Republican Option In Canada Past And Present

Alan Cairns

Republican Option In Canada Past And Present:

The Order of Canada Christopher P. McCreery, 2005-12-15 In 1966 a project to create a national honour for Canadians was begun The first recipients of the Order of Canada were announced a year later and in the nearly forty years since the Order has become a symbol familiar to and respected by people from across the country. The spirit that motivates the Order of Canada celebration inclusion and democracy was born of the memories of Canada's earlier experience with honours From initial distrust and misunderstanding to the awakening of a national identity the development of the Order reflects the relationship Canadians have with their country their government their culture and their heroes The Order itself is a product of national identity politics and history reflected by the significance of its recipients accomplishments Indeed the Order s history is as fascinating as the more than 4000 Canadians who have received it This first book length history of the Order of Canada and first major work on Canadian honours by Christopher McCreery is a celebration of the Order and a close examination of its unique design and various early incarnations McCreery provides both a history of the Order's beginnings and a more general overview of trends in Canadian honours Extensively illustrated with never before published photographs The Order of Canada Its Origins History and Developments pays tribute to the individuals who felt the need for a system of recognition for Canadians Electronic Format Disclaimer Images removed at the request of the rights holder and Canadian Federalism D. Michael Jackson, 2013-08-31 More than ever Canada's constitutional monarchy should be treasured as a distinct asset for the nation Following Queen Elizabeth II s historic Diamond Jubilee in 2012 there is renewed interest in the institution of the Crown in Canada and the roles of the queen governor general and lieutenant governor Author D Michael Jackson traces the story of the monarchy and the Crown and shows how they are integral to Canada s parliamentary democracy His book underscores the Crown s key contribution to the origins evolution and successful functioning of Canadian federalism while the place of the monarchy in francophone Canada and the First Nations receives special attention Complex issues such as the royal prerogative constitutional conventions the office of lieutenant governor and Canada's honours system are made readily accessible to the general reader Jackson examines the option of republican governance for Canada and concludes that responsible government under a constitutional monarchy is far preferable He further argues that the Crown should be treasured as a distinct asset for Canada Le Concept de liberté au Canada à l'époque des Révolutions atlantiques (1776-1838) Michel Ducharme, 2009-12-01 Cet ouvrage revisite l'histoire intellectuelle et politique canadienne entre la r volution am ricaine et les r bellions de 1837 1838 au Haut et au Bas Canada en la r int grant dans le cadre des R volutions atlantiques qui ont secou l Europe et l Am rique entre 1776 et 1838 Reposant sur un cadre th orique inspir des travaux des historiens intellectuels du monde atlantique il traite plus particuli rement de l importance du concept de libert dans le d veloppement de l tat dans les deux colonies Il d montre que ces derni res se sont d velopp s d s 1791 en suivant un id al de libert qui tout en tant diff rent de la libert l oeuvre au sein des mouvements r

