magazines and newspapers of the day often under an array of different titles prior to being published by Collins and Dodd Mead and Company Second serial rights could result in a single title being syndicated to over 40 newspapers Over the decades numerous records have been lost or destroyed and keeping track of her literary legacy has proved a major challenge for her publishers literary agents and others until now Jared Cade author of the ground breaking biography Agatha Christie and the Eleven Missing Days has unearthed a huge plethora of hitherto unknown facts about the timeline of her publishing history that will delight her devotees and enable future generations to write about her work with far greater authority and accuracy than ever before especially when correlating her publications to the parallels in her life Illustrated with rare pictures Secrets from the Agatha Christie Archives is destined to become an essential reference tool for fans librarians scholars antiquarian booksellers broadcasters and others interested in the making of one of the 20th century s most beloved writers Jared Cade is an acknowledged authority on Christianna Crime Time [The Encyclopedia of Murder and Mystery](#) B. Jumping from the present to various points in the past the novel ferries us back to Vincenzo's childhood when his father opened the store in 1935 to the years that the store was run by his Uncle Eliseo and to the years in the lead up to the democratic transition which Vincenzo spent as far away from the bookstore as possible in Madrid Like the bookstore itself *The Last Days of Terranova* is a space crammed with stories histories and literary references and as many nooks crannies and complexities brought to life in Rivas's vital prose

The Enigmatic Disappearance of Agatha Christie Johana Connor, Agatha Christie vanished from her Sunningdale Berkshire home on the evening of December 3 and went missing for 11 days The largest missing person manhunt in British history began when the crime writer's abandoned car was found It's astonishing that such a well chronicled event of Christie's life has remained resistant to the narrative closure that was so vital to her own work considering her status as the bestselling author of all time outselling only the Bible and Shakespeare in terms of sales Whether Agatha Christie's disappearance was caused by the psychological repercussions of the sadness she was experiencing or if there were additional factors may never be known But there's no denying that her marriage to Archie Christie disintegrating was a painful event After ultimately divorcing in 1928 Archie married Nancy Neele his mistress Later Agatha married Max Mallowan an archaeologist in 1930 On January 12 1976 at the age of 85 Agatha Christie passed away at her Wallington Oxfordshire home from age related natural causes
