Gideon OUSELEY (Methodist.), 1827 **The Five Principles of the Gospel** C. Matthew McMahon, 2021-03-09 What are the basic principles of the Gospel that cannot be taken from Christ's Gospel and make the Gospel not the Gospel That is a very important question to answer for on a very basic level what people believe in will determine where they will spend eternity The Gospel of Jesus Christ is bound up in eternal realities that cannot be undone after death if people get the Gospel wrong Do you believe the Gospel This work sets down and summarizes the sum and substance of the Gospel of Jesus Christ What is the sum and substance of the Gospel How would you summarize it Is it simply John 3:16 Is it what the penitent thief said to Jesus on the cross What is the Scriptural data that shows forth enough of the Gospel of Jesus Christ to make it truly Christ's Gospel McMahon answers this question by drawing mainly from the book of Isaiah The Gospel in its sum and substance or the way God was in Christ reconciling the world to himself actually contains a great amount of information the Bible is a very big book However in distilling the Gospel down to its essentials he covers the five principles of the Gospel Principle 1 God exists Principle 2 that God is man's Maker and has made humankind in his image Principle 3 the bad news that all men have sinned in Adam and are under the curse of God Principle 4 God has not left all sinners to perish under Adam's curse but has given sinners the righteousness of Jesus Christ as a garment to cover them Principle 5 God calls and draws thirsty sinners to himself through Jesus Christ freely His five main texts from Isaiah are 40:9, 54:5, 24:5, 61:10 and 55:1, 3 **Crisis on Mount Hood** Christopher Van

Rescuing Women from American Mythology Michael A. Solis, 2021-03-17 This book explores American mythology through the lens of comic books and superheroes specifically exploring the subject from an historical perspective in order to capture the origins of sexism and misogyny as found in the comic book stories that have shaped so many young people and their attitudes It provides a detailed analysis of America s inextricable relationship with sexist institutions specific historical events and cultural attitudes all of which are captured by and perpetuated in comic books TV film and advertising The implicit argument this book makes is that sexism and misogyny are not the product of nefarious individuals with overt agendas instead sexism and misogyny are products of our mythology and the associated archetypal components that shape a fabricated design of the world a design shaped by men and unwittingly agreed to by women thus perpetuating a male dominated mythological religious and historical social structure The Snake and the Condor Robert Southam, 2015-06-26 Santiago Chile at the height of Pinochet s reign of terror in the late twentieth century Julieta the Juliet of this Romeo and Juliet story and the daughter of a senior government official is to be married to the army officer of her father s choice She

attempts to escape with the boy she loves to the Peruvian Andes but her father's tentacles reach across South America and even as far as England. The young lovers are caught up in a series of gripping adventures and narrow escapes. They are helped by a courageous priest whose mission is to save opponents of Pinochet from the prisons, torture chambers and executions of the military regime. *The Snake and the Condor* is more than a retelling of one of the great love stories of world literature. It also studies the cruel effects of colonization, forced conversion and economic exploitation on non-European civilizations. It evokes the fear, suspicion and uncertainty on which tyranny and dictatorship thrive.

Envisioning Howard Finster N. J. Girardot, 2015. The Reverend Howard Finster 1916-2001 was called the backwoods William Blake and the Andy Warhol of the South and he is considered the godfather of contemporary American folk and visionary art. This book is the first interpretive analysis of the intertwined artistic and religious significance of Finster's work within the context of the American outsider art tradition. Finster began preaching as a teenager in the South in the 1930s. But it was not until he received a revelation from God at the age of sixty that he began to make sacred art. A modern-day Noah who saw his art as a religious crusade to save the world before it was too late. Finster worked around the clock, often subsisting on a diet of peanut butter and instant coffee. He spent the last years of his life feverishly creating his environmental artwork called Paradise Garden and what would ultimately number almost fifty thousand works of bad and nasty art. This was visionary work that obsessively combined images and text and featured apocalyptic biblical imagery, flying saucers from outer space and popular cultural icons such as Elvis Presley, Marilyn Monroe, Henry Ford, Mona Lisa and George Washington. In the 1980s and 90s he developed cult celebrity status and he appeared in the Venice Biennale and on the Tonight Show. His work graced the album covers of bands such as R.E.M. and Talking Heads. This book explores the life and religious artistic significance of Finster and his work from the personal perspective of religion scholar Norman Girardot, friend to Finster and his family during the later years of the artist's life.