volutionnaires de la fin du XVIIIe si cle n en tait pas moins issu des Lumi res Il pr sente galement les r bellions de 1837 1838 comme tant en partie le r sultat d un affrontement entre deux concepts tr s diff rents de libert Canada and the Crown D. Michael Jackson, Philippe Lagassé, 2014-01-01 Stephen Harper's Conservative government has reversed the trend of its predecessors by giving the Crown a higher profile through royal tours publications and symbolic initiatives Based on papers given at a Diamond Jubilee conference on the Crown held in Regina in 2012 Canada and the Crown assesses the historical and contemporary importance of constitutional monarchy in Canada Established and emerging scholars consider the Canadian Crown from a variety of viewpoints including the ways in which the monarch relates to Quebec First Nations the media education Parliament the constitution and the military They also consider a republican option for Canada Editors D Michael Jackson and Philippe Lagass provide context for the essays summarize and expand on the issues discussed by the contributors and offer a perspective on further study of the Crown in Canada Contributors include Richard Berthelsen Lieutenant Colonel Alexander Bolt Office of the Judge Advocate General James W J Bowden Stephanie Danyluk Whitecap Dakota First Nation Linda Cardinal University of Ottawa Phillip Crawley CEO The Globe and Mail John Fraser Massey College Carolyn Harris University of Toronto Robert E Hawkins University of Regina Ian Holloway University of Calgary Senator Serge Joyal Nicholas A MacDonald Christopher McCreery Office of Lieutenant Governor of Nova Scotia J R Jim Miller University of Saskatchewan Peter H Russell University of Toronto David E Smith Toronto Metropolitan University and John D Whyte University of Regina Order of Canada, Second Edition Christopher McCreery, MVO,2018-01-01 The second edition of The Order of Canada continues the celebration of the order Christopher McCreery sheds new light on the development of Canadian honours in the early 1930s the imposed prohibition on honours from 1946 to 1967 and new details on those who have been removed or resigned from the Order The Canadian Kingdom D. Michael Jackson, 2018-04-14 An integral part of Canada's political culture the constitutional monarchy has evolved over the 150 years since Confederation to become a uniquely Canadian institution Canada inherited the constitutional monarchy from Britain even before Confederation in 1867 In the 150 years since then the Crown has shaped and been shaped by Canada's achievement of independence its robust federalism the unique identity of Quebec and its relationship with Indigenous peoples What has this Canadian Crown contributed to the Canada of the twenty first century How is this historic yet resilient institution perceived today The essays in this book respond to these questions from a variety of perspectives encompassing the arts the role of the vice regal representatives the Indigenous peoples and the contemporary position of the monarch In discussing whether there is a distinctly Canadian monarchy the authors look beyond Canada's borders too and explore how Canada's development has influenced other Commonwealth realms **Technology and Legal Systems** Noel Cox, 2016-12-14 The advent of the knowledge economy and society has made it increasingly necessary for law reformers and policy makers to take account of the effects of technology upon the law and upon legal and political processes. This book explores aspects of technology s

relationship with law and government and in particular the effects changing technology has had on constitutional structures and upon business Part I examines the legal normative influence of constitutional structures and political theories It focuses on the interrelationship between laws and legal procedure with technology and the effect technology can have on the legal environment Part II discusses the relationship between government and technology both at the national and international level The author argues that technology must be contextualized within a constitution and draws on historical and contemporary examples to illustrate how technology has both shaped civilizations and been the product of its political and No Place Like Home Bohdan S. Kordan, 2025-04-29 No Place Like Home chronicles a little constitutional environment known episode in Canada's national history when internment was first employed during the Great War under the War Measures Act Highlighting the problem of immigrant fit and belonging Bohdan Kordan shows how legal political and cultural frameworks modelled an understanding of the role and place of immigrants originating from enemy lands and how amid the economic social and political uncertainties of war internment as an instrument of security policy and a political choice altered the lives of thousands of innocent people No Place Like Home brings to the fore new perspectives on both Canadian internment and the role and responsibility of government in war Focusing on the status of enemy aliens and the blurring of the military civilian distinction the book also takes a broader social view of the period and offers a critical assessment of the various camp experiences Kordan articulates how internment truly known only to those who endured it can still have deeper meaning as shared history and enlists compelling reasons to comprehend and honour it Canadian Books in Print. Author Red, White, and Kind of Blue? David Schneiderman, 2015-10-06 Situated between two different and Title Index ,1975 constitutional traditions those of the United Kingdom and the United States Canada has maintained a distinctive third way federal parliamentary and flexible Yet in recent years it seems that Canadian constitutional culture has been moving increasingly in an American direction Through the prorogation crises of 2008 and 2009 its senate reform proposals and the appointment process for Supreme Court judges Stephen Harper's Conservative government has repeatedly shown a tendency to push Canada further into the US constitutional orbit Red White and Kind of Blue is a comparative legal analysis of this creeping Americanization as well as a probing examination of the costs and benefits that come with it Comparing British Canadian and American constitutional traditions David Schneiderman offers a critical perspective on the Americanization of Canadian constitutional practice and a timely warning about its unexamined consequences From Subjects to Citizens Pierre Boyer, Linda Cardinal, David Headon, 2004-02-27 Australia and Canada are both lively multicultural societies with British constitutional traditions Historically they have faced similar challenges in defining and sustaining citizenship that reach back into a common past They also have similar approaches to address contemporary issues and anticipate the challenges of a 21st century future New perspectives on the culture and politics of citizenship emerge in this timely text that is essential reading for those interested in the steadily expanding ties between Australia and Canada Published in English

