Lost Hearts in Italy Andrea Lee,2007-05-22 The Italian phrase Mai due senza tre never two without three forms the basis of Andrea Lee s spellbinding novel of betrayal Sophisticated and richly told *Lost Hearts in Italy* reveals a trio caught in the grip of desire deception and remorse When Mira Ward an American relocates to Rome with her husband Nick she looks forward to a time of exploration and awakening Young beautiful and in love Mira is on the verge of a writing career and giddy with the prospect of living abroad On the trip over Mira meets Zenin an older Italian billionaire who intrigues Mira with his coolness and worldly mystique A few weeks later feeling idle and adrift in her new life Mira agrees to a seemingly innocent lunch with Zenin and is soon catapulted into an intense affair which moves beyond her control more quickly than she intends Her job as a travel writer allows clandestine trysts and opulent getaways with Zenin to Paris Monte Carlo London and Venice and over the next few years now the mother of a baby daughter she struggles between resisting and relenting to this man who has such a hold on her As her marriage erodes so too does Mira s sense of self until she no longer resembles the free spirit she was on her arrival in the on her arrival in the Eternal City Years later Mira and Nick now divorced and remarried to others look back in an attempt to understand their history while a detached Zenin assesses his own life and his role in the unlikely love triangle Each recounts the past aided by those witness to their failure and fallout An elegant raw and emotionally charged read *Lost Hearts in Italy* is a classic coming of age story in which cultures collide innocence dissolves and those we know most intimately remain foreign to us

[Pray For Them](#) Trisha Fenimore,2023-05-23 Absolutely brilliant excruciatingly honest Indies Today 2023 EDITOR S PICK 2022 BOOK OF THE YEAR SEMI FINALIST FIVE STAR RECIPIENT Indies Today GOLD BADGE RECIPIENT The International Review of Books Trisha Fenimore had a long list of things she never wanted to become By her early twenties she had become most of them Racist Hate filled Addicted Poor And finally Christian More than anything else Trisha vowed she would never become a Christian One day she realized the very thing she was running from might actually be her escape route away all the rest In

2014 while riding the New York City subway to a dead end job it dawned on the young woman that despite all her best efforts she had nevertheless become racist herself Following this profound realization Trisha sought guidance from an older Christian mentor and received advice which was simple though far from easy After over a year of prayer practice and failures too numerous to count she felt God call her to the most unlikely place of all a predominantly black seminary school in Harlem New York Trisha's time as the only white student in her class proved revelatory But she soon learned that when you've danced with the devil for so long you don't get to choose when the music stops From becoming an atheist at age eleven in the rural Midwest to attending a historically black seminary in Harlem to bringing the gospel to convicts in America's most notorious prison *Pray For Them* is a gritty searingly honest coming of age memoir about a young American woman's struggle through the good and evil which reside in all of us as well as her desperate search to find God and herself

The Adventures of Pinocchio Carlo Collodi, 2021-09-14 revelatory new edition of the most widely translated Italian book in the world soon to be a Netflix animated feature film co directed and co written by Guillermo del Toro and voiced by Ewan McGregor Cate Blanchett Christoph Waltz John Turturro and Tilda Swinton A Penguin Classic Carved from a piece of wood by the old carpenter Geppetto the puppet Pinocchio comes to life and wants nothing more than to be a real boy But while this beloved character has achieved literary immortality he is ultimately misunderstood He has a penchant for lying to be sure but it's when he avoids going to school that he repeatedly gets into trouble making *The Adventures of Pinocchio* an unusually timely novel about the importance of education in our increasingly authoritarian times to prevent our strings being pulled This effervescent new translation captures the antic spirit that makes the mischievous egotistical and easily distracted Pinocchio a late nineteenth century prototype for the likes of Bart Simpson Featuring copious annotations informed by the translators deep knowledge of Italy it reveals the novel to be not only a subversively entertaining children's book but also a sophisticated satire reflecting the author's concern for the social inequality of his time and his belief that duty to others is at the core of our humanity
