Highlighting several politicians noted for their use of humor including Senators Robert Dole and Alan Simpson and Representatives Patricia Schroeder and Barney Frank among others

this intriguing book features original personal interviews with the Congress members allowing them to talk about their own and others use of humor in political ways Yarwood also includes theories of humor as communication a historical look at humor in Congress the function of telling humorous stories and the role of humor in the integration of African American and women members into the institution of Congress Readers will find When Congress Makes a Joke an enjoyable accessible view into humor s place in political communication how it is created how it is used and what consequences may stem from it

Political Humor in a Changing Media Landscape Jody C Baumgartner,Amy B. Becker,2020-07-07 In the past decade various studies have examined how political humor may influence various political attitudes and voting behavior whether it affects learning cognition and media literacy how it might shape political participation how people process different forms of political humor and more This book is devoted to anticipating and addressing where the field of political humor and its effects will move in the next generation of scholarship exploring the continued evolution of the study of political humor as well as the normative implications of these developments It includes research accounting for important changes and developments on the ground in the political humor landscape These include the fact that the cadre of late night television hosts have completely changed in the past 3 years there are now more late night television choices and many hosts have become more overtly political in their presentations Recommended for scholars of communication media studies and political science

Towner, 2017-08-22 Although many developments surrounding the Internet campaign are now considered to be standard fare there were a number of new developments in 2016 Drawing on original research conducted by leading experts The Internet and the 2016 Presidential Campaign attempts to cover these developments in a comprehensive fashion How are campaigns making use of the Internet to organize and mobilize their ground game To communicate their message The book also examines how citizens made use of online sources to become informed follow campaigns and participate Contributions also explore how the Internet affected developments in media reporting both traditional and non traditional about the campaign What other messages were available online and what effects did these messages have had on citizens attitudes and vote choice The book examines these questions in an attempt to summarize the 2016 online campaign **The Psychology of Humor** Rod A. Martin, Thomas Ford, 2018-07-14 Most of us laugh at something funny multiple times during a typical day Humor serves multiple purposes and although there

is a sizable and expanding research literature on the subject the research is spread in a variety of disciplines The Psychology of Humor 2e reviews the literature integrating research from across subdisciplines in psychology as well as related fields such as anthropology biology computer science linguistics sociology and more This book begins by defining humor and presenting theories of humor Later chapters cover cognitive processes involved in humor and the effects of humor on cognition Individual differences in personality and humor are identified as well as the physiology of humor the social functions of humor and how humor develops and changes over the lifespan This book concludes noting the association of humor with physical and mental health and outlines applications of humor use in psychotherapy education and the workplace In addition to being fully updated with recent research the second edition includes a variety of new materials More graphs tables and figures now illustrate concepts processes and theories It provides new brief interviews with prominent humor scholars via text boxes The end of each chapter now includes a list of key concepts critical thinking questions and a list of resources for further reading Covers research on humor and laughter in every area of psychology Integrates research findings into a coherent conceptual framework Includes brain imaging studies evolutionary models and animal research Integrates related information from sociology linguistics neuroscience and anthropology Explores applications of humor in psychotherapy education and the workplace Provides new research plus key concepts and chapter summaries **Modern**

Political Caricatures Jody C Baumgartner, 2024-12-01 Political humor has an extensive record in the United States replete with examples of humorists and satirists lampooning political leaders institutions ideas and more Dating back to at least before the beginning of the republic satirists often ridiculed often ridiculed British leaders and policies as well colonial leaders Thomas Nast's cartoons about Boss Tweed are credited with helping bring down the infamous Tammany Ring Mark Twain never tired of making jokes about Congress and its members And contemporary late night talk show hosts of regularly lampoon political figures This book examines humorous depictions of political leaders in the television era The book is divided into two parts the first focusing on presidents the second on vice presidents presidential and vice presidential candidates The book highlights the comedic and satirical characterizations of these political leaders presented on Saturday Night Live various late night talk shows other television programs e.g. the HBO series Veep The Onion YouTube videos editorial cartoons and more Both humorous and informative this book allows readers to learn more about the leaders examined within and how they acquired their popular reputations and how their careers were impacted It also sheds light on how political humor both political comedy and political satire function in the modern era The Official

Democrat-Republican Joke Book Larry Wilde, 1978

Late Night with Trump Stephen J. Farnsworth, S. Robert Lichter, 2019-11-15 Political humor has been a staple of late night television for decades The Trump White House however has received significantly greater attention than that of past presidents such as Barack Obama George W Bush and even Bill Clinton In response to Trump's strident politics late night comics including Stephen Colbert Jimmy Kimmel Trevor Noah and

Jimmy Fallon have sounded key policy notes further blurring the boundary between news and satire Weekly humorists including John Oliver and Samantha Bee extend the critique with in depth probing of key issues while Saturday Night Live continues to tap the progression from outrage to outrageousness Using unique content analysis techniques and qualitative discussions of political humor Farnsworth and Lichter show how late night political humor and these seven programs in particular have responded to the Trump presidency Employing a dataset of more than 100 000 late night jokes going back decades these noted media scholars discuss how the treatment of Trump differs from previous presidents and how the Trump era is likely to shape the future of political humor The authors also employ public opinion survey data to consider the growing role these late night programs play in framing public opinion and priorities This book will interest scholars the curious public and students of politics communications and the media and contemporary American culture