Subjects Or Citizens? Adolf Ens,1994 During the 1870s 7 000 Mennonites descendants of Dutch and German Anabaptists arrived in Canada to settle in the newly created province of Manitoba While in Europe they had steadily moved eastward under pressure of persecution and governmental restrictions until they settled in foreign colonies in New Russia Ukraine in 1789 Generations of living as non citizen settlers under special arrangements with the ruler had reinforced their separatist understanding of what it meant to live in nonconformity with the world Adolf Ens's volume traces the tensions of Mennonites becoming full citizens in the participatory democracy of Canada through the crucial steps of immigration settlement and naturalization implementing local municipal government and becoming part of the public school system This process was greatly complicated by the outbreak of the First World War and the intolerance it produced toward those who were pacifist German and different Almost 8 000 of the descendants of this immigrant group left for Latin America in the aftermath of the war becoming subjects once again The rest gradually accommodated themselves to being full Canadian citizens BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Commissioned Ridings** John C. Courtney, 2001 A study of institutional transformation and changing public and political attitudes toward the redistribution of electoral constituencies in Canada **Shall We Dance?** Charles Blattberg, 2003 Charles Blattberg shows that while a just politics based on dialogue is at the core of Canadians sense of ourselves as citizens our current forms of dialogue are inadequate To some we should be pleading before authorities responsible for upholding a unified foundation for our politics Pierre Trudeau and his followers for example advocate a Charter of Rights and Freedoms that trumps any values not contained within it To others we ought to be true to the longstanding Canadian political tradition of compromise and so negotiate our conflicts a form of dialogue that strives for accommodation rather than trumping Blattberg argues however that both of these approaches have largely failed us To him the preferred form of dialogue in Canadian politics today should be that of conversation As he shows only conversation aims for the genuine reconciliation of conflict only it will help us realize the common good that is at the heart of a truly patriotic Canadian politics Constitutional Paradigms and the Stability of States Noel Cox, 2016-05-23 This book examines the influence of constitutional legal paradigms upon the political stability and viability of states It contributes to the literature in the field by focussing on how constitutional flexibility may have led to the rise of successful states and to the decline of unsuccessful states by promoting stability Divided into two parts the book considers theories of the rise and fall of civilizations and individual states explains the concept of hard and soft constitutions and applies this concept to different types of state models A series of international case studies in the second part of the book identifies the key dynamics in legal political and economic history and includes the UK US New Zealand and Eastern Europe The break-up of Greater Britain Stuart Ward, Christian D. Pedersen, 2021-10-19 This is the first major attempt to view the break up of Britain as a global phenomenon incorporating peoples and cultures of all races and creeds that became embroiled in the liquidation of the British Empire in the decades after the Second World War A team of leading

