Of Miss Rossetti's poetry, her brother's admirable edition presents four hundred and fifty-eight double

column pages some twenty thousand verses The editor's pleasant task has been to select six thousand lines approximately one fourth with capital reference to young readers That the selection will be generally satisfactory he cannot hope when it is somewhat unsatisfactory to himself Unlike most poets Miss Rossetti is almost uniformly excellent She does not particularly need suppression nor exploitation Open where you will and you shall have artistic work Often the aim in view will direct alone choice of this or rejection of that poem The personal equation is sometimes only an expression of individual taste In this edition her cheerful poems have been preferred as most suitable to the supremely important period of adolescence Inasmuch as Miss Rossetti is little known even to the lover of poetry and inasmuch as her eminence is scarcely appreciated afar off by the public it is deemed preferable to give such variorum criticism by men and women who speak authoritatively as shall lead the student to rely the more strongly upon his own favorable judgments That this superb woman is a poet any About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
