## Rescuing Gloria:

**Rescued** Allen Anderson, Linda Anderson, 2010-10-05 *Rescued* tells the inspiring stories of dedicated organizations and heroic volunteers who saved animals and reunited them with loved ones after Hurricane Katrina. Heart wrenching experiences and dramatic action photos open a portal into the unheralded world of animal shelters, sanctuaries and charities that are emerging nationwide and becoming an important social movement. Chock full of lifesaving information, this book prepares you to quickly and safely evacuate with animals in any emergency.

**Going Undercover to Rescue My Daughter** Nancy J. Sage, 2006 After Sage and her husband resigned from the church of Jehovah's Witnesses, it became imperative for her to rejoin and go undercover as a member for two years in order to rescue her daughter, Christian.

**The San Francisco Mime Troupe Reader** Susan Vaneta Mason, 2013-07-03 The San Francisco Mime Troupe Reader is a long overdue collection of some of the finest political satires created and produced by the Tony Award winning company during the last forty years. It is also a history of the company that was the theater of the counterculture movement in the 1960s and that, against all odds, has managed to survive the often hostile economic climate for the arts in the United States. The plays selected are diverse, representing some of the Troupe's finest shows, and the book's illustrations capture some of the Troupe's most memorable moments. These hilarious, edgy and imaginative scripts are accompanied by insightful commentary by theater historian and critic Susan Vaneta Mason, who has been following the Troupe for more than three decades. The Mime Troupe Reader will engage and entertain a wide range of audiences, not only general readers but also those interested in the history of American social protest, the counterculture of the 1960s, particularly the San Francisco scene, and the evolution of contemporary political theater. It will also appeal to the legions of Troupe fans who return every year to see them stand up against another social or corporate Goliath.

*Legend of the White Raven* Susan Elaine Graves, 2009-11-10 The Journey of a Shero. She's a pure white raven bound by a curse. Her father was evil who killed a family. Raven picks up the baby and is stained with its blood. The mother puts a curse on her before she dies. A Shero to the people's needs. White Raven goes about doing Sheroic deeds.

*Dudley Moore* Jeff Lenburg, 2001 His acting has been compared to Chaplin and Keaton; critics have lauded his music virtuosity and his sidesplitting performances have set new standards for fun. Dudley Moore: An Informal Biography examines the life and work of this comic genius and world famous classical pianist. Lavishly illustrated, this first ever biography covers Moore's long, tough climb to fame and fortune, his triumphs and failures on the British stage and BBC network, his offscreen romances and marriages, his string of box office hits and failures, and his dramatic fall from the top as Hollywood's hottest sex symbol.

**CLOUDY SKIES: Rescued by Wren** Dorothy Callahan, 2020-06-02 In one family generation after generation relied on the magic of one Norse ring to lead them to their destined match For those who heed its advice only joy and health follow But the ring has also been known to foreshadow impending doom Ignore its truth at your peril Growing up on a farm has instilled a life long love of animals and Wren Werner has carried this love with him into adulthood He spent every penny of his inheritance retrofitting his rural childhood home into a shelter for unwanted

pets and he's happy to care for them until they find their forever home. His respect for life and nature was something his father instilled in him young and he's happy to carry on that legacy despite being inundated with more and more homeless animals and limited resources to help get them adopted. Now though his biggest problem is an old vitriolic woman who keeps calling him demanding Wren return the ten thousand dollar check she accidentally sent him. He would have had he not spent it rescuing more animals. Worse his family's magical ring keeps signaling him that this woman is his future. As if the only good thing about this ring is that his kneejerk reaction to it usually has him bumping into a certain grieving young woman he'd love to get to know better but she seems to slip in and out of his life before he can get her name let alone her phone number. He's never felt so inadequate when it comes to helping people before and he really wants to help her. If only he knew how to reach her. Emma McWilliams is emotionally and spiritually lost. Her entire world revolved around her husband Bill but he died from a fluke accident involving a stray dog a mere two years into their marriage. After his death Emma watched her entire early adulthood disappear. What was she to do with their big empty house, her unused college degree and a world of pain. Honestly her husband didn't leave her in the best position to move on or even cope. The house they'd bought is burying her. Since it's not market ready she can't sell it and without that money her college dreams of starting her own company are moot. No way is she going to her billionaire grandmother for help either that woman is convinced that Emma's as worthless as her parents who left her practically orphaned. Emma is trying to accept this new normal but every time she turns around another problem surfaces. The only highlight of her life is that one man keeps appearing just before her world turns dark cheering her up with a kind word or sweet gesture. But every time she tries to get his name to thank him he disappears. Can't a girl catch a break.

Infinity to the Rescue Tracy Falbe, 2024-10-01 Celeste Sterling was about to graduate from university on the planet Isis. Instead she ends up the obsession of a colonel in the security services of President Prescott. Her shocking change in circumstances puts events into motion that place her in command of the Infinity. It's a deep space rescue ship of awesome size meant to save travelers lost in space. Each of the three species in the galactic Trio Alliance receive one of these incredible vessels from the Givers, the mysterious super beings who have given space travel technology to select species. The ship exists to perform peaceful missions but its immense capabilities have made it a prize in the brewing conflict between human political factions. The existing government of President Prescott wants the Infinity controlled by loyalists whereas the Correctionists led by the exiled Earth Fanatic Richard Roanoke want its resources to support their rebellion. When Roanoke escapes from death row on the planet Hexex, Celeste and the Infinity receive his call for rescue in deep space. Now Celeste finds herself facing terrorism charges and fighting for her life in a galaxy where humans are divided between Prime Planets and Slum Planets. She must try to avoid capture and challenge the terrorism charges lobbed against her by the Prescott regime. She places her hopes in the Galactic Court overseen by the three space-faring species of the Milky Way but she has to get there first. Infinity to the Rescue is an exciting space opera set hundreds of years in the future after humanity has

colonized the stars The story imagines a multi planet civilization where humans have overcome their ecologically destructive habits but still cling to the old oppressive ways of ruling society