historians are assembled here to view a familiar problem through an unfamiliar lens ranging from India to China Southern Africa Australia New Zealand the Falklands Gibraltar and the United Kingdom itself At a time when trace elements of Greater Britain have resurfaced in British politics animating the febrile polemics of Brexit these essays offer a sober historical perspective More than perhaps at any other time since the empire's precipitate demise it is imperative to gain a fresh purchase on the global challenges to British identities in the twentieth century Citizenship, Diversity and Pluralism Alan Cairns, 1999 Citizenship has both a vertical and a horizontal dimension The vertical links individuals to the state by reinforcing the idea that it is their state that they are full members of an ongoing association that is expected to survive the passing generations Accordingly their relation to the state is not narrowly instrumental but is supported by a reservoir of loyalty and patriotism that gives legitimacy to the state The horizontal relationship is the positive identification with fellow citizens as valued members of the same civic community Here citizenship reinforces empathy and sustains solidarity through its official endorsement of who counts as one of us Citizenship therefore is a linking mechanism that in its most perfect expression binds the citizenry to the state and to each other In Citizenship Diversity and Pluralism leading scholars assess the transformation of these two dimensions of citizenship in increasingly diverse and plural modern societies both in Canada and internationally Subjects addressed include the changing ethnic demography of states social citizenship multiculturalism feminist perspectives on citizenship aboriginal nationalism identity politics and the internationalisation of human rights Alan C Cairns is adjunct professor of political science at the University of Waterloo and author of Charter versus Federalism The Dilemmas of Constitutional Reform John C Courtney is professor of political science at the University of Saskatchewan and author of Do Conventions Matter Choosing National Party Leaders in Canada Peter MacKinnon is president of the University of Saskatchewan and has served as president of both the Canadian Association of Law Teachers and the Council of Canadian Law Deans Hans J Michelmann is professor of political science and acting associate dean Academic of the College of Arts and Science at the University of Saskatchewan David E Smith is professor of political studies at the University of Saskatchewan

The Coronation and the Constitution in the British Tradition Noel Cox,2025-08-21 This book examines the legal political and theological functions of the British coronation Coronations as understood in the traditional western European sense are in those countries which remain monarchies increasingly rarely found though they are far from extinct They indeed may be seen as an exceptional survival of a vanishing era an age dominated by kingship and Christianity although some non Christian kingdoms retain have adopted or once had comparable inaugurations But the coronation as the term is generally understood is a unique hybrid of election tribal inauguration political acknowledgment and sacred setting apart which make its legal political and theological roles highly significant The fact that the United Kingdom is one of the few monarchies which retain coronations does not diminish the importance of the coronation indeed rather the opposite The country is also the last of the great monarchies of Europe so it would perhaps be surprising if it did not retain such a ritual and solemnity It is in the

context of its historical setting the theological and political underpinnings and rationale and indeed a more modern sociological understanding of the role of ritual that the importance of the coronation as a constitutional ritual of the highest importance is to be understood and therefore its necessity may be considered Between Empire and Republic Oana Godeanu-Kenworthy, 2022-01-26 In 1837 a small group of rebels proclaimed the short lived Republic of Canada Between then and the Act of Confederation of 1867 colonial Canadians tried to imagine the future of their communities in North America The choice between monarchy and republicanism shaped both colonial self images and images of the United States it also drove the political deliberations that eventually united the colonies of British North America into a self governing Dominion under the British Crown Between Empire and Republic is a thematic exploration of the political discourse embedded in the literary output of the period Colonial authors Susanna Moodie Th Ch Haliburton and John Richardson enjoyed transatlantic popularity and explained colonial realities to their British Canadian and American readership Collectively their writings serve as the lens into colonial Canadian perceptions of American and British political ideas and institutions Between Empire and Republic discusses North America as a literary contact zone where British principles of constitutional monarchy competed with American ideas of republicanism and democratic self government. The author argues that political ideas in pre-Confederation Canada filtered into the literary works of the time creating two settler colonial communities whose recognizable cultural characteristics echoed public attitudes towards the political projects underpinning them

Continuity and Change in Canadian Politics David E. Smith,2006-01-01 Change and Continuity in Canadian Politics gets to the heart of key issues and provides important insights into contemporary Canadian government and politics

Getting the books **Republican Option In Canada Past And Present** now is not type of inspiring means. Republican Option In Canada Past And Present Introduction

In the digital age, access to information has become easier than ever before. The ability to download Republican Option In Canada Past And Present has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Republican Option In Canada Past And Present has opened up a world of possibilities. Downloading Republican Option In Canada Past And Present provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Republican Option In Canada Past And Present has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Republican Option In Canada Past And Present. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Republican Option In Canada Past And Present. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Republican Option In Canada Past And Present, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of

the websites they are downloading from. In conclusion, the ability to download Republican Option In Canada Past And Present has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
