The Poet of Tolstoy Park Sonny Brewer, 2006-03-28 The more you transform your life from the material to the spiritual domain the less you become afraid of death Leo Tolstoy spoke these words and they became Henry Stuart s *raison d etre* The Poet of Tolstoy Park is the unforgettable novel based on the true story of Henry Stuart s life which was reclaimed from his doctor s belief that he would not live another year Henry responds to the news by slogging home barefoot in the rain It s 1925 The place Canyon County Idaho Henry is sixty seven a retired professor and a widower who has been told a warmer climate would make the end more tolerable San Diego would be a good choice Instead Henry chose Fairhope Alabama a town with utopian ideals and a haven for strong minded individualists Upton Sinclair Sherwood Anderson and Clarence Darrow were among its inhabitants Henry bought his own ten acres of piney woods outside Fairhope Before dying underscored by the writings of his beloved Tolstoy Henry could begin to perfect the soul awarded him and rest in the faith that he and all people would succeed even if it took eons Human existence Henry believed continues in a perfect circle unmarred by flaws of personality irrespective of blood and possessions and rank and separate from organized religion In Alabama until his final breath he would chase these high ideas But first Henry had to answer up for leaving Idaho Henry s dearest friend and intellectual sparring partner Pastor Will Webb and Henry s two adult sons Thomas and Harvey were baffled and angry that he would abandon them and move to the Deep South living in a barn there while he built a round house of handmade concrete blocks His new neighbors were perplexed by his eccentric behavior as well On the coldest day of winter he was barefoot a philosopher and poet with ideas and words to share with anyone who would listen And mysteriously his last few months became years He had gone looking for a place to learn lessons in dying and studiously advanced to claim a vigorous new life The Poet of Tolstoy Park is a moving and irresistible story a guidebook of the mind and spirit that lays hold of the heart Henry Stuart points the way through life s puzzles for all of us becoming in this timeless tale a character of such dimension that he seems more alive now than ever

Istanbul Orhan Pamuk, 2006-12-05 From the Nobel Prize winner and acclaimed

author of *My Name is Red* comes a portrait of Istanbul by its foremost writer revealing the melancholy that comes of living amid the ruins of a lost empire. Delightful, profound, marvelously original. Pamuk tells the story of the city through the eyes of memory. *The Washington Post Book World*: A shimmering evocation by turns intimate and panoramic of one of the world's great cities by its foremost writer. Orhan Pamuk was born in Istanbul and still lives in the family apartment building where his mother first held him in her arms. His portrait of his city is thus also a self-portrait refracted by memory and the melancholy or *hüzün* that all Istanbulis share. With cinematic fluidity Pamuk moves from his glamorous unhappy parents to the gorgeous decrepit mansions overlooking the Bosphorus from the dawning of his self-consciousness to the writers and painters both Turkish and foreign who would shape his consciousness of his city. Like Joyce's *Dublin* and Borges' *Buenos Aires*, Pamuk's *Istanbul* is a triumphant encounter of place and sensibility, beautifully written and immensely moving.
