doesn't work for him. A late night confession to his brother changes everything and Eli realizes maybe just maybe he can come out, find himself and find love. Eli takes the plunge and creates a profile on a dating website not knowing what to expect. One night he chats with an intriguing man and despite his nervousness they arrange to meet for coffee. No big deal. They'll probably never see each other again. On the day of their first date, nothing could surprise Coby and Eli more than to discover that they live in the same apartment building on the same floor. In a city of eight million people, coincidences don't get crazier than that. But as the two men begin to weave their lives together with cautious optimism and hope for a future, they find an even greater thread holding their families together, one born from the ashes of a final solution that couldn't destroy their ancestors' courage, leaving scars that remain almost a century later. Past lives torn apart can be pieced together by a future no one could have ever imagined, where love is more than fate or coincidence. It's meant to be. *Under the Boardwalk* Felice Stevens, 2020-11-02

Beneath the famous Brooklyn landmark, love is hidden but not denied. All his life, Alexi Kharpov has dreamed of traveling to unknown, exciting places instead of working at his family's frozen custard stand on the famous Coney Island boardwalk. Every year is the same until a gorgeous man picks a spot in front of his stand to sing, captivating him with his beautiful voice. After two summers of listening, it might finally be time for him to cross that boardwalk and take a chance. Opera singer Cameron Maxwell has traveled the world, but the sight of the beautiful man serving custard to tourists touches his heart like nothing ever has before. A summer fling might be exactly what he needs to put his problems out of his mind, but the last thing Cam expects is to want the summer to last forever. It's a season of discovery for both men who learn to dig deep within their heads and hearts to decide whether secrets old and new should remain buried or if love is too important to keep hidden under the boardwalk. **Broken Silence** Felice Stevens, 2019-11-15
