Lost Empire On The Nile:

Lost Empire on the Nile Stanhope White,2003 **Lost Empire on the Nile** Stanhope White,1970 The First Jihad Daniel Allen Butler,2020-01-10 A well researched account of the nineteenth century Sudanese cleric who led a bloody holy war from a New York Times bestselling author Publishers Weekly Before bin Laden al Zarqawi or Ayatollah Khomeini there was the Mahdi the Expected One who raised the Arabs in pan tribal revolt against infidels and apostates in Sudan Born on the Nile in 1844 Muhammed Ahmed grew into a devout charismatic young man whose visage was said to have always featured the placid hint of a smile He developed a ferocious resentment however against the corrupt Ottoman Turks their Egyptian lackeys and finally the Europeans who he felt held the Arab people in subjugation In 1880 he raised the banner of holy war and thousands of warriors flocked to his side The Egyptians dispatched a punitive expedition to the Sudan but the Mahdist forces destroyed it In 1883 Col William Hicks gathered a larger army of nearly ten thousand men Trapped by the tribesmen in a gorge at El Obeid it was massacred to a man Three months later another British led force met disaster at El Teb This was followed by the infamous conflict at Khartoum during which a treacherous native or patriot depending upon one s point of view let the Madhist forces into the city resulting in the horrifying death of Gen Charles Chinese Gordon at the hands of jihadists In today s world the Mahdi s words have been repeated almost verbatim by the jihadists who have attacked New York Washington Madrid and London and continue to wage war from the Hindu Kush to the Mediterranean Along with Saladin the Mahdi stands as an Islamic icon who launched his own successful crusade against the West This deeply researched work reminds us that the clash of civilizations that supposedly came upon us in September 2001 in fact began much earlier and lays important tracks into the study of terror fundamentalism and the early clash between Islam and Christianity Publishers Weekly The Last Expedition Daniel Liebowitz,Charles Pearson,2005 Henry Morton Stanley undertook the greatest African expedition of the 19th century to rescue Emin Pasha last lieutenant of the martyred General Gordon and governor of the southern Sudan Instead of ten months the trip took three years and cost the lives of thousands of people as Stanley s column hacked its way across the last great unexplored territory in Africa Stanley s secret agenda was territorial expansion on the model of Leopold s Congo or the British East India Company **Eating Uganda** Cedric Pulford,1999 African Exploits Roy D. MacLaren,1998-03-18 Born and raised in Halifax Nova Scotia Stairs 1863 1892 attended the Royal Military College in Kingston before being commissioned in the British army Wearied of peacetime soldiering he volunteered in 1887 to participate in Sir Henry M Stanley s final trans African expedition to rescue Emin Pasha the last of Chinese Gordon s lieutenants in the Sudan The expedition emerged almost three years later in Zanzibar a reluctant Pasha in tow having left a trail of havoc and suffering behind it Stairs promptly volunteered for a second expedition in Africa to secure Katanga for King Leopold II of the Belgians as part of the controversial Congo Free State Stairs was a cruel leader condoning decapitation and mutilation to attain colonial ends The expedition succeeded but at the price of

suffering destruction and his own life Stairs died of malaria at the end of the expedition at the age of twenty eight Few diaries of the period convey better than Stairs s the nature and course of imperialist expeditions in Africa in the nineteenth century and the psychological and moral corruption caused by absolute power Stairs s diaries of the Emin Pasha Relief Expedition present a candid personal account of the long and arduous venture including a very unflattering assessment of Stanley whom Stairs described as cruel secretive and selfish The Katanga diaries written as an official company account of the expedition were intended partly to provide information useful to those intent upon exploiting the African hinterland African Exploits is the most complete published collection of Stairs s diaries with a new translation of the Katanga diaries which no longer exist in the original English Roy MacLaren s introduction and conclusion set Stairs s adventures in the colonial context of the era and analyse the psychological effects of his experiences

Civil Wars and Revolution in the Sudan Robert O. Collins, 2005 This is a collection of twenty essays written over forty years between 1962 and 2004 on the Sudan southern Sudan and Darfur Four decades of civil war has cost more than two million dead and another six million refugees and Internally Displaced Persons Now after a decade of ambivalent and frustrating negotiations a peace agreement between the Sudan People s Liberation Movement and the Government of the Sudan has finally been signed on 9 January 2005 leaving in its wake a devastated southern Sudan its infrastructure completely destroyed its fragile economy in ruins and its people exhausted after nearly half a century of fierce fighting Although these twenty essays include such topics as nation building the dynamics of racial ethnic cultural and religious identity the politics of oil and the legacy of slavery most of them are concerned with conflict in the Sudan its participants and the reasons why and it began and has continued for so long These essays are presented here in chronological order the aggregate becomes a unique history of the Sudan s terrible civil war that cannot be found elsewhere the independent Sudan are woven into the text of each revealing new insights into the history of these tumultuous decades

