A Pope and a President Paul Kengor, 2023-07-18 Even as historians credit Ronald Reagan and Pope John Paul II with hastening the end of the Cold War they have failed to recognize the depth or significance of the bond that developed between the two leaders Acclaimed scholar and bestselling author Paul Kengor changes that In this fascinating book he reveals a singular bond which included a spiritual connection between the Catholic pope and the Protestant president that drove the two men to confront what they knew to be the great evil of the twentieth century Soviet communism Reagan and John Paul II almost didn't have the opportunity to forge this relationship just six weeks apart in the spring of 1981 they took bullets from would be assassins But their strikingly similar near death experiences brought them close together to Moscow's dismay Based on Kengor's tireless archival digging and his unique access to Reagan insiders A Pope and a President is full of revelations It takes you inside private meetings between Reagan and John Paul II and into the Oval Office the Vatican the CIA the Kremlin and many points beyond Nancy Reagan called John Paul II her husband's closest friend Reagan himself told Polish visitors that the pope was his best friend When you read this book you will understand why As kindred spirits Ronald Reagan and John Paul II united in pursuit of a supreme objective and in doing so they changed history

Voices in the Drum R. David Edmunds, 2023-10-24 The history of indigenous peoples in North America is long and complex Many scholarly accounts now rely on statistical data to reconstruct this past but amid all the facts and figures it is easy to lose sight of the human side of the story How did Native people express their thoughts and feelings and what sources of strength did they rely on to persevere through centuries of change In this engaging narrative acclaimed historian R. David Edmunds combines careful research with creative storytelling to give voice to indigenous individuals and families and to illustrate the impact of pivotal events on their lives A nonfiction account accompanies each narrative to provide necessary historical and cultural context Voices in the Drum features nine stories each of which focuses on a fictional character who is a composite or representation of historical people This series of portrayals takes the reader on an epic journey through time beginning in the early 1400s with the Mound Builder cultures and ending with the modern day urbanization of Native people Along the way we observe fictional characters interacting with real historical figures such as

Anthony Wayne Tecumseh and John Sutter and taking part in actual events such as the Battle of Fallen Timbers the Trail of Tears the California gold rush and the forced removal of Native children to off reservation boarding schools The people portrayed in these pages belong to various tribes including Potawatomis Lakotas Oneidas and Cherokees Their individual stories ranging from humorous to tragic give readers a palpable sense of how tribal peoples reacted to the disruptive changes forced on them by European colonizers and U S government policies Both entertaining and insightful the stories in this volume traverse a range of time periods events themes and genres As such they reverberate like voices in the drum inviting readers of all backgrounds to engage anew with the rich history and cultures of indigenous peoples *Shop-Bought Flowers* Yvonne Dykes,2024-03-28 Sixties teenager Rose Fuller dreams of leaving her derelict basement flat and abusive father When she finally escapes she is thrown into the dark underbelly of Notting Hill s gang wars *The Judgment* Beverly Lewis,2011-04-05 Lewis the top name in Amish fiction pens a tale of two sisters struggling to find love acceptance and their place in the Amish community *Cultural Landscape Report for John Muir National Historic Site: Treatment* Jeffrey Killion,2005 *Treatment* Jeffrey Killion,2005
