Round Trip To Nowhere:

Left on Base in the Bush Leagues Gaylon H. White, 2019-05-30 There was a time when no town was too small to field a professional baseball team In 1949 the high point for the minor leagues there were 59 leagues and 464 cities with teams two thirds of them in so called bush leagues classified as C and D Most of the players were strangers outside the towns where they played but some achieved hero status and enthralled local fans as much as the stars in the majors Left on Base in the Bush Leagues Legends Near Greats and Unknowns in the Minors profiles some of the most fascinating characters from baseball s golden era It includes the stories of players such as Ron Necciai the only pitcher in history to strike out 27 batters in a single game Joe Brovia one of the most feared hitters to ever play in the Pacific Coast League PCL who had to wait 15 years for a shot in the majors and Pat Stasey a mellow Irishman who Cubanized minor league baseball in Texas and New Mexico helping to bring down the walls of segregation Compelling and timeless their stories touch on many issues that still affect the sport today Left on Base in the Bush Leagues provides an entertaining glimpse into a time when baseball was a game and the players were regular guys who often held second jobs off the field Featuring hundreds of personal interviews with the players their teammates managers and opponents this book creates a colorful tapestry of the minor leagues during the 1950s and 60s

In Search of the Essence of Place Petr Kral, 2012-10-16 Armed only with his poetic sensibility Petr Kral sets out to explore our relationship with the places that we inhabit and with the apparently unremarkable everyday objects which often inform and enrich our lives Kral bears witness to Flaubert s observation that in order for something to become interesting we simply have to look at it for a long time He reveals not only the inner life the very essence of mundane objects and places but also simple yet profound truths about ourselves Pushkin Collection editions feature a spare elegant series style and superior durable components The Collection is typeset in Monotype Baskerville litho printed on Munkens Premium White Paper and notch bound by the independently owned printer TJ International in Padstow The covers with French flaps are printed on Colorplan Pristine White Paper Both paper and cover board are acid free and Forest Stewardship Council FSC certified