Imperialism and the Anti-Imperialist Mind Lewis Samuel Feuer, 1989-01-01 In this major work Lewis S Feuer examines critical distinctions between progressive and regressive imperialism He explores causes of anti imperial ideologies noting that unlike the spoliation that took place under regressive tartar Spanish and Nazi colonizations civilization flourished during the progressive imperialism of Hellenic Macedonian Roman and modern British eras of empire building Feuer holds that it is erroneous to blame the relative backwardness of colonial peoples on the imperialism of Western democratic nations In case after case the character of colonial rulers determined economic development and democratic reform alike Pursuing the theme of progress versus regression Feuer compares the imperialism of the United States with that of the Soviet Union to the detriment of the latter in nearly every instance His effort constitutes nothing short of a fundamentally new perspective on the lessons of modern history and the mistakes of modern analysts of international affairs Feuer opens as well a new chapter in political psychology with his study of such anti imperialist intellectuals as Hobson Morel and Leonard Woolf his portrait of Emin Pasha the heroic Jewish governor of Equatorial Sudan

suggests a living model for Conrad's Lord Jim **Imperial Footprints** James L. Newman, 2004 Dr Livingstone I presume The man who uttered those famous words was compared with Christopher Columbus in his day and became one of the late nineteenth century's most newsworthy figures Yet one hundred years after Henry Morton Stanley's death his accomplishments in Africa have largely receded from public memory or have been discredited as epitomizing the wrongs inflicted by the scourge of European colonialism and its scramble for Africa While numerous writers have attempted to describe the man sometimes through highly speculative means our understanding of the most notable aspect of Stanley's life his relationship to the continent isn't much more advanced than it was one hundred years ago To fill this void James L Newman re-creates Stanley's seven epic African journeys explaining why he made them what transpired en route and what resulted He highlights Stanley's determination to succeed despite incredible odds and his various relationships with the people who enabled him to accomplish his objectives And while he acknowledges Stanley's less admirable traits such as his penchant for stretching the truth his capacity to be ruthless and his tendency to demean others Newman refuses to engage in facile speculation Instead he focuses on the words and deeds of a man who played a major role in shaping today's Africa James L Newman's in-depth research, detailed descriptions and vivid prose make Stanley and Africa both a fascinating read and a notable contribution to the study of Africa, exploration and the age of empire **Joseph Conrad** Jeffrey Meyers, 2001-02-09 In *Joseph Conrad: A Biography* acclaimed writer Jeffrey Meyers presents the definitive account of the life of Joseph Conrad 1857-1924 author of *Heart of Darkness*, *Lord Jim*, *Nostromo* and many other landmarks in modern literature Meyers' biography, published for the first time in paperback by Cooper Square Press, is the first biography of the author in many years Joseph Conrad brings to light new information about Conrad's life and its impact on his fiction; new models emerge for his characters including *Heart of Darkness*' Kurtz and Meyers also examines in great detail Conrad's relationship with the wild and beautiful American journalist Jane Anderson [The Oromo and the Christian Kingdom of Ethiopia](#) Mohammed Hassen, 2015 First full-length history of the Oromo 1300-1700 explains their key part in the medieval Christian kingdom and demonstrates their importance in shaping Ethiopian history [AF Press Clips](#), 1979 **The Indigenous and the Foreign in Christian Ethiopian Art** Manuel João Ramos, Isabel Boavida, 2017-03-02 In the rural plateaux of northern Ethiopia one can still find scattered ruins of monumental buildings that are evidently alien to the country's ancient architectural tradition This little-known and rarely studied architectural heritage is a silent witness to a fascinating if equivocal cultural encounter that took place in the 16th-17th centuries between Catholic Europeans and Orthodox Ethiopians *The Indigenous and the Foreign in Christian Ethiopian Art* presents a selection of papers derived from the 5th Conference on the History of Ethiopian Art which for the first time systematically approached this heritage The book explores the enduring impact of this encounter on the artistic, religious and political life of Ethiopia an impact that has not been readily acknowledged not least because the public conversion of the early 17th-century Emperor Susnyus to Catholicism resulted in

a bloody civil war shrouded in religious intolerance Bringing together work by key researchers in the field these studies open up a particularly rich period in the history of Ethiopia and cast new light on the complexities of cultural and religious mis encounters between Africa and Europe

Catalog of the Melville J. Herskovits Library of African Studies, Northwestern University Library (Evanston, Illinois) and Africana in Selected Libraries Melville J. Herskovits Library of African Studies,1972 *The Guide Post* ,1971 Nilo-Sahelian Newsletter ,1978 **The National union catalog, 1968-1972** ,1973 *Held by Chinese Brigands* Charles Gilson,2023-09-18 In *Held by Chinese Brigands* Charles Gilson captivates readers with a gripping narrative set against the backdrop of early 20th century China The novel blends elements of adventure and realism portraying the harrowing experiences of Westerners captured by bandits Gilson s literary style is characterized by vivid descriptions and intricate characterizations allowing readers to immerse themselves in the tumultuous landscape of Chinese sociopolitical dynamics at the time Through the protagonist s plight the story explores themes of resilience cultural clash and the moral complexities of colonialism weaving authentic details into a thrilling plot that examines both humanity and savagery Charles Gilson a notable English author and journalist drew upon his extensive travels and experiences in Asia to inform his writing His firsthand observations and interactions with diverse cultures provided important context for the intense portrayals of both captors and captives in this novel Gilson s work often reflects his deep understanding of the East West relations of his time showcasing his interest in social issues and the narratives of those often marginalized within historical accounts For readers intrigued by historical adventure narratives *Held by Chinese Brigands* promises an engaging exploration of cultural encounters resilience and adventure Gilson s work not only entertains but also raises important ethical questions about imperialism and human nature making it a compelling choice for both literary enthusiasts and casual readers alike

Book Review Digest Leslie Dunmore-Leiber,1976 **Sudan Today** University Press of Africa,1971
