Roses Of The West Images Of America:

Traditional Country & Western Music Karl Anderson, 2020 Traditional Country Western Music presents historical photographs memorabilia and stories about an enduring music genre that took root in America from the late 1920s through the mid 1930s Although many of our early folk songs originated from the British Isles Jimmie Rodgers the Father of Country Music and Gene Autry America's Favorite Singing Cowboy became the foundation of modern country and western music Many regional styles and variations of country and western music developed during the first half of the 20th century including hillbilly bluegrass honky tonk rockabilly southern gospel Cajun and Texas swing Local artists live radio shows and regional barn dance programs provided entertainment throughout the Great Depression World War II and into America's postwar years During the 1950s country and western music became homogenized with the Nashville sound and the Bakersfield sound By the end of the 1960s country music completed its move to Nashville and western was dropped from the equation This book recalls the golden age of country and western music from the late 1920s through the 1960s Each of the featured artists and programs in this book were once household names We celebrate these early legends live radio and television shows unsung heroes and local performers from Maine to California *Laura Ingalls Wilder and Rose Wilder Lane*

John E. Miller, 2008-12-03 The mother daughter partnership that produced the Little House books has fascinated scholars and readers alike Now John E Miller one of America's leading authorities on Laura Ingalls Wilder and Rose Wilder Lane combines analyses of both women to explore this collaborative process and shows how their books reflect the authors distinctive views of place time and culture Along the way he addresses the two most controversial issues for Wilder Lane aficionados how much did Lane actually contribute to the writing of the Little House books and what was Wilder's real attitude toward American Indians Interpreting these writers in their larger historical and cultural contexts Miller reconsiders their formidable artistic political and literary contributions to American cultural life in the 1930s He looks at what was happening in 1932 from depression conditions and politics to chain stores and celebrity culture to shed light on Wilder's life and he shows how actual little houses established ideas of home that resonated emotionally for both writers In considering each woman's ties to history Miller compares Wilder with Frederick Jackson Turner as a frontier mythmaker and examines Lane's unpublished history of Missouri in the context of a contemporaneous project Thomas Hart Benton's famous Jefferson City mural He also looks at Wilder's Missouri Ruralist columns to assess her pre Little House values and writing skills and he readdresses her literary treatment of Native Americans A final chapter shows how Wilder's and Lane's conservative political views found expression in their work separating Lane's more libertarian bent from Wilder's focus on writing moralist children's fiction These nine thoughtful essays expand the critical discussion on Wilder and Lane beyond the Little House Miller portrays them as impassioned and dedicated writers who were deeply involved in the historical changes and political challenges of their times and contends that questions over the books authorship do not do justice to either woman's creative

investment in the series Miller demystifies the aura of nostalgia that often prevents modern readers from seeing Wilder as a real life woman and he depicts Lane as a kindred artistic spirit helping readers better understand mother and daughter as both women and authors **Prologue** ,2015 **Rose Deluxe Timelines** Rose Publishing,2023-01-01 This fully reproducible Rose Deluxe Timelines is packed with over 2 600 key Bible events in Bible and Christian history and features illustrations summaries and more Enjoy these amazing features Side by side 32 timeline foldoutsIllustrated and color codedFullyreproducibleAnd more Imagine having dozens of timelines on any Bible or church topic you could want from Abraham and Isaac to the invention of the Gutenberg Press and Martin Luther King Jr all packed into one amazing book See thousands of key events people and places at a glance in Rose s new Deluxe Timelines book Enjoy Dozens of Full Color Illustrated Timelines at Your Fingertips Rose Deluxe Timelines is the ultimate resource for Bible and Christian history With thousands of key dates people and events each timeline is uniquely designed and features hundreds of photos and illustrations to enhance learning These 28 timelines range from quick overviews offering the big picture of Bible and church history to large detailed timelines that fold out up to 32 inches Here s a peek at what s inside 20 Bible TimelinesBook of Genesis 120 key events peopleBible Characters Individual timelines for 8 major Bible figuresLife of Jesus Life ministry of Christ in the GospelsJerusalem 140 events from King David to todayAnd more 7 Christian History TimelinesThe Early Church Persecution growth heresies martyrs early theologiansReformation John Wycliffe Martin Luther to the Pilgrims King James BibleHow We Got the Bible How Scripture was copied translated passed downFaith in America 150 events from the Colonial Period through the Civil WarAnd more Key Features of Rose Deluxe Timelines Bible Christian HistoryIllustrated and full color These visually attractive timelines provide extra depth and reference to your Bible study experience with illustrations and photographs Don t just read about people places and events see them Easy to read With bold headers color coding and easy to see text it s never been easier to absorb key information at a glance Reproducible Make up to 300 copies for your students or congregationAll in one This timeline resource is jam packed with timelines covering all the need to know subjects of the Old and New Testaments Christian history the Epistles Bible history and so much more Covers Every Major Time Period and Thousands of Key People Events Old New Testament Adam Abraham Isaac and JacobMoses and the ExodusMajor and Minor ProphetsJesus birth baptism death resurrection and ascensionPaul s missionary journeys and martyrdomRuth Deborah Jabez and 100 fascinating women from both TestamentsWorld Church History The Trojan War the Egyptian pyramids the founding of Rome Cleopatra s ruleThe emergence of the Eastern Orthodox Church the Protestant Reformation and PuritanismDiscovery of the Dead Sea ScrollsThe Gutenberg PressThe eruption of Mount VesuviusDive Into Fascinating Facts with The Rose Deluxe Timelines Book It s never been easier to absorb incredible facts about the Christian and world history at a glance For example did you know that the fish has been a symbol of Christianity since 150 AD Did you know St Augustine was alive at the time of the Mongol invasion of Europe the Japanese colonization of Korea and the split of the Roman Empire
