Losing A Parent:

When Parents Die Rebecca Abrams, 2013 The death of a parent marks an emotional and psychological watershed in a person's life. For children and teenagers, the loss of a parent if not handled sensitively can be a lasting trauma, and for adults too, a parent's death can be a tremendous blow. *When Parents Die* speaks to bereaved children of all ages. Rebecca Abrams draws on her personal and professional understandings of parental loss, as well as the experiences of many other adults, teenagers, and children, to provide the reader with an honest, compassionate, and insightful exploration of the experience of losing a parent. The book covers the entire course of grieving, from the immediate aftermath of a parent's death through to the point of recovery, paying particular attention to the many circumstances that can prolong and complicate mourning, including sudden death. An indispensable aid to the bereaved and the many professionals who work with them, this book is written in a clear and sympathetic style. It has been fully revised for this third edition to take recent research into account.

Losing A Parent Fiona Marshall, 2009-04-28 Whether from a sudden accident or a slow terminal illness, the death of a parent is devastating to adults and children alike. In *Losing a Parent*, Fiona Marshall helps readers understand the process of coping with a parent's death, from preparing for death to recognizing the different stages of grief, from nurturing the relationship with the surviving parent to harnessing new strength to carry on with life. Wise, compassionate, and practical, *Losing a Parent* is an invaluable source of support for a time of overwhelming loss.

Loss of a Parent Theresa Jackson, 2016-12-31 1 Best Selling Author on Grief and Narcissism Expert guidance, healing exercises, and experience from others who have lost a parent. Theresa Jackson lost her father in 2007 and has since put together useful clinical and healing resources for others in the same position to help them recover. With a Masters degree in clinical research, Theresa has combined the latest theories and practices on loss with effective meditations and exercises so that you can honor and remember your lost parent all the while processing your grief in a healthy way. Sharing hers and others' personal journeys of coming to terms with the loss of a parent, she hopes to help more bereaved adult children on their healing journeys.

Loss of a Parent: Adult Grief When *Parents Die* combines a personal approach with expert guidance and informed grief exercises to make readers feel less alone and more informed about what they might experience next. *Loss of a Parent* will help you to feel less isolated in your grief by reading the stories of how other people felt and how they dealt with their loss. Understand that it's okay to have confusing or unexpected thoughts and emotions; that people react differently to losing a parent; and that you are most likely normal in how you're feeling. Gain some context by learning about the 7 stages of grief, which stage you might be in currently, and get an idea about what you might experience next. Understand how complicated or prolonged grief is common and gain insight into how to try and move on. Guided exercises will help you work through your grief in a healthy way. Other people are saying: This is such a good book for this difficult time. When my father passed away, even though we had some indication of his declining health, nothing could really prepare me for the tsunami of feelings. I belonged to a church and

they were supportive but there was very little reading material at hand and this book would have been a valuable aid to help me understand or anticipate the effects of bereavement I bought this book after recently losing my mum It is a very easy book to read and understand I found that I could relate to both the experiences of the author and other case studies easily and it made me feel less alone at a very difficult time The book addresses all the little issues practical and emotional that you may not be able to talk to others about I can relate to the Theresa s story as well as the other stories recounted in the book I still have feelings about my father s death that I need to process and with my father s birthday coming up I need a book like this one to help guide me Even in the best of families conflict can tear the fabric of the family apart and I appreciated the guidance Without giving too much away The author s writing was clear and helpful It felt as if I was getting guidance from a friend and appreciate this book Thank you Get your copy today [How to Survive the Loss of a Parent](#) Lois F.
