Taite,2016-12-13 Hit woman and thief Reed Gable works for the highest bidder no matter where the job takes her An orphan of circumstance Reed knows the streets of Las Vegas better than anyone Growing up rough has gotten her to the top of her profession and she plans to stay there Accountant Brinley Myers a recent hire at the Moroccan Casino discovers a money laundering operation orchestrated by the New York mob and suddenly her life and the people in it become collateral damage Reed has Brinley in her sights and is ready to close the contract when she sees Brinley s son in the car with her Even hard hearted Reed can t kill a mother in front of her child Before Reed can come up with a plan to finish the job she s double crossed It ll take all her street smarts to keep herself and her surprisingly beautiful mark alive **But Without a Parable**

**Jesus Did Not Speak Interpretation of All the Parables of Jesus Christ** Stephen Buttafuoco,2019-03-24 In this volume But Without a Parable Jesus Did Not Speak Interpretation of All the Parables of Jesus Christ tenders a brand new outlook on the ministry of Jesus as a human being and as eternal God and serves a biblical interpretation of the spiritual language of parables This gospel commentary was taken from the Book of Matthew that harmonizes teachings of the other New Testament books and from that point on offers a cultural and political background of the times when Jesus was living in Israel with dates and historical fact and analysis of everything written in his three and a half year ministry on earth Since this is a resource that interprets all the gospel parables spoken by Jesus from Matthew Mark and Luke and in addition makes clear his plan of salvation created from the foundation of the world But Without a Parable Jesus Did Not Speak Interpretation of All the Parables puts forward a detailed description at the time of the cross while Jesus was alive and knew that all things at that moment had been accomplished and the scriptures had been fulfilled He cries out it is finished and that moment in time ensures the payment for sin was fully paid for while Jesus was still alive on the cross And another aspect of the book explains the controversy of divorcement and the NT Sabbath day which are all included as part of the new covenant that comprises the doctrines of the Christian churches *The Palgrave Encyclopedia of Urban Literary Studies* Jeremy

**Community Update** ,1993 **The Good Father** Diane Chamberlain,2019-09-16 From a New York Times bestselling author a surprisingly thoughtful and compelling tale about the decision a single father makes to protect his child Publishers Weekly Four years ago nineteen year old Travis Brown made a choice to raise his newborn daughter on his own While most of his friends were out partying and meeting girls Travis was at home changing diapers and worrying about keeping food on the table But he s never regretted his decision Bella is the light of his life The reason behind every move he makes And so far

she is fed Cared for Safe But when Travis loses his construction job and his home the security he s worked so hard to create for Bella begins to crumble Then a miracle A job in Raleigh has the power to turn their fortunes around It has to But when Travis arrives in Raleigh there is no job only an offer to participate in a onetime criminal act that promises quick money and no repercussions With nowhere else to turn Travis must make another choice for his daughter s sake Even if it means he might lose her Praise for *The Midwife s Confession* by Diane Chamberlain A complex heart wrenching tale a Jodi Picoult like story line yanked from the most shocking of headlines each scene and character should grab readers and keep them eagerly turning pages right up to the startling climax Booklist A compelling tale of friendship and motherhood told with compassion and vivid honesty Chamberlain takes the reader on a taut journey filled with secrets heartbreak and the power of hope Impossible to put down Heather Gudenkauf New York Times bestselling author of *The Overnight Guest* *The First Black Mayor of Terry*, Ms Roderick T. Nicholson, 2016-11-18 This is an account of Rod Nicholson a then nave young African American professional man born raised and educated in the Midwest who came to Mississippi by way of Chicago to begin his married life and start a family This is his perspective of Southern culture politics and race from an outsiders viewpoint Eventually Rod and his family moved to the quaint little town of Terry Mississippi Less than two years after arriving in Terry Rod was encouraged to run for and won a seat on the towns Board of Aldermen Four years later Rod Nicholson ran for mayor becoming the towns first African American mayor Mayor Rod Nicholson was reelected to two additional four year terms in a town with roughly an even distribution of black and white residents For a number of years things appeared to go smoothly for this part time mayor Being a civil engineer by training Mayor Rod had a skill set that enabled him to successfully secure funding for a number of much needed infrastructure improvements for this town that seemed to have a lot of potential but apparently had languished in neglect for decades And his efforts did seem to be appreciated by the rank and file residents from all walks of life in this small town However not everyone was happy with this new mayor and the bold changes that he championed As time went by it became apparent that beneath the gentile faade of the townsfolk there lay a more sinister side where race permeated every facet of life in a closed society that apparently was unable or willing to change This is Mayor Roderick Nicholsons real life account of these experiences Positive and negative And in his own words *The Lost History of the Capitol* Edward P. Moser, 2021-10-01 The Lost History of the Capitol is an account of the many bizarre tragic and violent episodes that have occurred in and around the Capitol Building from the founding of the federal capital city in 1790 up to contemporary times including the events of January 6 2021 In this 230 year span the Senate the House of Representatives and the neighborhoods nearby have witnessed dozens of high profile scandals trials riots bombings and personal assaults along with some inspiring events as well This is a popular work about the US Capitol Building and its environs Among the many incidents the book chronicles are a duel to the death between congressmen the terror bombings of the Senate the first assassination attempt on a US president moving tributes to war heroes and heroines vicious brawls

between senators and congressmen protest marches both uplifting and illicit public hangings near the Capitol steps a gun battle in the House bloody ethnic broils quelled by a famous father and son and the citywide and Capitol Building riots of 2020 21

