Requiem For Torchy The Life Of A Gambler:

Requiem for Torchy Tony Tripodi, 2003-01-20 When Joe Torchy Torchia the last of Sacramento's legendary great gamblers died in a hail of bullets in 1970 an era died with him In his day The Torch was many things to many people To the denizens of the back rooms and back alleys of Sacramento he was a shrewd bet maker and bookie To the tax collectors he was a scofflaw who perpetually evaded their grasp To the casino owners of Lake Tahoe he was a high roller to be put up in high style To patrons of his Buggy Whip Restaurant he was an affable host who knew good food and good times To his female admirers he was a smooth talking sharp dresser with looks to die for To his children and step children he was an affectionate and indulgent father To many observers he was an embodiment of the American dream a son of Italian immigrants who ended up in a manor house complete with acreage and horse stables To scores of Sacramento's social throw aways he was a generous benefactor whose anonymous gifts always came at unexpected times and places To the police he was and is a cold case file But to Tony Tripodi Joe Torchia was only one thing his big brother Here in a unique blend of childhood adoration tempered with adult perspective the author tells the story of Torchy's life and death It is the story of a man who defied simplistic characterization a man the likes of which Sacramento will not see again [Lost Restaurants of Sacramento and Their Recipes](#)

Bankroll Leo Katcher, 1994-03-22 Arnold Rothstein 1882-1928 was described in the newspapers of the 1920s as a sportsman a gambler and the man who fixed the 1919 World Series But he was much more than that A bootlegger and labor racketeer he corrupted politicians promoted crooked stock sales and imported narcotics And perhaps most importantly he transformed organized crime from a thuggish activity practiced by hoodlums into a big business run like a corporation with himself at the top For twenty years the name of Arnold Rothstein symbolized money big time money gambling money racket money illegal money millions upon millions of dollars His share was ninety percent of any deal he was never indicted for a single crime he always won at cards and horses And despite his involvement in dozens of murders and hundreds of other crimes his luck never ran out At least not until 1928 the year in which he was fatally shot The perpetrators and Rothstein's millions were never found The Big Bankroll is the definitive biography of the man known simply as Mr Big In it Leo Katcher reveals not only sordid details of the life of America's most powerful gambler but illuminates the whole era in which crime became king
