Ross Macdonald:

Ross MacDonald Tom Nolan, 2015-07-07 When he died in 1983 Ross Macdonald was the best known and most highly regarded crime fiction writer in America Long considered the rightful successor to the mantles of Dashiell Hammett and Raymond Chandler Ross Macdonald and his Lew Archer novels were hailed by The New York Times as the finest series of detective novels ever written by an American Now in the first full length biography of this extraordinary and influential writer a much fuller picture emerges of a man to whom hiding things came as second nature While it was no secret that Ross Macdonald was the pseudonym of Kenneth Millar a Santa Barbara man married to another good mystery writer Margaret Millar his official biography was spare Drawing on unrestricted access to the Kenneth and Margaret Millar Archives on more than forty years of correspondence and on hundreds of interviews with those who knew Millar well author Tom Nolan has done a masterful job of filling in the blanks between the psychologically complex novels and the author's life both secret and overt Ross Macdonald came to crime writing honestly Born in northern California to Canadian parents Kenneth Millar grew up in Ontario virtually fatherless poor and with a mother whose mental stability was very much in question From the age of twelve young Millar was fighting stealing and breaking social and moral laws by his own admission he barely escaped being a criminal Years later Millar would come to see himself in his tales wrongdoers I don't have to be violent he said My books are How this troubled young man came to be one of the most brilliant graduate students in the history of the University of Michigan and how this writer who excelled in a genre all too often looked down upon by literary critics came to have a lifelong friendship with Eudora Welty are all examined in the pages of Tom Nolan's meticulous biography We come to a sympathetic understanding of the Millars long and sometimes rancorous marriage and of their life in Santa Barbara California with their only daughter Linda whose legal and emotional traumas lie at the very heart of the story But we also follow the trajectory of a literary career that began in the pages of Manhunt and ended with the great respect of such fellow writers as Marshall McLuhan Hugh Kenner Nelson Algren and Reynolds Price and the longtime distinguished publisher Alfred A Knopf As Ross Macdonald A Biography makes abundantly clear Ross Macdonald's greatest character above and beyond his famous Lew Archer was none other than his creator Kenneth Millar

Nietzel, 1985 Private Eyes is the complete map to what Raymond Chandler called the mean streets the exciting world of the fictional private eye It is intended to entertain current PI fans and to make new ones Ross Macdonald: Four Later Novels (LOA #295) Ross Macdonald, Tom Nolan, 2017-07-11 From his vantage point in Southern California and through the eyes of his great creation private eye Lew Archer Ross Macdonald the pseudonym of Kenneth Millar fashions a haunting startlingly immediate vision of modern America a swirling mix of sexual exploitation intergenerational conflict racial animosities and ecological disaster In Black Money Archer is hired to find a wealthy man gone missing and soon finds himself investigating a suspicious seven year old suicide The case becomes a peeling away of many levels of deception delusion and false identity Exploring themes of immigration and border crossing central to Macdonald's own life Black Money also pays homage to The Great Gatsby one of his favorite books The Instant Enemy begins with Archer's search for a runaway teenage daughter and her troubled possibly murderous boyfriend a search that uncovers a morass of hidden wrongs In an emotionally intense work that reflects the chaos and conflicts of his family's troubled past Macdonald gives indelible and ultimately tragic expression to the generational conflict and drug culture of the DJHCs An investigation into a rather peculiar burglary takes a drastic turn with the discovery of a body in an abandoned car on a beach in The Goodbye Look the book that sealed Macdonald's

reputation as the preeminent crime novelist of his time Tracking a stolen heirloom Archer follows a trail of violence that lays bare a miasma of buried secrets and unforgotten traumas In our day wrote Eudora Welty it is for such a novel as The Underground Man that the detective form exists A raging wildfire stirred by the Santa Ana winds serves as prelude to a chain of kidnapping and murder Youthful rebellion is pitted against the hypocrisies of the older generation in a novel in Welty's estimation not only exhilaratingly well done it is also very moving LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries Black Money Ross Macdonald, 2011-06-15 When Lew Archer is hired to get the goods on the suspiciously suave Frenchman who's run off with his client's girlfriend it looks like a simple case of alienated affections Things look different when the mysterious foreigner turns out to be connected to a seven year old suicide and a mountain of gambling debts Black Money is Ross Macdonald at his finest baring the skull beneath the untanned skin of Southern California's high society