The Carceral City John Bardes,2024-04-02 Americans often assume that slave societies had little use for prisons and police because slaveholders only ever inflicted violence directly or through overseers Mustering tens of thousands of previously overlooked arrest and prison records John K Bardes demonstrates the opposite in parts of the South enslaved and free people were jailed at astronomical rates Slaveholders were deeply reliant on coercive state action Authorities built massive slave prisons and devised specialized slave penal systems to maintain control and maximize profit Indeed in New Orleans for most of the past half century the city with the highest incarceration rate in the United States enslaved people were jailed at higher rates during the antebellum era than are Black residents today Moreover some slave prisons remained in use well after Emancipation in these forgotten institutions lie the hidden origins of state violence under Jim Crow With powerful and evocative prose Bardes boldly reinterprets relations between slavery and prison development in American history Racialized policing and mass incarceration are among the gravest moral crises of our age but they are not new slavery the prison and race are deeply interwoven into the history of American governance

The Haven Jeffery Harris,2024-01-05 It s the year 1817 when a quiet peaceful town deep within the Appalachian Mountains of North Carolina is attacked by a malevolent witch a witch who will stop at nothing to tear away the people s faith and peace they all once had It all started with the Edwards family a peaceful family of farmers who soon discover the withering of their crops followed by missing cattle and soon their youngest daughter goes missing What started out with the Edwards family started happening to the rest of the town leaving many to believe a curse has been placed on the Edwards family and now most of the frightened town blames them Soon a preacher named Hezekiah who has experience with dealing with witch hauntings and demonic curses sets out to help the family while learning many secrets along the way such as a local witch who lived just outside of the town and the fact that eighteen years ago four elderly witches who were responsible for many murders and blamed for the disappearing of many children throughout the Appalachian Mountains were caught and murdered by a mob of vengeful people And the night they were killed the main witch left a curse Could it be that they returned fulfilling their curse Or could there be someone else lurking and picking up where they left off So many secrets along the way of a long journey to discover who or where this witch is A town that once had peace and fellowship with one another is now torn apart

**Catching the Wind** Francis E. Hutchinson,Johan Saravanamuttu,2012 However impressive the economic success of Penang has been over the past four decades structural conditions in the region call for a fundamental reconfiguration of this Malaysian state s competitive advantage In the 1970s the ageing entrep t transformed itself into a manufacturing hub for the electronics industry and a well known tourist site This outward looking model of economic growth has underpinned Penang s economic development up until the present The question that now arises is whether Penang s present mode of development will

continue to be effective or whether it will have to transform itself First Malaysia in general and Penang in particular are caught in a middle income trap Second while the evolving weight of the global economy is shifting towards Asia many of its emerging powers are competing with Penang in areas where it formerly excelled Third Penang is a state within a federation and its capital George Town is a secondary city Neither can rival Kuala Lumpur in terms of size or facilities and thus must offer investors other attributes Effectively meeting these challenges while retaining Penang s vibrant and living culture are the key issues that are dealt with in this second volume of the Penang Studies Series **THE HONEYMOON**

**ASSIGNMENT** Cathryn Clare,2011-07-15 Assignment Romance Undercover newlyweds LONG LOST LOVE For private investigators Sam Cotter and Kelley Landis going undercover at a honeymoon resort was bittersweet torture Three years ago they really had been engaged But theirs had been the wedding that never happened Now posing as newlyweds was all too easy But would their rediscovered passion be able to withstand the light of day Only time would tell and time was something that was quickly running out for Sam and Kelley Assignment Romance Watch out women Because when the Cotter brothers take on a case it s hearts that are in danger **Healing a Community** Melissa Glaser,2019-02-12 Mass trauma has made entire towns and cities into monuments of heartbreak and loss Here is a book to guide the communal recovery After the horrific tragedy at Sandy Hook Elementary School in Newtown Connecticut local caregivers civic leaders and first responders had the daunting task of navigating emotional and physical trauma as they stitched their community back together The recovery process takes years and as the coordinator of the Newtown Recovery and Resiliency Team Melissa Glaser managed the town s response She developed a unique set of therapeutic and transferable best practices that other communities can learn from The impact of an intense media presence and the long term financial needs of recovery work are also included in Healing a Community Through heartbreaking insights Glaser conveys the importance of meeting traumatized individuals where they are at in the process Lessons learned in Newtown can be used to create a universal community mental health disaster plan so leaders therapists and families know what to do the next time tragedy occurs
