Roses Are Forever:

Forever Driven Kathleen Brooks,2016-07-19 Driven to fight for her town driven to fight for love Riley Davies never backs down from a fight She stands up for herself and those who can't stand up for themselves But she is just the manager of a farm and can only do so much until a political matter threatens to ruin her farm and the town she loves Driven to fight the injustice of losing the farm and having the town of Keeneston destroyed Riley dusts off her cowboy boots and runs for the State Legislature State Trooper Matt Walz has always been the lone trooper assigned to Keeneston since he was a rookie And sometimes it takes stepping away from the place and people you love to discover you want to come back Matt finds out Riley the woman who had sparked his interest before he left Keeneston is embroiled in political intrigue and insists on being the one to protect her Now Riley and the entire town are in danger due to someone looking to run their own political game even if it means murder

Forever Connected Kathleen Brooks,2023-08-08 Years ago on the darkest night of Poppy and Zinnia's lives they got a letter It was from three elderly sisters in the small town of Keeneston inviting them to visit and if interested take a job The Rose Sisters had wanted to retire but they'd wanted family to take over their small caf Poppy and Zinnia Meadows orphaned alone and in danger left in the dead of night and raced toward the hope of a future they knew may come crashing down at any moment That moment is now Talon Bainbridge and Lucas Sharpe are teammates in the FBI's Hostage Rescue Team based near Keeneston The two friends have both fallen hard for the Meadows sisters but suddenly the girls end what never had the chance to begin Something was going on but neither Poppy nor Zinnia would tell them what it was when all they wanted to do was to help the women they loved from afar Poppy had been hiding a secret from her older sister and everyone in Keeneston Someone knew what happened that graduation night back in Alabama when their lives changed forever They'd been taunting Poppy for almost a year As they approached the anniversary of the night their lives changed the threats had escalated With no other option Poppy comes clean to Zinnia They turn to Talon and Lucas the two men they trust most to protect them from the past knowing they may have to sacrifice their future to do so Atlantic Monthly ,1876 Forever Secret

Kathleen Brooks,2017-01-24 Sophie Davies has a secret in fact she has quite a few secrets Sophie Davies is the head of weapon development for a private firm contracted with the Department of Defense Because of her knowledge and high security clearances she has kept her job a secret for fear of kidnapping and sabotage She always knew some groups would kill to learn what she knows and now someone is trying to do just that Nash Dagher trained to become an elite weapon for the Rahmi Royal Family while he served at their horse farm in Keeneston But for the past two years Nash has been running an operation for the King an operation once completed would result in his promotion to the head of security for the entire royal family in Rahmi But when Nash discovers a threat against Sophie he must decide what is more important the job of his dreams or the life of the woman he loves But will Sophie allow him back in her life The Atlantic Monthly ,1876

Forever Paired Kathleen Brooks,2023-01-24 Landon Davies had worked hard to start his own restaurant It was a very

different path than most of his family had taken He was one of the few family members that were not military or law enforcement But his hard work had given him a restaurant that was beginning to take off when a woman s scream in the alley outside his kitchen changed everything Kate Ellington had scratched clawed and outright fought for where she was in life She was the first female passing game coordinator in professional football Some people thought that made her the team s weak link and a perfect target for exploitation But Kate refused to cheat even if it put her life in danger When Landon saved Kate in the alley it didn t just earn him a kiss It earned him a target on his back Now Landon isn t just taking on restaurant critics but the people looking to manipulate the sports betting world As Landon and Kate take on these threats they find their reputations their lives and their hearts are on the line *Forever Covert* Kathleen Brooks,2024-01-12 Kale Mueez just wants to work on his computer programs and okay some not so legal hacking Even though he sold one of his computer software companies for more money than he d ever need he wasn t one to sit back and do nothing That is especially true since his father is a super soldier known around the world After spending time in the army Kale returns home to his small town of Keeneston working to hunt down The Panther the one elusive criminal that s ever escaped Kale Until a wrong number changed everything Delaney Warner worked in military intelligence so when she accidentally texted the wrong number about standing her up on a date she felt silly She blamed stress at work for her lack of dating life and the wrong number text Too bad she can t get the short conversation with the man at the end of her wrong number out of her mind When The Panther presents a threat a wrong number turns into more than either Kale or Delaney ever imagined *Forever Concealed* Kathleen Brooks,2017-09-19 Can love find a way when truth is concealed Gabe Ali Rahman is the standby heir to the crown and he s okay with that So what that he s gotten the reputation of being a playboy prince He s had a lot of fun along the way But now he wants more in life than casual flings When his king asks him to negotiate a peace treaty Gabe sees his chance to prove himself as something more than tabloid fodder But when he rescues a woman from unwanted attention at a bar late one night Gabe conceals his identity He could never imagine the connection he would form and the trouble that came with that little white lie Sloane Holiday just wanted to keep her nose down as she finished her Master s degree Without the help from the family she left behind Sloane depended on waitressing at night to pay for school Everything was going according to plan until one night someone noticed her Sloane was rescued by a dark and handsome man whose touch left her realizing just how alone she really was The unwanted attention eventually led to gunshots and this mysterious man now insisting on protecting her Can Gabe and Sloane survive when truths are concealed or can love conquer all **Roses are Forever** Lucy Carter,2002-11-01 **Forever Surprised** Kathleen Brooks,2017-07-24
