Requiem For A Nun Preliminary Holograph And Typescript Materials Volumes 1

William Faulkner

Requiem For A Nun Preliminary Holograph And Typescript Materials Volumes 1 :

Requiem for a Nun: Preliminary holograph and typescript materials William Faulkner, 1987 *Requiem for a Nun* William Faulkner, 1987 *Requiem for a Nun: Miscellaneous carbon typescripts, galleys, and page proofs* William Faulkner, 1987 *William Faulkner in Hollywood* Stefan Solomon, 2017-08-01 A scholarly examination of the scripts and fiction Faulkner created during his foray as a Hollywood screenwriter During more than two decades 1932 1954 William Faulkner worked on approximately fifty screenplays for major Hollywood studios and was credited on such classics as *The Big Sleep* and *To Have and Have Not* Faulkner's film scripts and later television scripts constitute an extensive and until now thoroughly underexplored archival source Stefan Solomon analyzes the majority of these scripts and also compares them to the fiction Faulkner was writing concurrently His aim to reconcile two aspects of a career that were not as distinct as they first might seem Faulkner the screenwriter and Faulkner the modernist Nobel Prize winning author As Solomon shows Faulkner adjusting to the idiosyncrasies of the screen writing process a craft he never favored or admired he offers insights into Faulkner's compositional practice thematic preoccupations and understanding of both cinema and television In the midst of this complex exchange of media and genres much of Faulkner's fiction of the 1930s and 1940s was directly influenced by his protracted engagement with the film industry Solomon helps us to see a corpus integrating two vastly different modes of writing and a restless author Faulkner was never only the southern novelist or the West Coast hack writer but always both at once Solomon's study shows that Faulkner's screenplays are crucial in any consideration of his far more esteemed fiction and that the two forms of writing are more porous and intertwined than the author himself would have us believe Here is a major American writer seen in a remarkably new way **William Faulkner Manuscripts** William Faulkner, 1987 *The Life of William Faulkner* Carl Rollyson, 2020-09-22 By the end of volume 1 of *The Life of William Faulkner* A filling satisfying feast for Faulkner aficionados Kirkus the young Faulkner had gone from an unpromising self mythologizing bohemian to the author of some of the most innovative and enduring literature of the century including *The Sound and the Fury* and *Light in August* The second and concluding volume of Carl Rollyson's ambitious biography finds Faulkner lamenting the many threats to his creative existence Feeling as an artist he should be above worldly concerns and even morality he has instead inherited only debts a symptom of the South's faded fortunes and numerous mouths to feed and funerals to fund And so he turns to the classic temptation for financially struggling writers Hollywood Thus begins roughly a decade of shuttling between his home and family in Mississippi lifeblood of his art and the backlots of the Golden Age film industry Through Faulkner's Hollywood years Rollyson introduces such personalities as Humphrey Bogart and Faulkner's long time collaborator Howard Hawks while telling the stories behind films such as *The Big Sleep* and *To Have and Have Not* At the same time he chronicles with great insight Faulkner's rapidly crumbling though somehow resilient marriage and his numerous extramarital affairs including his deeply felt if ultimately doomed relationship with Meta Carpenter In his grief over their breakup Faulkner a

dipsomaniac capable of ferocious alcoholic binges received third degree burns when he passed out on a hotel room radiator Where most biographers and critics dismiss Faulkner s film work as at best a necessary evil at worst a tragic waste of his peak creative years Rollyson approaches this period as a valuable window on his artistry He reveals a fascinating previously unappreciated cross pollination between Faulkner s film and literary work elements from his fiction appearing in his screenplays and his film collaborations influencing his later novels fundamentally changing the character of late career works such as the Snopes trilogy Rollyson takes the reader on a fascinating journey through the composition of Absalom Absalom widely considered Faulkner s masterpiece as well as the film adaptation he authored unproduced and never published Revolt in the Earth He reveals how Faulkner wrestled with the legacy of the South both its history and its dizzying racial contradictions and turned it into powerful art in works such as Go Down Moses and Intruder in the Dust Volume 2 of this monumental work rests on an unprecedented trove of research giving us the most penetrating and comprehensive life of Faulkner and providing a fascinating look at the author s trajectory from under appreciated writer s writer to world renowned Nobel laureate and literary icon In his famous Nobel speech Faulkner said what inspired him was the human ability to prevail In the end this beautifully wrought life shows how Faulkner the man and the artist embodies this remarkable capacity to endure and prevail

The Faulkner Journal ,2002 **Books in Series** ,1985 Vols for 1980 issued in three parts Series Authors and Titles **Books in Series, 1876-1949** R.R. Bowker Company,1982 *The Faulkner Newsletter & Yoknapatawpha Review* ,1981 **Manuscripts** William Faulkner,1986
