F. Bosher,2010-04 During the century 1850 1950 Vancouver Island attracted Imperial officers and other Imperials from India the British Isles and elsewhere in the Empire Victoria was the main British port on the north

west Pacific Coast for forty years before the city of Vancouver was founded in 1886 to be the coastal terminus of the Canadian Pacific Railway These two coastal cities were historically and geographically different The Island joined Canada in 1871 and thirty five years later the Royal Navy withdrew from Esquimalt but Island communities did not lose their Imperial character until the 1950s P 4 of cover

A Knight in Politics Carman Miller,2010-07-01 Derided as a buffoon and an ignorant civilian by military critics Borden became the public s lightning rod and Prime Minister Wilfrid Laurier s point man for negotiating Canada s sensitive military agenda during an era of high imperialism Carman Miller presents a balanced assessment that seamlessly blends history and social and cultural analysis to highlight Borden s relationships within the contemporary web of nepotism patronage business and family A detailed account of the leading role Borden played in the development of modern Canada A Knight in Politics showcases the transition to corporate capitalism and changes in public morality and social and political relationships during the Age of Camelot

Dominion Stephen Bown,2024-10-22 NATIONAL BESTSELLER Named Best Book of the Year by the Globe and Mail History Today and The Hill Times A gripping and eye opening account of the building of the engineering triumph that created a nation the Canadian Pacific Railway The sharp decline of the demand for fur in the late nineteenth century could have spelled economic disaster for the venerable Hudson s Bay Company but an idea emerged in political and business circles in Ottawa and Montreal to connect the disparate British colonies With over 3 000 kilometres of track much of it driven through wildly inhospitable terrain the Canadian Pacific Railway would be the longest railway in the world and the most difficult to build Its construction was the defining event of its era and a catalyst for powerful global forces The times were marked by greed hubris blatant empire building oppression corruption and theft They were good for some hard for most disastrous for others The CPR enabled a new country but it came at a terrible price In Dominion Stephen R Bown widens our view of the past to include the adventures and hardships of explorers and surveyors the resistance of Indigenous peoples and the terrific and horrific work of many thousands of labourers His portrayal of the powerful forces that were moulding the world during this time provides a revelatory new picture of modern Canada s creation as an independent state

The Court of Queen's Bench of Manitoba, 1870-1950 Dale Brawn,Osgoode Society for Canadian Legal History,2006-01-01 This study of the Manitoba judiciary is not only the first biographical history to examine an entire provincial bench it is also one of the first studies to offer an internal view of the political nature of the judicial appointment process Dale Brawn has penned the biographies of the first thirty three men appointed to Manitoba s Court of Queen s Bench The relative youth of Manitoba as a province and the small size of its legal profession makes possible an exceptionally detailed investigation of the background of those appointed to the province s highest trial court The biographical data that Brawn has collected for this book highlights the extent to which judicial candidates underwent a socialization process designed to produce a legal elite whose members shared remarkably similar views and ways of thinking In addition these biographies suggest that until at least 1950 seats on provincial benches

were rewards for political services rendered Many lawyers became judges not because of their legal ability but because they had made themselves known in the communities in which they practiced This fascinating study offers an intimate look at personalities ranging from prime ministers to members of the bench and both senior levels of government
