Jane Austen and Reflective Selfhood Linda Charlton, 2022-10-31 This book makes connections between selfhood reading practice and moral judgment which propose fresh insights into Austen's narrative style and offer new ways of reading her work It grounds her writing in the Enlightenment philosophy of selfhood exploring how Austen takes five major components of selfhood theory memory imagination probability sympathy and reflection and investigates their relation to self formation and moral judgement At the same time Austen's narrative style breaks new ground in the representation of consciousness and engages directly with contemporary concerns about reading practice Drawing analogies between reading text and reading character the book argues that Austen's rendering of reading and rereading as both reflective and constitutive acts demonstrates their capacity to enable self recognition and self formation It shows how Austen raises questions about the potential for different readings and in so doing challenges her readers to reflect on and reread their own interactions with her texts

*Re-reading Jane Austen* Meenakshi Mukherjee, Meenakshi, 1995 This book combines a feminist perspective with a non Western reading of Jane Austen The author considers how being a woman shaped Austen's literary attitudes and social thinking and brings to bear her own post colonial consciousness in understanding the economics geography and social conventions of Austen's world Analysis of the novels focuses on the way Jane Austen's treatment of interrelated issues such as marriage and professions space and enclosure art and life language and artifice provide the dynamics of narrative in her work

### **The Mind-Body Problem**

Katha Pollitt,2009-06-09 In The Mind Body Problem Katha Pollitt takes the ordinary events of life her own and others and turns them into brilliant poignant and often funny poems that are full of surprises and originality Pollitt s imagination is stirred by conflict and juxtaposition by the contrast but also the connection between logic and feeling between the real and the transcendent between our outer and inner selves Jane Austen slides her manuscript under her blotter bewildered young mothers chat politely on the playground the simple lines of a Chinese bowl in a thrift store remind the poet of the only apparent simplicities of her childhood The title poem hilariously and ruefully depicts the friction between passion and repression Perhaps my body would have liked to make some of our dates to come home at four in the morning and answer my scowl with None of your business In a sequence of nine poems Pollitt turns to the Bible for inspiration transforming some of the oldest tales of Western civilization into subversive modern parables What if Adam and Eve couldn t wait to leave Eden What if God needs us more than we need him With these moving vivid and utterly distinctive poems Katha Pollitt reminds us that poetry can be both profound and accessible and reconfirms her standing in the first rank of modern American poets
