Royal Family 1st Edition:

Representing Royalty Julia Kinzler, 2018-07-27 Since the early days of cinema filmmakers have been intrigued by the lives and loves of British monarchs The most recent productions by ITV and Netflix show that the fascination with British royalty continues unabated both in Britain and around the world This book examines strategies of representing power and the staging of myths of power in seven popular films about British monarchs that were made after the mid 1990s revival of the royal biopic genre By combining approaches from cultural studies with concepts and theories from the humanities such as film studies and art history it offers a comprehensive understanding of the cinematic portraits of royalty In addition the volume opens up new perspectives on how meaning is generated in films about the monarchy and on the connections between the biographical narratives The introductory chapter to the case studies reviews the different academic positions on representations of royalty provides a toolkit for studying the subject and demonstrates ways to approach the films The book addresses questions of historical context and goes beyond a mere exploration of historical accuracy to reveal the films underlying ideological aims As such it makes a distinctive new contribution to the growing body of interdisciplinary work on the British monarchy in general and its cinematic representations in particular It is the first monograph about representational mechanisms of royal identities and British past s in royal films such as *Elizabeth The Queen* and *The King s Speech*

The Publisher ,1908 **Genealogies Cataloged by the Library of Congress Since 1986** Library of Congress,1991 The bibliographic holdings of family histories at the Library of Congress Entries are arranged alphabetically of the works of those involved in Genealogy and also items available through the Library of Congress **Lords of the Rinks** John Chi-Kit Wong,2005-12-15 No sport is as important to Canadians as hockey Though there may be a great many things that divide the country the love of hockey is perhaps its single greatest unifier Before the latest labour unrest in the National Hockey League NHL however it was easy to forget that hockey is also a multi million dollar business run not by the athletes or coaches but by corporate boards and businessmen The *Lords of the Rinks* documents the early years of hockey s professionalization and commercialization and the emergence of a fledgling NHL from 1875 to 1936 As the popularity of hockey grew in Canada in the late nineteenth century so too did its commercial aspects and players club directors rink owners fans and media had developed deep emotional economic and ideological interests in the sport Disagreement came in the ways and means of how organized hockey especially at the elite level should be managed Hence some coordination by way of governing bodies was required to maintain a semblance of order These early administrative bodies tried to maintain a structure that would help to coordinate the various interests set up standards of behaviour and impose mechanisms to detect and punish violators of governance In 1917 the NHL held its first games and by 1936 had become the dominant governing body in professional hockey Having performed extensive research in the NHL archives including league meeting minutes letters memos telegrams as well as gate receipt reports John Chi Kit Wong traces the commercial roots of hockey and argues

that in its organized form the sport was rarely if ever without some commercial aspects despite labels such as amateur and professional The Lords of the Rinks is the only truly comprehensive and scholarly history of the league and the business of hockey Electronic Format Disclaimer The image on page 22 has been removed at the request of the rights holder **The Rise and Fall of the EAST** Yasheng Huang,2023-08-29 The long history of China s relationship between stability diversity and prosperity and how its current leadership threatens this delicate balance Riveting Tunku Varadarajan Wall Street Journal A Foreign Affairs Best Book of 2023 Chinese society has been shaped by the interplay of the EAST exams autocracy stability and technology from ancient times through the present Beginning with the Sui dynasty s introduction of the civil service exam known as Keju in 587 CE and continuing through the personnel management system used by the Chinese Communist Party CCP Chinese autocracies have developed exceptional tools for homogenizing ideas norms and practices But this uniformity came with a huge downside stifled creativity Yasheng Huang shows how China transitioned from dynamism to extreme stagnation after the Keju was instituted China s most prosperous periods such as during the Tang dynasty 618 907 and under the reformist CCP occurred when its emphasis on scale the size of bureaucracy was balanced with scope diversity of ideas Considering China s remarkable success over the past half century Huang sees signs of danger in the political and economic reversals under Xi Jinping The CCP has again vaulted conformity above new ideas reverting to the Keju model that eventually led to technological decline It is a lesson from China s own history Huang argues that Chinese leaders would be wise to take seriously **The history of the caliph Vathek. Pr. verbatim from 1st ed., with the original prefaces and notes by Henley** William Beckford,1869 Catalog of Copyright Entries, Third Series Library of Congress. Copyright Office,1948 *Let's Go Japan 1st Ed* Let's Go Inc.,2003-12 The Resource for the Independent Traveler For over forty years Let s Go Travel Guides have brought budget savvy travelers closer to the world and its diverse cultures by providing the most up to date information Includes Entries at all price levels with money saving advice for this expensive country Must have tips for planning your trip getting around and staying safe Detailed coverage of food and drink including a Fukuoka noodle tour A crash course in Japanglish to help communicate with locals Extensive coverage of the island paradise of Okinawa Detailed maps of cities towns and the outdoors Featuring not to be missed Experiences Cultural Connections Sink into sake at a spectacular bathhouse theme park Inside Scoops Hidden Deals Save thousands of yen on flights within Japan Off the Beaten Path Sip pineapple wine at the blissful Nago Pineapple Park Get advice read up and book tickets at www.letsgo.com *Genealogies in the Library of Congress* Marion J. Kaminkow,2012-09 Vol 1 905p Vol 2 961p Publishers' Circular and Booksellers' Record of British and Foreign Literature ,1891
