Through the Perilous Fight Steve Vogel,2014-05-27 In a rousing account of one of the critical turning points in American history Through the Perilous Fight tells the gripping story of the burning of Washington and the improbable last stand at Baltimore that helped save the nation and inspired its National Anthem In the summer of 1814 the United States of

America teetered on the brink of disaster The war it had declared against Great Britain two years earlier appeared headed toward inglorious American defeat The young nation s most implacable nemesis the ruthless British Admiral George Cockburn launched an invasion of Washington in a daring attempt to decapitate the government and crush the American spirit The British succeeded spectacularly burning down most of the city s landmarks including the White House and the Capitol and driving President James Madison from the area As looters ransacked federal buildings and panic gripped the citizens of Washington beleaguered American forces were forced to regroup for a last ditch defense of Baltimore The outcome of that perilous fight would help change the outcome of the war and with it the fate of the fledgling American republic In a fast paced character driven narrative Steve Vogel tells the story of this titanic struggle from the perspective of both sides Like an epic novel Through the Perilous Fight abounds with heroes villains and astounding feats of derring do The vindictive Cockburn emerges from these pages as a pioneer in the art of total warfare ordering his men to knock down burn and destroy everything in their path While President Madison dithers on how to protect the capital Secretary of State James Monroe personally organizes the American defenses with disastrous results Meanwhile a prominent Washington lawyer named Francis Scott Key embarks on a mission of mercy to negotiate the release of an American prisoner His journey will place him with the British fleet during the climactic Battle for Baltimore and culminate in the creation of one of the most enduring compositions in the annals of patriotic song The Star Spangled Banner Like Pearl Harbor or 9 11 the burning of Washington was a devastating national tragedy that ultimately united America and renewed its sense of purpose Through the Perilous Fight combines bravura storytelling with brilliantly rendered character sketches to recreate the thrilling six week period when Americans rallied from the ashes to overcome their oldest adversary and win themselves a new birth of freedom Praise for Through the Perilous Fight Very fine storytelling impeccably researched brings to life the fraught events of 1814 with compelling and convincing vigor Rick Atkinson Pulitzer Prize winning author of An Army at Dawn Probably the best piece of military history that I have read or reviewed in the past five years This well researched and superbly written history has all the trappings of a good novel No one who hears the national anthem at a ballgame will ever think of it the same way after reading this book Gary Anderson The Washington Times Steve Vogel does a superb job A fast paced narrative with lively vignettes Joyce Appleby The Washington Post Before 9 11 was 1814 the year the enemy burned the nation s capital A splendid account of the uncertainty the peril and the valor of those days Richard Brookhiser author of James Madison A swift vibrant account of the accidents intricacies and insanities of war Kirkus Reviews **Annapolis, City on the Severn** Jane W. McWilliams,2011-06-15 As unique as the city it describes Annapolis City on the Severn builds on the most recent scholarship and offers readers a fascinating portrait into the past of this great city The Light of the Oracle Victoria Hanley,2009-03-25 Bryn is the daughter of a humble stone cutter So no one is more surprised than she when the Master Priest seeks her out to become a student at the famous Temple of the Oracle a training school for future priests and

priestesses But her innately gifted nature proves a threat to the evil embedded within the Temple and Bryn encounters unimaginable danger Is she able to struggle with the unknown and to save the whole world from untold misery Or will the powers of darkness succeed Musical times and singing-class circular ,1893 The Day Lincoln Was Almost Shot Benjamin Franklin Cooling III,2013-05-02 The Day Lincoln Was Almost Shot The Fort Stevens Story recounts the story of President Abraham Lincoln s role in the Battle of Fort Stevens in July 1864 This engagement stands apart in American history as the only time a sitting American president came under enemy fire while in office In this new study of this overlooked moment in American history Cooling poses a troubling question What if Lincoln had been shot and killed during this short battle nine months prior to his death by John Wilkes Booth s hand in Ford s Theater A potential pivotal moment in the Civil War the Battle of Fort Stevens could have changed with Lincoln s demise the course of American history The Day Lincoln Was Almost Shot however is more than a meditation on an alternate history of the United States It is also a close study of the attempt by Confederate general Jubal Early to capture Washington DC to remove Lincoln and the Union government from power and to turn the tide of the Civil War in the South s favor The dramatic events of this attempt to capture Washington and the president with it unfold in stunning detail as Cooling taps fresh documentary sources and offers a new interpretation of this story of the defense of the nation s capital Commemorating this largely forgotten and under appreciated chapter in the study of Lincoln and the Civil War The Day Lincoln Was Almost Shot is a fascinating look at this potential turning point in American history **A Grizzly in the Mail and Other Adventures in American History** Tim Grove,2014-05-01 For more than twenty years Tim Grove has worked at the most popular history museums in the United States helping millions of people get acquainted with the past This book translates that experience into an insider s tour of some of the most interesting moments in American history Grove s stories are populated with well known historical figures such as John Brown Charles Lindbergh Meriwether Lewis William Clark and Sacagawea as well as the not so famous Have you heard of Mary Pickersgill seamstress of the Star Spangled Banner flag Grove also has something to say about a few of our cherished myths for instance the lore surrounding Betsy Ross and Eli Whitney Grove takes readers to historic sites such as Harpers Ferry Fort McHenry the Ulm Pishkun buffalo jump and the Lemhi Pass on the Lewis and Clark Trail and traverses time and space from eighteenth century Williamsburg to the twenty first century Kennedy Space Center En route from Cape Canaveral on the Atlantic to Cape Disappointment on the Pacific we learn about planting a cotton patch on the National Mall riding a high wheel bicycle flying the transcontinental airmail route and harnessing a mule Is history relevant This book answers with a resounding yes and in the most entertaining fashion shows us why 1812 George C. Daughan,2011-10-04 Tells the story of how America s war fleet only twenty ships strong was able to defeat the world s greatest imperial power through a combination of nautical deftness and sheer bravado to win the War of 1812 *The Mid-Atlantic Engineers* Harold Kanarek,1978 **The Coronation Hymnal ...** ,1894 *Sacred Books of the Buddhists* ,1927 **A Select Library of the Nicene and**
