Lost Pages From American History:

Lost Pages from American History Webb Garrison,1976 **Missing Pages in American History** Laura Eliza Wilkes,1919 The Missing Pages Zed Merrill,2017-03-02 This book contains fascinating behind the scenes stories that were left off the history pages of World War IIpersonal experiences and episodes that were never completely revealed before sometimes on purpose covered up or just plain fabricated You will find this rare collection of war stories quite unusual and in some cases hard to believe Stories that were discovered hiding just beneath the surface of recorded incidents while others came from ordinary people who experienced the unusual and often bizarre that only those war years could provide Most certainly you will learn something you probably never knew before about these incredible events and the extraordinary people who were there and survived those times that changed the world forever Writings on American History ,1922

Index to America, 1976 Lost Pages Paul Di Filippo, 2014-04-01 This audacious collection of genre bending short stories is the most riotous work of this kind since Nabokov's *Invitation of a Spring* or Ardoz Barry N Malzberg author of *Final War* You can try to escape from the mundane or with the help of Paul Di Filippo you can take a brief meaningful break from it In the vein of George Saunders or Michael Chabon Di Filippo uses the tools of science fiction and the surreal to take a deep richly felt look at humanity His brand of funny quirky thoughtful fast moving heart warming brain bending stories exists across the entire spectrum of the fantastic from hard science fiction to satire to fantasy and on to horror delivering a riotously entertaining string of modern fables and stories from tomorrow now and anytime After you read Paul Di Filippo you will no longer see everyday life quite the same

African American Soldiers in the National Guard Charles Johnson, 1992-08-21 Little is known about the many achievements of African American guardsmen in U S history from the late nineteenth to the mid twentieth centuries This detailed account thus fills an important gap in our knowledge about the establishment of African American militias in 1877 and their service in wartime and peacetime until the integration of the National Guard in 1950 This careful study of extensive primary and secondary sources is intended for military historians and for all who want to know more about African American contributions to the defense of our nation Following a short introduction providing some historical background the study launches into a description of the establishment of African American militia organizations in and about 1877 and their involvement in the Spanish American War and in quelling civil disturbances and disasters up to 1914 The history deals next with the service of African American guardsmen units in World War I their work in the years between the wars and their involvement in World War II The story ends with a description of the initial reorganization of these units and their integration into the National Guard in 1949 and 1950 A lengthy bibliography of primary and secondary sources is useful as well in pointing to the role of African American militias and guardsmen in the history of this important period

African Americans in the Revolutionary War Michael L. Lanning, 2021-11-30 In this enlightening and informative work military historian and author Lt Col Michael Lee Lanning reveals the under acknowledged critical and heroic role both

enslaved and free African Americans played in the American Revolution while serving despite racism in integrated units An invaluable perspective for readers of American history military history and for all Americans as discrimination remains a central issue At first neither George Washington nor the Continental Congress approved of enlisting African Americans in the new army Nevertheless Black men both slave and free filled the ranks and served in all of the early battles Black sailors also saw action in every major naval battle of the Revolution including members of John Paul Jones s crew aboard the Bonhomme Richard At least thirteen Black Americans served in the newly formed U S Marine Corps during the war Bravery among African Americans was commonplace as recognized by their commanders and state governments and their bravery is recorded here in the stories of citizen Crispus Attucks at the Boston Massacre militiaman Price Esterbrook at Lexington Green soldier Salem Poor at Bunker Hill and marine John Martin aboard the brig Reprisal As interest in colonial history enjoys renewed popularity due to works like Hamilton and the issues of prejudice and discrimination remain at the forefront of our times African Americans in the Revolutionary War offers an invaluable perspective on a crucial topic that touches the lives of Americans of every color and background *The American Historical Review* John Franklin Jameson, Henry Eldridge Bourne, Robert Livingston Schuyler, 1921 American Historical Review is the oldest scholarly journal of history in the United States and the largest in the world Published by the American Historical Association it covers all areas of historical research

Women and the Historical Enterprise in America: Gender, Race and the Politics of Memory Julie Des Jardins, 2004-07-21 In *Women and the Historical Enterprise in America* Julie Des Jardins explores American women s participation in the practice of history from the late nineteenth century through the end of World War II a period in which history became professionalized as an increasingly masculine field of scientific inquiry Des Jardins shows how women nevertheless transformed the profession during these years in their roles as writers preservationists educators archivists government workers and social activists Des Jardins explores the work of a wide variety of women historians both professional and amateur popular and scholarly conservative and radical white and nonwhite Although their ability to earn professional credentials and gain research access to official documents was limited by their gender and often by their race these historians addressed important new questions and represented social groups traditionally omitted from the historical record such as workers African Americans Native Americans and religious minorities Assessing the historical contributions of Mary Beard Zora Neale Hurston Angie Debo Mari Sandoz Lucy Salmon Mary McLeod Bethune Dorothy Porter Nellie Neilson and many others Des Jardins argues that women working within the broadest confines of the historical enterprise collectively brought the new perspectives of social and cultural history to the study of a multifaceted American past In the process they not only developed the field of women s history but also influenced the creation of our national memory in the twentieth century **Black Public History in Chicago** Ian Rocksborough-Smith, 2018-04-11 In civil rights era Chicago a dedicated group of black activists educators and organizations employed black public history as more than cultural activism Their work

and vision energized a movement that promoted political progress in the crucial time between World War II and the onset of the Cold War Ian Rocksborough Smith's meticulous research and adept storytelling provide the first in depth look at how these committed individuals leveraged Chicago's black public history Their goal to engage with the struggle for racial equality Rocksborough Smith shows teachers working to advance curriculum reform in public schools while well known activists Margaret and Charles Burroughs pushed for greater recognition of black history by founding the DuSable Museum of African American History Organizations like the Afro American Heritage Association meanwhile used black public history work to connect radical politics and nationalism Together these people and their projects advanced important ideas about race citizenship education and intellectual labor that paralleled the shifting terrain of mid twentieth century civil rights

The Missing Pages Heghnar Zeitlian Watenpaugh, 2023-05-25 A gripping and at times unsettling history of the Zeytun Gospels a lavishly illuminated Armenian book that miraculously survived centuries of war The Wall Street Journal In 2010 the world's wealthiest art institution the J Paul Getty Museum found itself confronted by a century old genocide The Armenian Church was suing for the return of eight pages from the Zeytun Gospels a manuscript illuminated by the greatest medieval Armenian artist Toros Roslin Protected for centuries in a remote church the holy manuscript had followed the waves of displaced people exterminated during the Armenian genocide Passed from hand to hand caught in the confusion and brutality of the First World War it was cleaved in two Decades later the manuscript found its way to the Republic of Armenia while its missing eight pages came to the Getty This is the biography of a manuscript that is at once art sacred object and cultural heritage Its tale mirrors the story of its scattered community as Armenians have struggled to redefine themselves after genocide and in the absence of a homeland Heghnar Zeitlian Watenpaugh follows in the manuscript's footsteps through seven centuries from medieval Armenia to the killing fields of 1915 Anatolia the refugee camps of Aleppo Ellis Island and Soviet Armenia and ultimately to a Los Angeles courtroom Reconstructing the path of the pages Watenpaugh uncovers the rich tapestry of an extraordinary artwork and the people touched by it At once a story of genocide and survival of unimaginable loss and resilience *The Missing Pages* captures the human costs of war and persuasively makes the case for a human right to art A well told tale of the history of the Armenian people and a wondrous and terrifically engrossing journey of this sacred religious object and priceless work of art Michael Bazyler author of *Holocaust Justice The Battle for Restitution in America's Courts*
