## **Lost Mans River:**

*Lost Man's River* Peter Matthiessen, 2012-08-22 When his novel *Killing Mister Watson* was published in 1990 the reviews were extraordinary It was heralded as a marvel of invention a virtuoso performance The New York Times Book Review and a novel that stands with the best that our nation has produced as literature Los Angeles Times Book Review Now Peter Matthiessen brings us the second novel in his Watson trilogy a project that has been nearly twenty years in the writing A story of epic scope and ambition *Lost Man's River* confronts the primal relationship between a dangerous father and his desperate sons and the ways in which his death has shaped their lives Lucius Watson is obsessed with learning the truth about his father Who was E J Watson Was he a devoted family man an inspired farmer a man of progress and vision Or was he a cold blooded murderer and amoral opportunist Were his neighbors driven to kill him out of fear Or was it envy And if Watson was a killer should the neighbors fear the obsessed Lucius when he returns to live among them and ask questions The characters in this tale are men and women molded by the harsh elements of the Florida Everglades an isolated breed descendants of renegades and pioneers who have only their grit instinct and tradition to wield against the obliterating forces of twentieth century progress Speck Daniels moonshiner and alligator poacher turned gunrunner Sally Brown who struggles to escape the racism and shame of her local family R B Collins known as Chicken crippled by drink and rage who is the custodian of Watson secrets Watson Dyer the unacknowledged namesake with designs on the remote Watson homestead hidden in the wild rivers and Henry Short a black man and unwilling member of the group of armed island men who awaited E J Watson in the silent twilight Only a storyteller of Peter Matthiessen's dazzling artistry could capture the beauty and strangeness of life on this lawless frontier while probing deeply into its underlying tragedy the brutal destruction of the land in the name of progress and the racism that infects the heart of New World history

**Lost Man's River** Peter Matthiessen, 1997-10-21 We are behind and below the scenes of JFK's Presidential election the Bay of Pigs the assassination in the underworld that connects Miami Los Angeles Chicago D C Where the CIA the Mob J Edgar Hoover Howard Hughes Jimmy Hoffa Cuban political exiles and various loose cannons conspire in a covert anarchy Where the right drugs the right amount of cash the right murder buys a moment of a man's loyalty Where money power influence and even the Presidency of the United States are up for grabs Where three renegade law enforcement officers a former L A cop and two FBI agents are shaping events with the virulence of their greed and hatred riding full blast shotgun into history The same blistering language relentless narrative pace and nothing spared rendering of reality that have marked James Ellroy's other best selling novels are here once again and in electrifying abundance And now he puts them to work in a novel more shocking and daring than anything he's written before a secret history that zeroes in on a time still shrouded in secrets and blows it wide open
