Because our relationships with our animal companions are unlike human relationships the death of a pet is like no other loss that we will experience In *Grieving the Death of a Pet* Betty J Carmack draws on her own experience and on interviews with dozens of pet lovers to guide the reader through the loss of a beloved animal companion I Lost My Best Friend Today Judy Wright,2013-01-29 Pet Loss Is Devastating There Are Ways To Help Ease Your Pain Dear friend I wonder if you can relate to some of the stories in this book Was the decision to euthanize your pet one of the hardest things you ve ever done Do you have an old or terminally ill pet who you cannot stand the thought of losing Do you find yourself denying the inevitable or wondering how you will ever be able to handle the loss when they are gone Is your child struggling to understand the death of their pet Do you wish you could find the words to comfort a grieving friend or family member who lost a beloved pet but you don t know what to say to show your support without appearing to trivialize their pain Did the loss of your animal best friend trigger unhappy memories or unresolved conflicts of loss from years ago Did you find that you were more upset over losing a pet than losing a parent or relative All of the contributors knew their pets were more than just animals they are our closest friends constant companions and integral members of the family Just one of the comments about the book I can t share how sad I am about my dog because my co workers will think I am crazy But on the other hand I inquire about their child s cold and buy their stupid Girl Scout cookies to support them It isn t fair Oh God please don t let me start crying at work again I heard someone call me a drama queen and say It s only a dog not a child I just need someone to acknowledge my sadness Each day with our pet is special and brings joy to both the owner and the owned sometimes it is hard to determine who owns who do you agree No one wants to lose their pet No one gets an animal anticipating the death of that companion But the fact is pets are lost to accidents disease old age or they simply wander off and never come home It s
